Bits & Pieces

ASSHOLE OF THE MONTH

MICHAEL BRAY

Debate rages as to when the life of a turd begins. Fundamentalist doctrine holds that fecal existence begins at ingestion, when the seeds of the future shit are planted in the stomach. Others maintain that, until a bowel snake is birthed from the rectum, it can't be considered a viable ass biscuit.

Proponents of every ideology agree that so-called Reverend Michael Bray, HUSTLER's January 2001 Asshole of the Month, is a fully developed, fanatical piece of shit.

Bray, 48, is a Bowie, Maryland-based "pastor" of an unsanctioned Lutheran congregation that meets in his mother's basement. Known as the godfather of antiabortion violence, Bray is a deluded dump who clings to gory clumps of fetal tissue so obsessively that Operation Rescue founder Randall Terry deems him "whacked."

Bray's near-pedophiliac interest in unborn children first became apparent in the mid-'80s, when he conspired to bomb ten abortion clinics and related establishments. Since serving a four-year prison term for his conspiracy, Bray plays the "not really active" role of encouraging other zealots to kill.

Following the 1993 murder of Dr. David Gunn, Bray signed the Defensive Action Petition, calling for the acquittal of Gunn's killer because "his use of lethal force was justifiable." The following year, Bray published *A Time to Kill*, a rant in book form that attempts a biblical rationalization for killing doctors.

"The Scriptures are full of examples of righteous disobedience and revolution," crows Bray, who maintains that "[t]here is no prohibition in the Bible against killing."

Bray applies his eye-for-an-eye justice with blurry vision, widening the target to include whoever disagrees with him. His own '80s hit list included an office of the prochoice American Civil Liberties Union. Security guards, firefighters, spouses and receptionists who've been felled by indiscriminate gunfire from Bray's homicidally impressionable emissaries are "the uncomfortable collateral parts of any pursuit of justice."

Bray also hosts the White Rose Banquet, an annual soiree held to "praise and reward" antiabortion terrorists. Among its 1998 honorees was Eric Robert Rudolph. Rudolph, currently on the lam, is the prime suspect in the 1996 Olympics bombing in Atlanta, among other unprovoked executions.

Placing himself above societal mandates, Bray huffs, "Do not think that the golden goose of governments is democracy. It is God's law." The Lord has yet to reward Bray's loyalty with a flock larger than a few psychotics more in need of Thorazine than his guidance.

Bray's acolytes are themselves compelling arguments for abortion, though the Reverend characterizes the domestic terrorists as "patriots" engaged in self-defense.

Bray fails to explain how self-defense figured into the 1998 death of Dr. Barnett Slepian, who was killed when a sniper fired a bullet through the doctor's kitchen window and into his back.

"I can't find any way to condemn that," shrugs Bray. "I wouldn't call that a cowardly act."

Bray is familiar with cowardly acts. In February 1999, Planned Parenthood was awarded $107 million in a lawsuit against antiabortion fanatics, Bray among them.

At issue were "Wanted"-style posters bearing the photos and names of abortion providers. The posters, distributed at antiabortion rallies and on the Internet, also included addresses and phone numbers of the doctors pictured. On the Web site, after an M.D.—such as Slepian—was murdered, his name was shown crossed off; those wounded were presented in gray.

The jury concluded that a "reasonable person" would perceive this jihad as a threat; an unreasonable Bray embraced the liberties that he's been trying to decimate for the past 15 years.

"It's an obscene assault upon the right to free speech," wails Bray, who is asking an appeals court to reverse the monetary damages, even as he issues further veiled threats:

"If you are blocked of public protests...it leaves only one option: the covert use of force."

Bray's violent "protest" preceded the ruling by more than a decade, but he neglects this fact, just as he ignores the Sixth Commandment. Had the Almighty known of the horror that his self-appointed spokeshit would wreak, God would have issued an eleventh dictum: Thou shalt wipe the Earth clean of false-faced, murder-loving Assholes.

FARTS IN THE WIND

Bobby Knight: After a 29-year tantrum of chokings, chair-hurling and headbutts, the coach of Indiana University's basketball team was placed on "zero tolerance" notice in May 2000. Unable to rein in his hemorrhoidal personality, Patton of the Backboard was canned in September for grabbing a student. Knight, known to wave shit-smeared toilet paper at his players, says he was merely lecturing the freshman on manners. Apparently, his salutation of, "Hey, Knight, what's up?" was inappropriate. Knight has a point; the proper greeting would be, "You still here, Asshole?"

George W. Bush: It's not often that a rectum makes a splash-back appearance on this page so quickly, but when the GOP presidential candidate (and HUSTLER's Holiday 2000 Asshole of the Month) publicly referred to *New York Times* reporter Adam Clymer as a "major league asshole," he proved himself to be the sphincter calling the anus brown.

Richard Kern's *Model Release*

Maiden Bohemia

New York's East Village underground attracts nubile kinksters from all over the map. At the center of this try-everything atmosphere stands erotic photographer Richard Kern, skimming the cream of his crowd to pose for frank, arresting layouts. A frequent contributor to HUSTLER'S BARELY LEGAL, HUSTLER'S LEG WORLD and HUSTLER'S TABOO, Kern's skilled camera work makes a young girl's casual gesture a load-blowing event, and her self-penetration a mind-blowing one.

His new collection, *Richard Kern: Model Release* (Taschen, 2000, $39.99), will bring a tear of joy to the reader's one-eye. Fans of Kern's pictorials in our adult titles will instantly feel at home. And what you do in your house is your own business.

Richard Kern: Model Release is widely distributed. If the title is unavailable in your area, most major online booksellers carry it.

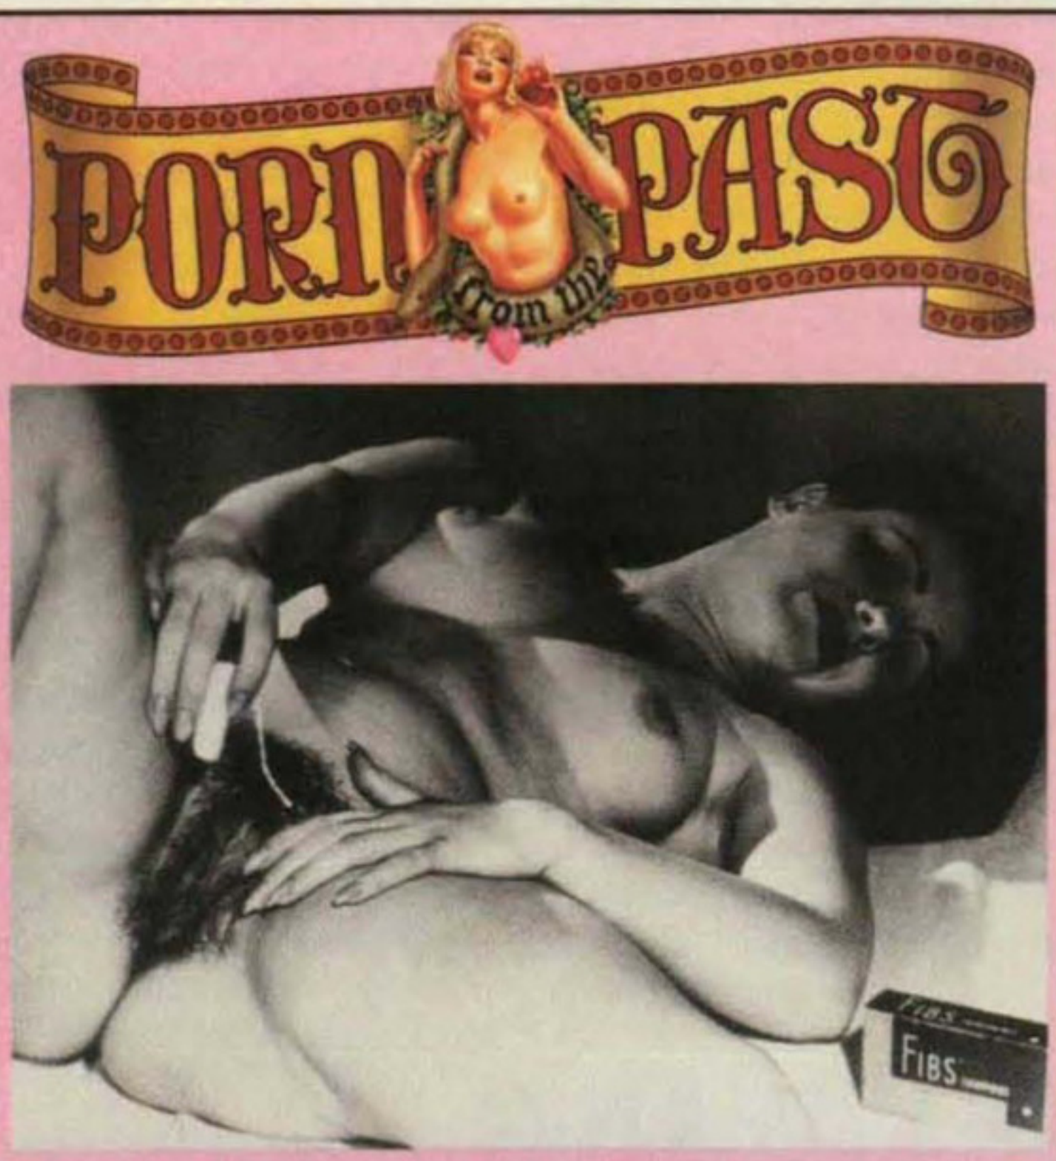

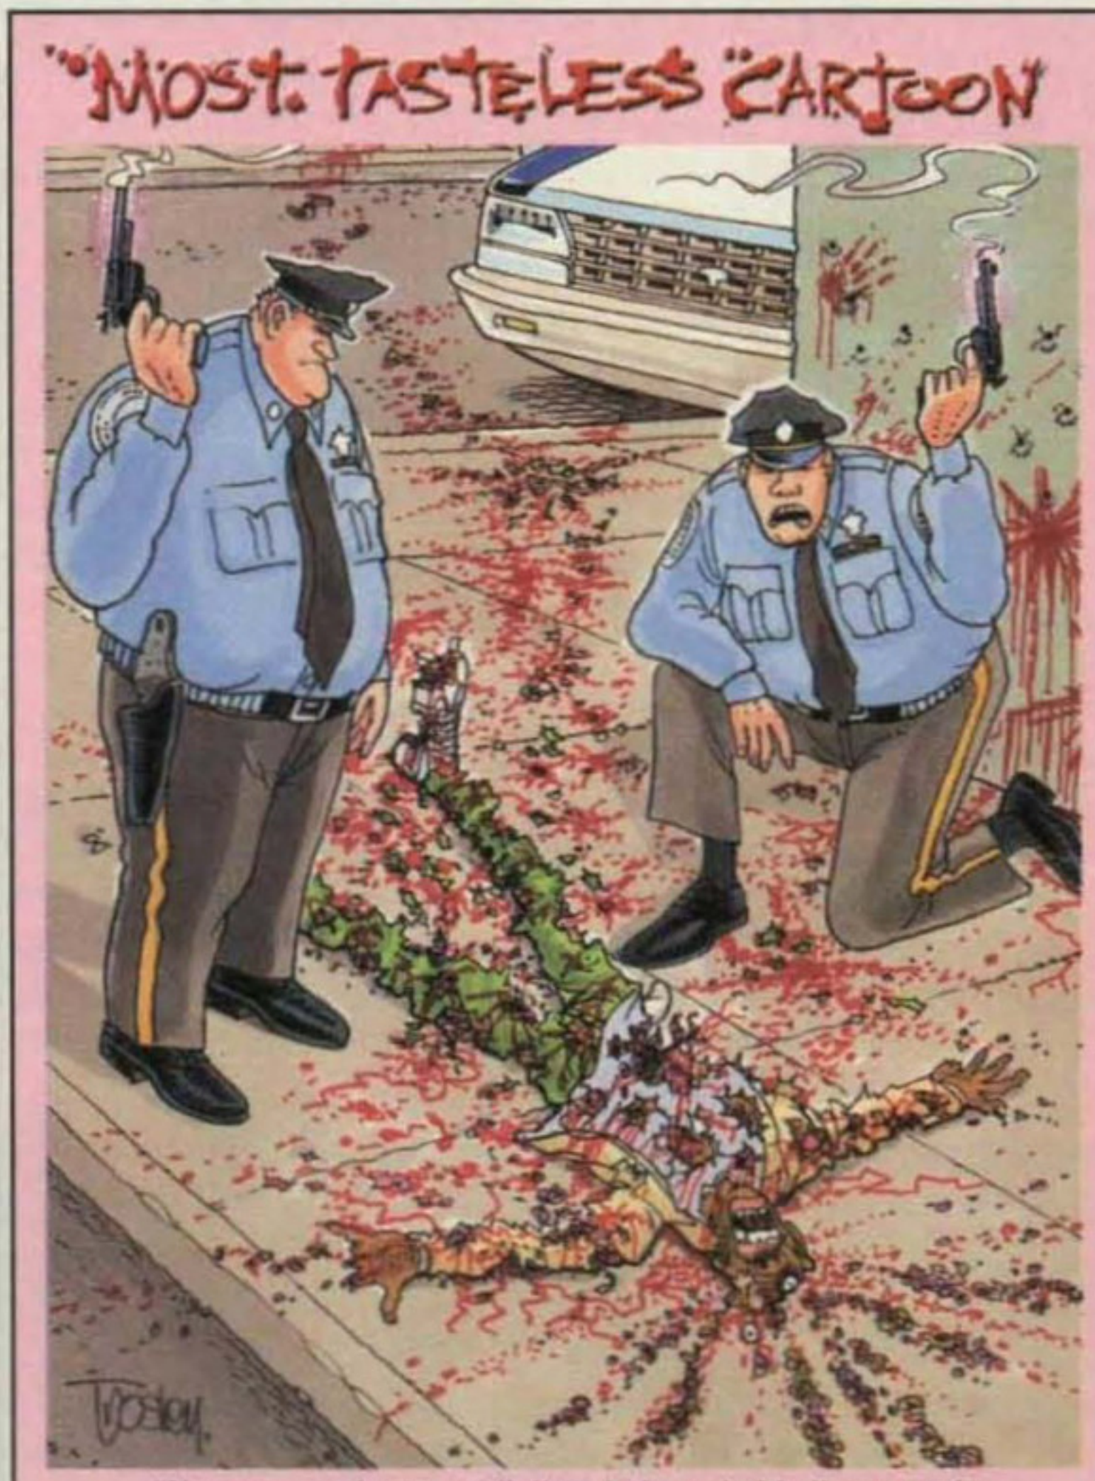

Richard Kern's photographic credo: Real girls, real hot.

The 1971 film *Cotton Comes to Harlot* absorbed audiences with its gory interior scenes. Overshadowed by the success of *Sunday, Bloody Sunday*, the movie has attracted a cult following, but remains in the red.

Linton M., of Sierra Vista, Arizona, soaks us for $150 with this rags-to-bitches photo. Send your toxic shlock of yore to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.

High-profile rug-munchers are in a rut. Ellen DeGeneres and Anne Heche are learning that splitsville isn't nearly as romantic as it sounds. Once headed for gay-friendly Vermont's civil-union altar, America's sapphist sweethearts announced publicly in August that they were licked as a couple. September brought news that Melissa Etheridge and her missus, David Crosby sperm receptacle Julie Cypher, were also on the outs. Within 30 days, the nation's supply of prominent dick-free couples has all but petered out.

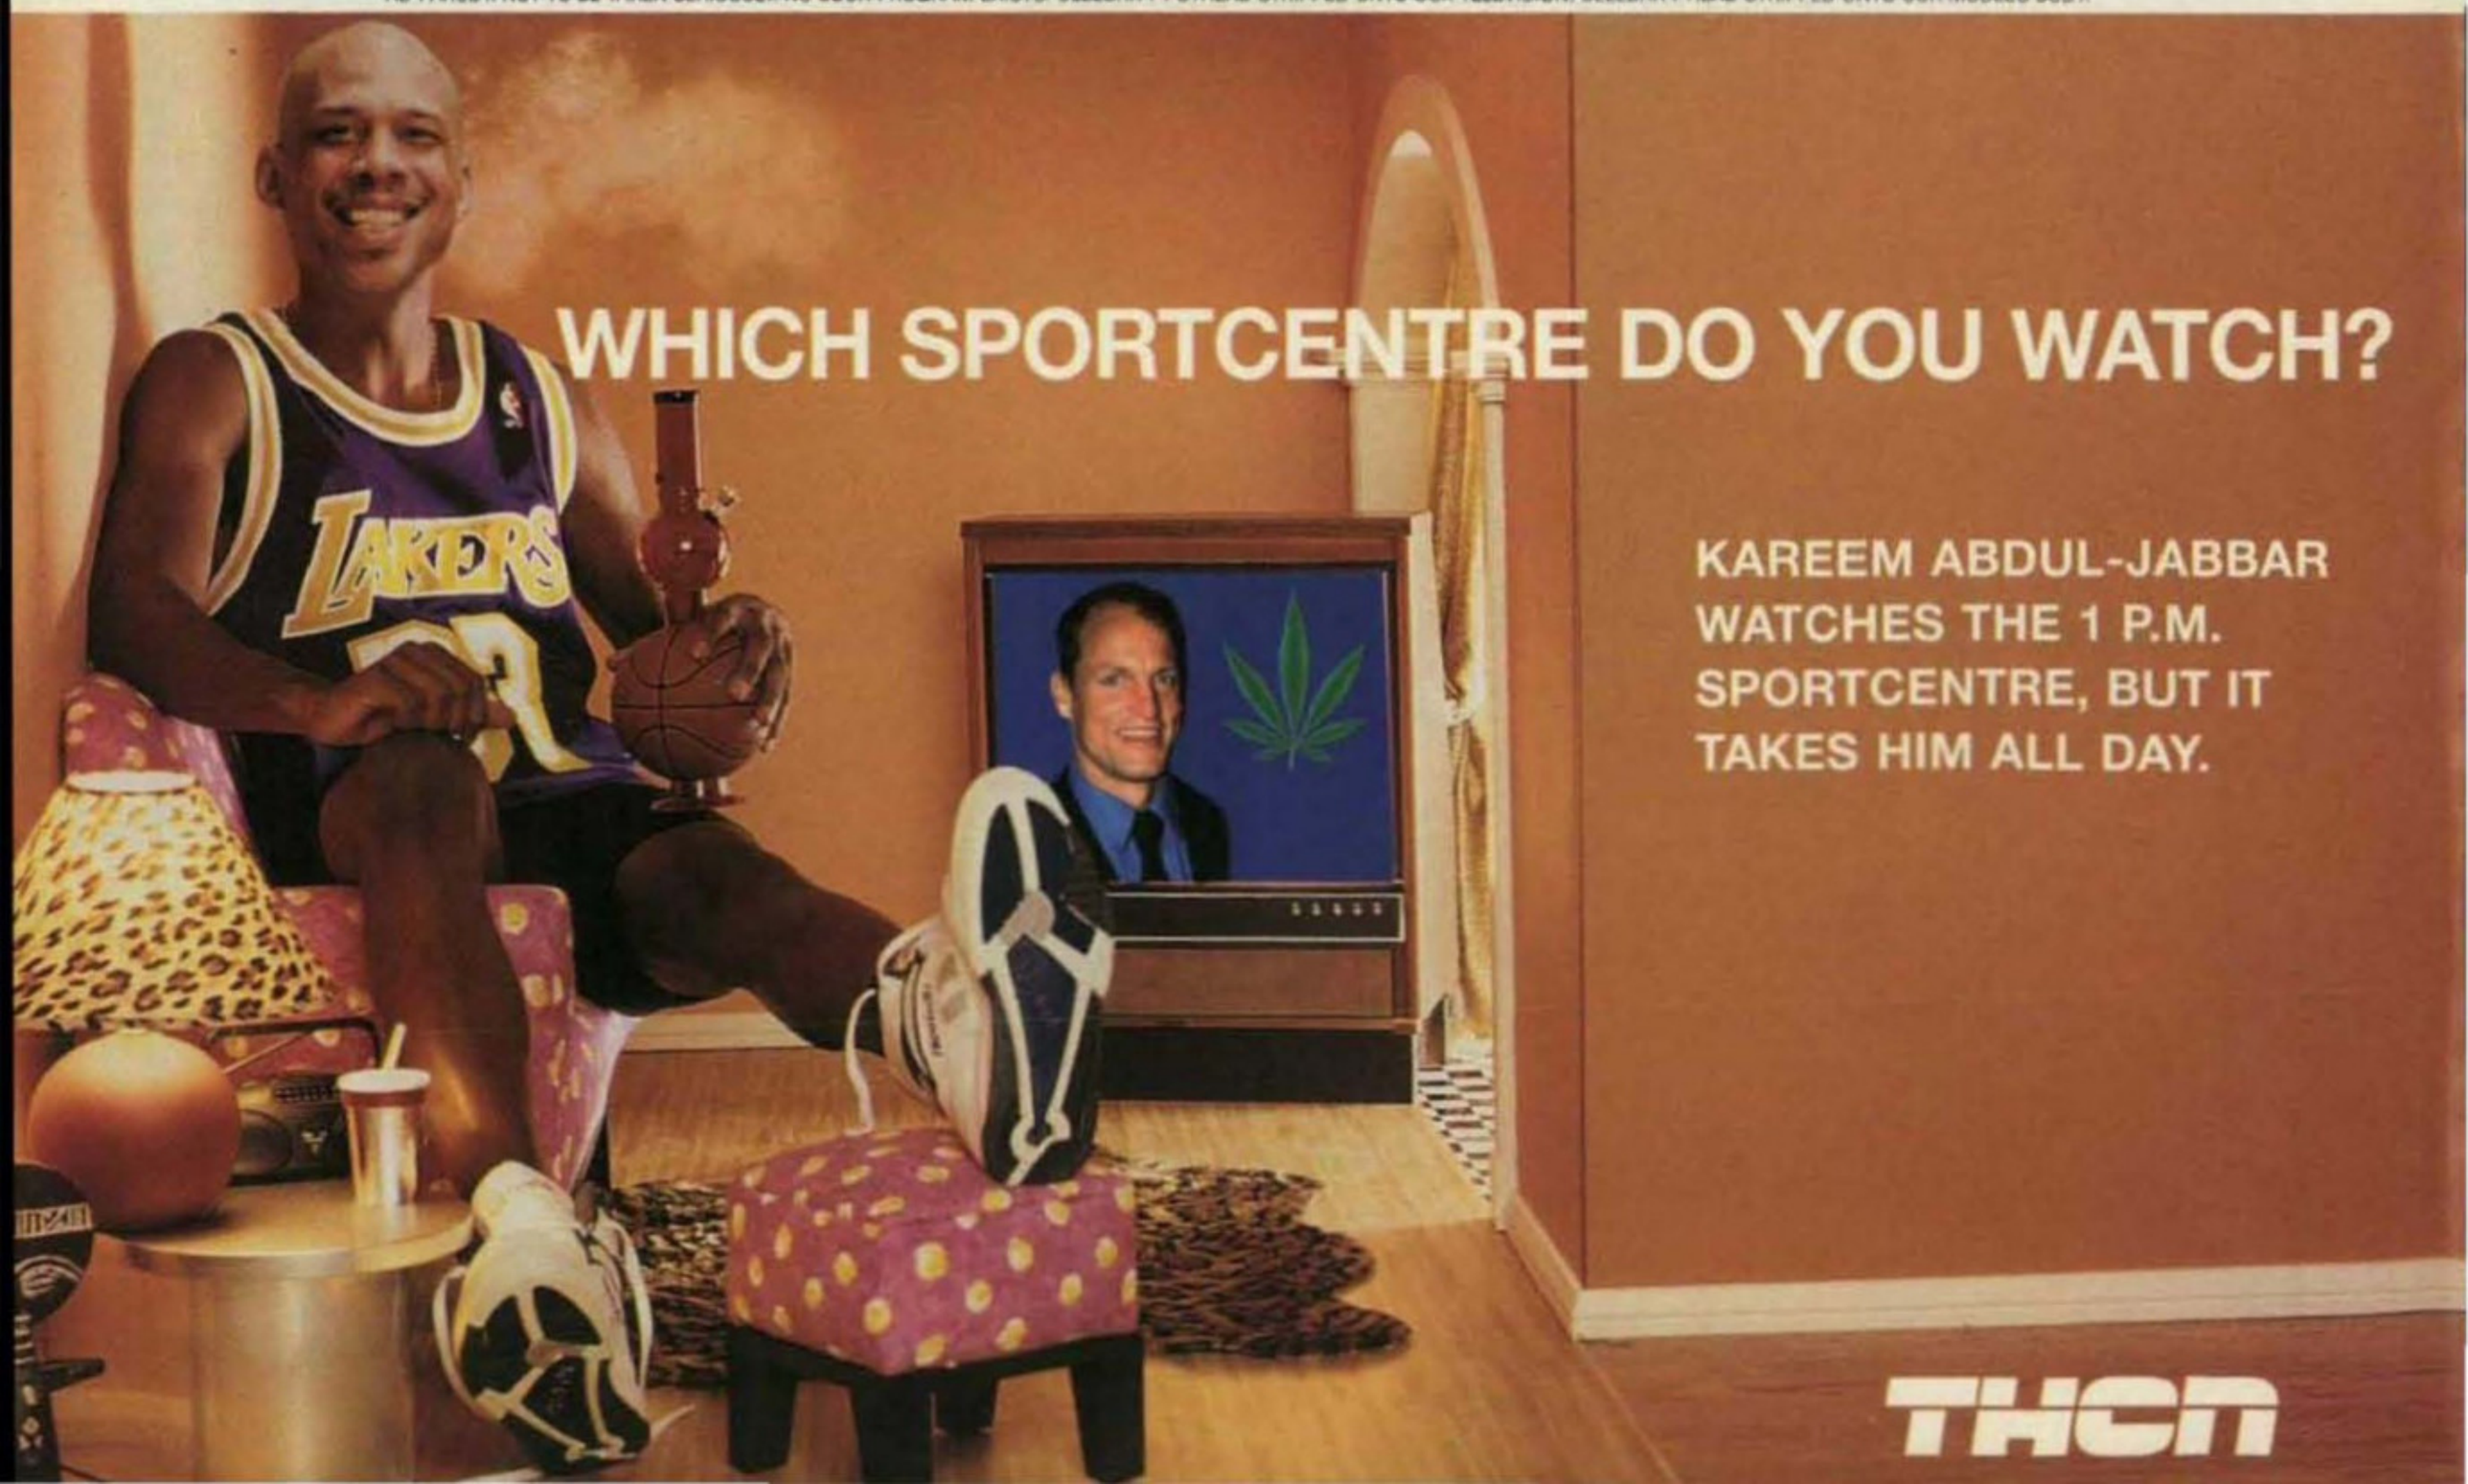

It was never reported which of the DeGeneres-Heches was the first to holler "aunt," but horse-faced Ellen looks too docile to throw her rider. The truth is probably buried—like a bone—deep in Anne's switch-hitting cunt. Oh, if those vaginal walls could talk.

Chasing Tracy

I want to be deep inside Tracy! The beautiful intern-turned-model in the November HUSTLER (Tracy: Deep Inside the Body Politic) makes the issue an instant collector's item. Tracy is beautiful, and her huge, natural breasts look ripe and ready for a satisfying tit-fuck. Please bring back this Savannah lookalike very soon.

Interns For All

I loved the cover and pictorial featuring the beautiful, blond Tracy (Tracy: Deep Inside the Body Politic, November 2000). She is so buxom and gorgeous that I can barely stand it. All my teammates on the motor sports Grand Prix team loved her too. Next time, put Tracy in the centerfold so we can enjoy an oversized foldout of the hottie.

—C. L.
via Internet

The response to Tracy's tell-all, show-all layout has been overwhelming. Not only does she have a hot bod, but she's also a brave soul for standing up with HUSTLER in our campaign to out hypocritical politicians. Keep sending your support, and we'll see what we can do about lobbying the patriotic doll for an encore.

Celebrity Skin

I'm a subscriber and a former Beaver Hunt photographer. I would love to see Colleen and Jenna from the TV show Survivor in the pages of HUSTLER. A girl/girl layout with the two castaways muff-diving on the beach would be awesome. I'd love to be present when those two babes go at it in the sand. While on the subject of famous people, I also think that Christina Aguilera should be on your "Million Dollar Muff" list. Until then, I will continue to view the hot, shaved babes who fill HUSTLER every month.

—C. M.
Houma, Louisiana

Thanks for the recommendation, C. M. Perhaps we ought to throw that stripper chick Jordan from *Big Brother* into the lesbo mix for good measure. If your candidate for "Million Dollar Muff" is game, maybe we'll be able to finally see our dream realized: an all-girl, teen-pop idol gang-bang titled *The Violation of Britney Spears*.

Down on Down's

I love your magazine, but if you continue stooping lower than the scum on a maggot's belly, you can refund my subscription. Those assholes who made The Wack Pack Video ("Fucked in the Head," Erotic Entertainment, December 2000) need to pull their heads out of their asses and wake up. Keep retards out of porn and out of HUSTLER.

CONSUMER ALERT: When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

Settle down, M. H.; retards are people too. Sure, they're slobbery and goofy, have an insatiable hunger for McDonald's french fries and display a desperate need for hugs, but that doesn't make them any less human or sexual. Besides, what did you expect from HUSTLER? If you want monotony, there are a million boring magazines out there. If you want a publication that throws a bizarre monkey wrench into the works every once in a while, keep reading HUSTLER; we won't let you down.

Dearly Demented

I just wanted to pay my respects to Dwaine Tinsley, a truly gifted professional. In the late '70s, I used to steal my dad's copies of HUSTLER all the time. It wasn't just the chicks who drew me to the magazine, but also the creatively sick humor of Mr. Tinsley. I've been out of touch with HUSTLER until recently, and seeing your Classic Cartoons feature brought back memories. I'm sorry to hear about Mr. Tinsley's passing. He will be missed. Rest in peace, old friend.

—S. F.

There is no doubt that our late co-worker will be missed. Through his years of work as a brilliantly perverted cartoonist, he's left a mark on HUSTLER that's not likely to be erased. As long as our cartoons continue

to entertain, disturb and appall in the tradition of HUSTLER's "first employee," Dwaine Tinsley's spirit will live on.

Conservative Criticism

If your gutless, pro-left, liberal magazine had any balls, you would run an article on the most sickening lesbian freak in Washington, Janet Reno, a stooge handpicked by another powerful lesbian, Hillary Rodham Clinton. Your magazine has its pucker firmly attached to the President's ass and, like typical liberal fags, you display more interest in showing two lesbians sucking cunt than real, hard-core fucking. Let a true right-wing American show you how to do it right. —C. T.
Honolulu, Hawaii

In our book, red-bloodedness and the appreciation of lesbo rug-munching go hand in hand. Party politics and ideological leanings have jack-shit to do with a good screw. You ought to know by now that HUSTLER doesn't kiss anyone's ass. Take half a second to look at our publication from the past year. We've probably given Clinton more shit than he receives from his ball-and-chain (who's taken a few shots from us herself). So ease up on the ill-informed political rhetoric, C. T. Just relax and let HUSTLER's Honeys give you a boner.

Living in Skin

This letter is in response to your <u>Sex Play</u> article about circumcision ("Turtleneck Envy: Pud-Pullers Stretch for Extra Inches," March 2000). I've lived for 22 years with an uncut schlong and thought I should share the downside of having a sheath. The biggest problem I have is with condoms; they strap the skin around the head, making it hard to come. Cleanliness is another issue. I rarely find food under the foreskin (as mentioned in the article), since I don't eat in the nude, but I do find the occasional pube or lint ball in there. Despite the negatives, I still thank God that I was never cut, because that tape-and-weight shit sounds like it really fucking sucks. —S. S.
Bakersfield, California

We're pretty sure that none of our readers are finding potato chips or baked beans under their foreskin, S. S. The cheese that was referred to in the story is a substance known as *smegma*, a stinky material that collects in uncut cocks and soiled cunts that aren't frequently washed.

Hands-on Hard-core

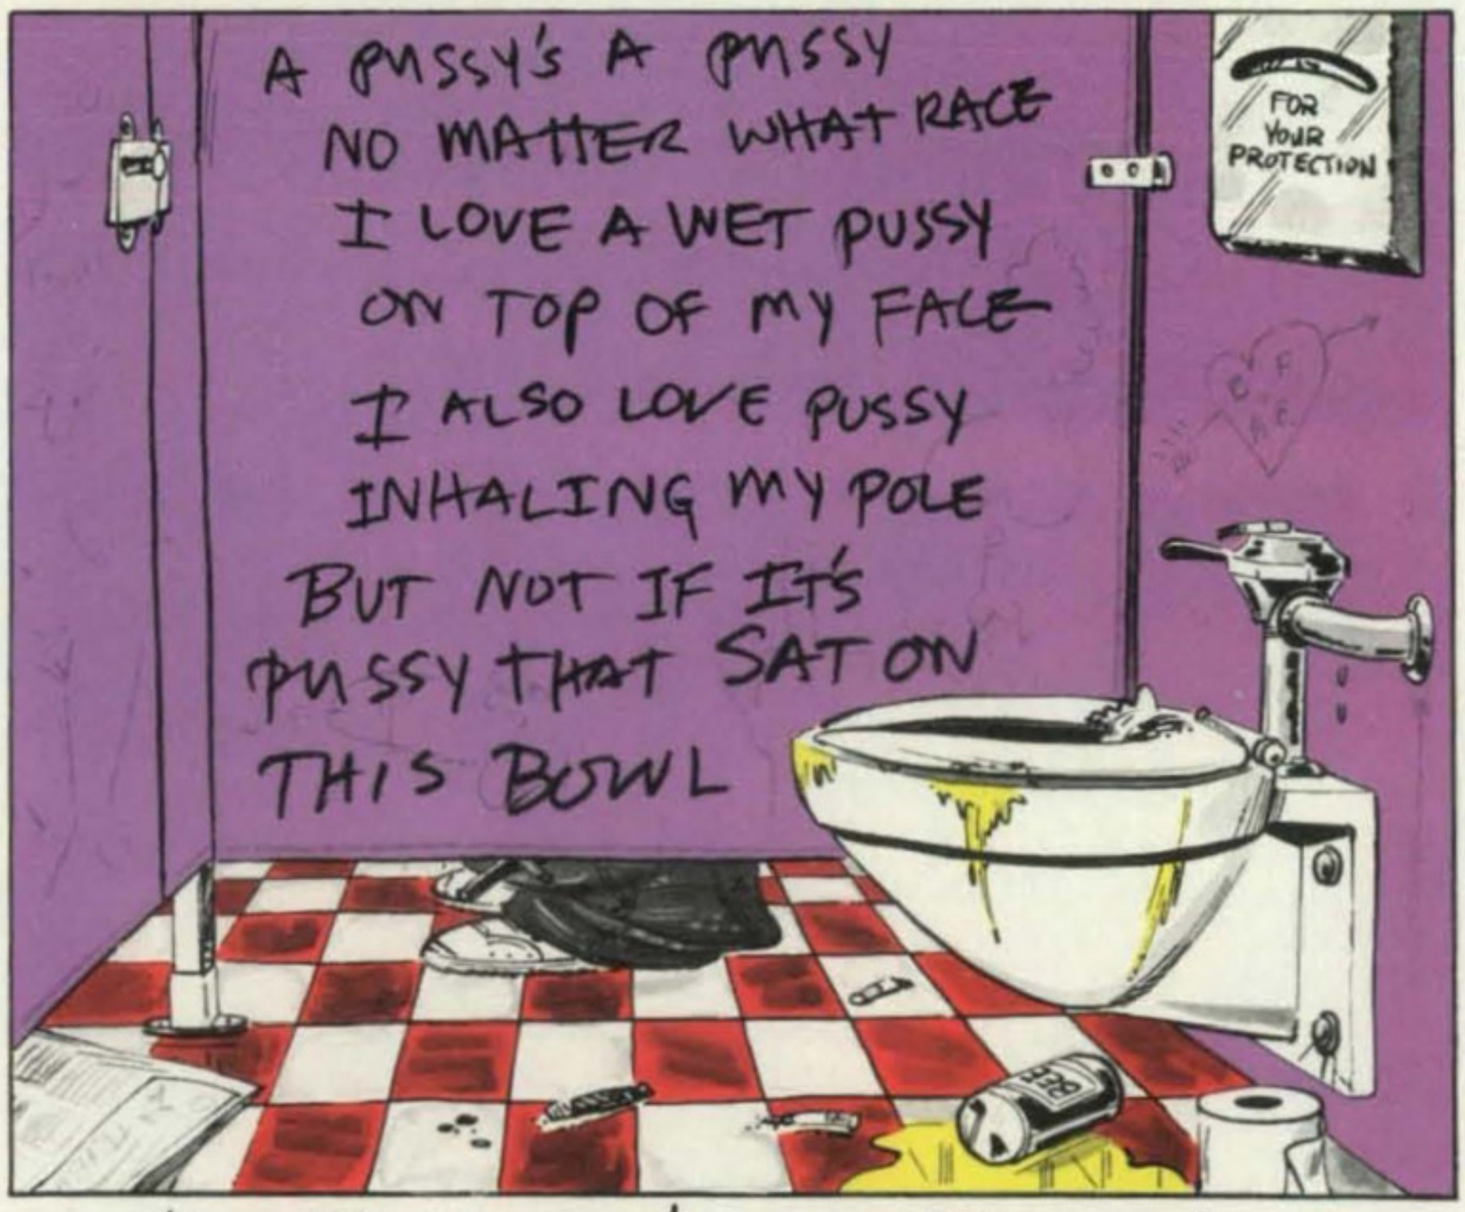

I'm an old lady just trying to get by on Social Security. I came up with an idea that may help you. The other day, I was in my favorite watering hole when three macho construction workers came in carrying a HUSTLER. Pretty soon they were drooling all over the pictures. I heard one say, "Boy, would I love to feel her titties." That sparked my imagination. What if you made the pictures touchable so that they felt like flesh? Right now the pictures have a boring, paper texture. I'm not sure how you'd accomplish the creation of tactile spank mags, but you're the porn experts, not me. I look forward to your answer. —M. R.
San Francisco, California

For an "old lady," you sure have some spaced-out, futuristic ideas. Sadly, technology is still miles behind the perverted minds of our readers. As soon as a feasible method of creating molestable layouts and fuckable centerfolds is developed, HUSTLER will be first in line to deliver it to the reader. Until then, guys will have to settle for the touch of Rosie and her five sisters.

your Feedback letters a waste of prime pussy space. Every month, the letters say the same thing: "This layout was the greatest yet," or "keep up the good work." Then they describe how many times they whacked off to said issue. Personally, the last image I want in my head when I'm looking at HUSTLER is that of a reader jerking off. Tell your glee club to keep their arousal to themselves. —C. A.
Mobile, Alabama

When you invoke flag-waving terminology, the word *democracy* always comes to mind. *Feedback* is a forum in which HUSTLER's fans are allowed to express their opinions, even when such expression, as in your case, entails writing a letter to a column that you believe shouldn't exist (way to make a point, C. A.). The more you tell us, the more we can shape America's Magazine to your liking. Don't take C. A.'s rant to heart, folks. Write whatever you damn well please. HUSTLER and censorship will never be synonymous.

Hi-Fi Fantasy

The other night at work, one of my Jesus freak co-workers tuned in a religious station on the radio. The Bible beaters were hawking boring audiocassettes of the "good" book. The verse-reader had the most godawful, droning voice in creation. Still, I imagine these vendors sell these tapes by the boatload. It is my humble opinion that Hot Letters should be released in audio editions—read, of course, by a sinfully seductive slut. When I rush out of bed and commute to work without the time to jerk off in the shower, I'd much rather hear your raunchy stories than the grating voice of Howard Stern. —J. M.

Happy Screw Year

New Year's Eve is the best. For one magical night, even the most straight-laced babe feels socially obligated to get blindingly drunk and act like a total whore. Pretty daddy's girls with blond hair and tight asses swill cheap champagne and toss back shots of peach schnapps until they're flashing their big, firm tits at any chump who wanders by. The kind of bitch who wouldn't bother taking a dump on your forehead when she's sober is suddenly more than happy to show you her young, bald pussy, and even let you stick your dick in the pink prize. If she's extra loose, the soused trollop will invite a whole heap of guys to plow her flawless, sorority-girl gulch. The boys and I banged just that type of sloshed college chick last New Year's. Her name was Angie. Four buddies and myself penis-pummeled that slut with the strength and vigor of 50 men. The little sweetheart must have had quite a story to tell back at the Kappa Gamma house—assuming she was able to hobble back there after we were done with her.

We were partying hard at Sparky McGilligan's, a rad sports bar that was throwing a balls-out New Year's bash. The place was thick with hotties, and the heavy floral scent of perfume overwhelmed the odor of man-pits. The chicks wore tube tops and tight pants. They giggled and danced close together like a bunch of lipstick lesbians. I was fighting to conceal a blatant boner all evening. Thank God Angie was there to relieve the strain. I first saw the honey busting a clumsy, white-girl move to Juvenile's "Back That Azz Up." The twat lacked rhythm, but her bright, gold tresses and tight, yet jiggly, curves dazzled my dong. I wanted that slice, and I was going to have it.

I did the necessary prep work to nail Angie's sweet ass while my crew hung around the peanut bowl, swilling Rolling Rock. I started buying Angie drinks at about ten. She reluctantly accepted my generosity at first, but the ho was all up on my jock by the third round. She tossed back her big hair and giggled, straddling my thigh while sliding up and down in her slippery pants.

"You're a really great dancer," I lied.

Angie laughed and rolled her tipsy eyes. What she was actually great at was grinding her plump camel toe against my leg. My crotch puppet butted impatiently against its zippered confines.

"I would just *looooove* a banana daiquiri," Angie slurred, her hot-pink fingernails raking my chest.

"If I buy you a banana daiquiri," I bargained, "you have to follow me to the men's room and hold my wiener while I piss."

Angie threw her head back and cackled. Her hand fell into my crotch and cupped my hard-on.

"Drain the main vein!" Angie snorted. "I'm totally into holding your dinker, big boy. Fuck, man—I'll even lick the motherfucker! Y'know, my blowjobs rock way harder than any of the Kappa Gamma girls."

This drunk-ass coed was nasty. I ordered a Sparky Special (32-ounce daiquiri) for Angie. She massaged my crotch, fairly drooling in anticipation of the frosty beverage.

"Let's go," I barked once the drink was in Angie's wobbly hand. "You don't mind if a few of my buddies come along to enjoy the show?"

"Hell no," Angie shouted, clutching the daiquiri with both hands. "The more the merrier!"

I signaled for my posse to join the party. The six of us wove our way to the bathroom.

"Damn, it smells like tinkle in here," Angie observed.

Several drunken dudes stood at the urinals, grinning at Angie. I winked at the pissers and whipped out my wanker. Angie squealed and leaped to grab it. It took a few minutes for my piss to stream through my boner, but once I let loose the juice, Angie became so excited, she lost her grip. I soaked her manicured hand with hot bladder broth. The sauced sister giggled and sniffed her wet fingers.

Gili

Hard-Wood Whore

Photography by
Matti Klatt

Gili is a stern slut. She is very clear about what is and isn't acceptable.
"I don't care if it's the size of a giant Philly cheese steak,
a drooping dingus has no business in my box.
"When I'm sucking choad and tickling a pair of hairy balls,
I want that pecker to go hard in my mouth.

"My pussy is tight; so no matter how wet I get,
a sagging bone will never be able to mash its way in.
When I have a stiff one in me, I love to tighten my twat around the shaft
and force the guy to practically lose it from pleasure.
You just can't tease a chubby that feels like a sponge."

Hot Letters

Angie gripped the potty, bucking for more action. My buddies formed a line while the handful of onlookers stood mute and frozen.

(continued from page 18) "*Whoooooo!*" my posse hollered.

"I bet you feel like fucking," I told Angie.

The sweetheart of the piss stall gulped her drink and nodded. Her buoyant bonkers struggled to burst out of her red tube top. I hooked my finger in Angie's cleavage and tugged at the elastic fabric. Two giant ta-tas exploded forth. I wondered if Daddy's money had purchased that unbelievable set of hooters.

"I need to tee-tee first," Angie panted, peeling her hootchie pants to her ankles and thrusting her hairless cooter toward the urinal. "I can wee just like a guy; check it out."

The piss-drunk cutie straddled the urinal and parted her damp, pink pussy lips. A glittering stream of pee arched gracefully through the air and clinked against the porcelain. Applause echoed in the room. Angie shook her booty, releasing the last drops of whiz from her dainty urethra. The crowd went wild.

"Great job; I'm impressed," I remarked, planting my palms on her buns. "Now brace yourself."

I unleashed my raging cock and lodged it firmly into Angie's sloppy slice. She gripped the urinal walls and whinnied, her flawless ass shivering under the force of my meat. I pumped rapidly.

"Right on, bro!" hollered an enthusiastic observer.

I threw the crowd a thumbs-up and spanked Angie's heinie. Blushing handprints throbbed in her butt flesh. The slut's cooter was tight and slippery. Her bazongas wobbled like exquisitely molded Jell-O. The glorious sight wrecked my endurance; a roar like a train jettisoned through my brain as my ramrod vomited scrotum snot into the darkest regions of Angie's womb. I leaned against the wall, seeking the strength to remain on my feet. Angie gripped the potty, bucking for more action.

"Who's big ol' wang's next?" inquired the fevered vixen, her acrylic nails tapping impatiently against her swollen clit. "I wanna come like the porno ladies."

My buddies formed a line while the handful of evidently gutless onlookers stood mute and frozen. Angie fired up the troops with baiting catcalls. She slapped her ass, goading the next fucker to take her on. My bud Tad was first in line. Tad hammered Angie's juicy sliver with the urgency of a condemned man. The eager humper blew his wad in a mere three minutes.

Tad had barely removed his root from Angie's little darling when Earl stepped up. Earl's schlong is gigantic; Angie squeaked like a dolphin when the monster prick stuffed her cooch. Earl lifted the giddy, cock-stuffed sot's feet from the floor and balanced her forehead against the urinal's upper rim. Her body flailed in midair as he crushed her insides with his penile assault.

"Thass making me *commmme*," Angie groaned, her nails leaving pink marks on the porcelain. "*Auggleaugg!*"

Ardent cheers exploded from the peanut gallery. My tired tool stirred at the music of Angie's orgasmic wails. Earl dislodged his dong and lowered Angie to the ground. The girl rested on the filthy tile, cross-eyed and dazed, as Earl shot his load onto her baby face.

"Right on!" cried Harvey and Chip, ready to rock. "Let's wank on her!"

They waxed their wangs over Angie, who was now polishing off her banana daiquiri. Chip reached for Angie's tittie and squeezed.

"Honk, honk!" Chip guffawed, a vein throbbing in his forehead as he rubbed his willy.

"Dude, I'm already gonna blow!" Harvey laughed. His pelvis jerked forward, and a goopy string of jism hurtled through the air and into Angie's hair.

"Yeah, man!" Chip whooped, his cock coughing up a mucosal blob that hit Angie's left breast with a *smack*.

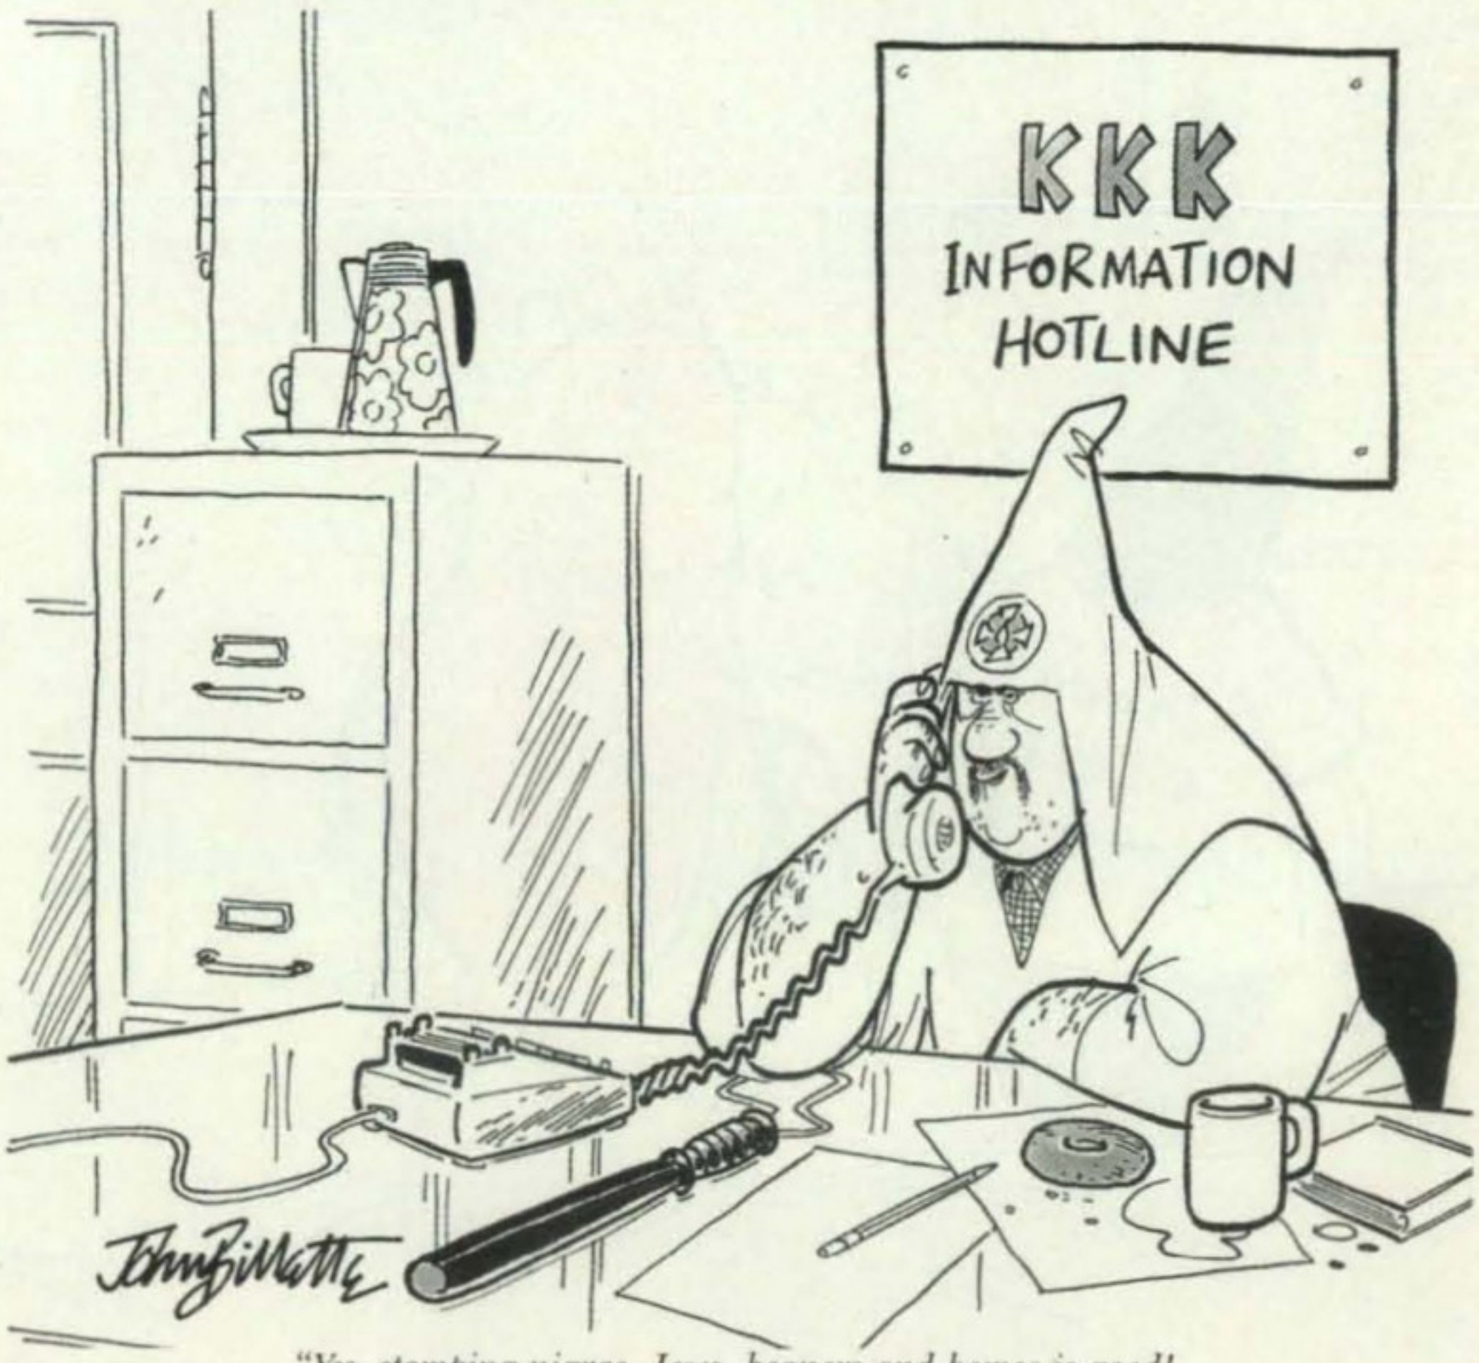

"Right on, brothers!" I cried.

The five of us pounded our chests and knocked our heads together in celebration. Angie remained on the floor, on the verge of nodding off with spunk matting her hair and drying like egg on her flesh. What an awesome fucking night. The crew and I were spent after we were done; so we cruised to Earl's pad and watched hockey on cable until we passed out. I wonder if any of those other dudes in the bathroom stuck their dicks in Angie after we left. Probably not; those faggots didn't have the balls. —J. S.

Fist Bitch

I am the only one for me. I know my pussy, and I understand my kitten's needs. You wish you could watch my mitt sink wrist-deep into my own beautiful womb. You can't. The ritual is for my eyes only, but if you listen carefully, you might hear me. I don't like to be seen or touched by others, but I do like to talk. That's why I telemarket from home. Next time you answer the phone and someone's selling

"Yes, stomping nigras, Jews, beaners and homos is good! I'll have to check the manual about Eskimos."

Hot Letters

I yelped as my fist slid into my inner depths. I massaged my birth canal and threw my face into the carpet.

voice-mail pagers (first three months free!), she might be hiding her fist in her cooch. She might even be coming.

The dolts on the phone think I'm just enthusiastic about the product I'm peddling when I shout and moan into the receiver. Little do they know, I'm howling with joy because my pretty little fingers are tickling my innards. The highlight of yesterday's orgasmic marathon arrived when I pawned two of the most expensive pager models off on this redneck in Arkansas. His name was Beaudry, and I must confess that his slow drawl and thickheadedness kind of turned me on. Do not misunderstand me; I puke at the mere thought of Beaudry's backward ass so much as sitting next to me, but I came twice on the phone with him.

The sell was easy. I was fingering my snatch and gazing in awe at its glistening, ruby-hued folds when Beaudry answered the telephone. I heard the unmistakable sounds of *Judge Judy* in the background. Beaudry breathed through his nose and sounded fat.

"Good morning, sir," I purred, nudging two fingers into my cunt and shivering as my nipples tightened. "I'd like to talk to you today about VoiceSpeak pagers, the fastest-growing telecommunications device on the market."

Sad sacks like Beaudry are incapable of hanging up on me; my voice is too seductive. Beaudry grunted that he didn't have a lot of money right now, but he was interested in hearing more about VoiceSpeak. I had him. Pleased, I slid a third finger into my poon and wiggled the digits. Lady lube gushed from my silky canal and soaked my hand.

"I'm more than happy to acquaint you with the VoiceSpeak system, Beaudry," I purred, my voice quavering as a fourth finger breached my sticky flue. "You strike me as the type who's always on the go, away from the phone, where important business contacts may be trying to reach you."

"I suppose that might happen," Beaudry gurgled, with his mouth full of—no doubt—pork rinds and Pepsi.

"Good," I sighed.

Breathing deeply, I inserted my thumb. With all five digits wedged in my tunnel, I paused to lick my own tit before continuing my speech. On Beaudry's end, I heard his labored breath and Judge Judy barking at a plaintiff to "*shut your mouth!*"

"VoiceSpeak fits into any tight schedule," I moaned, drawing my knuckles into my dank cave. "This multifunctional pager really opens up options for today's active professional."

"I would appreciate that," Beaudry wheezed.

The hog's voice took on a pinched quality; I wondered if he was jacking off. I dropped to my knees, knuckles firmly stuck in my slot. Cradling the phone receiver against my shoulder, I used my free hand to tickle my taut butthole.

"Would a device like VoiceSpeak work for you?" I goaded, planting the length of my middle finger firmly up my ass and bucking.

"Yes, ma'am, I think it might," Beaudry croaked.

I had not yet closed the deal, but I was already coming. I yelped as my fist slid into my inner depths. I massaged my birth canal and threw my face into the carpet, chewing the prickly fibers to stifle my ecstatic wails.

"*Ahh-oooooogh!*" My cry was guttural, inhuman.

"Pardon me, ma'am?" Beaudry hung on the line.

"I apologize," I gasped. With my hand still planted in my womb, I did my best to compose myself.

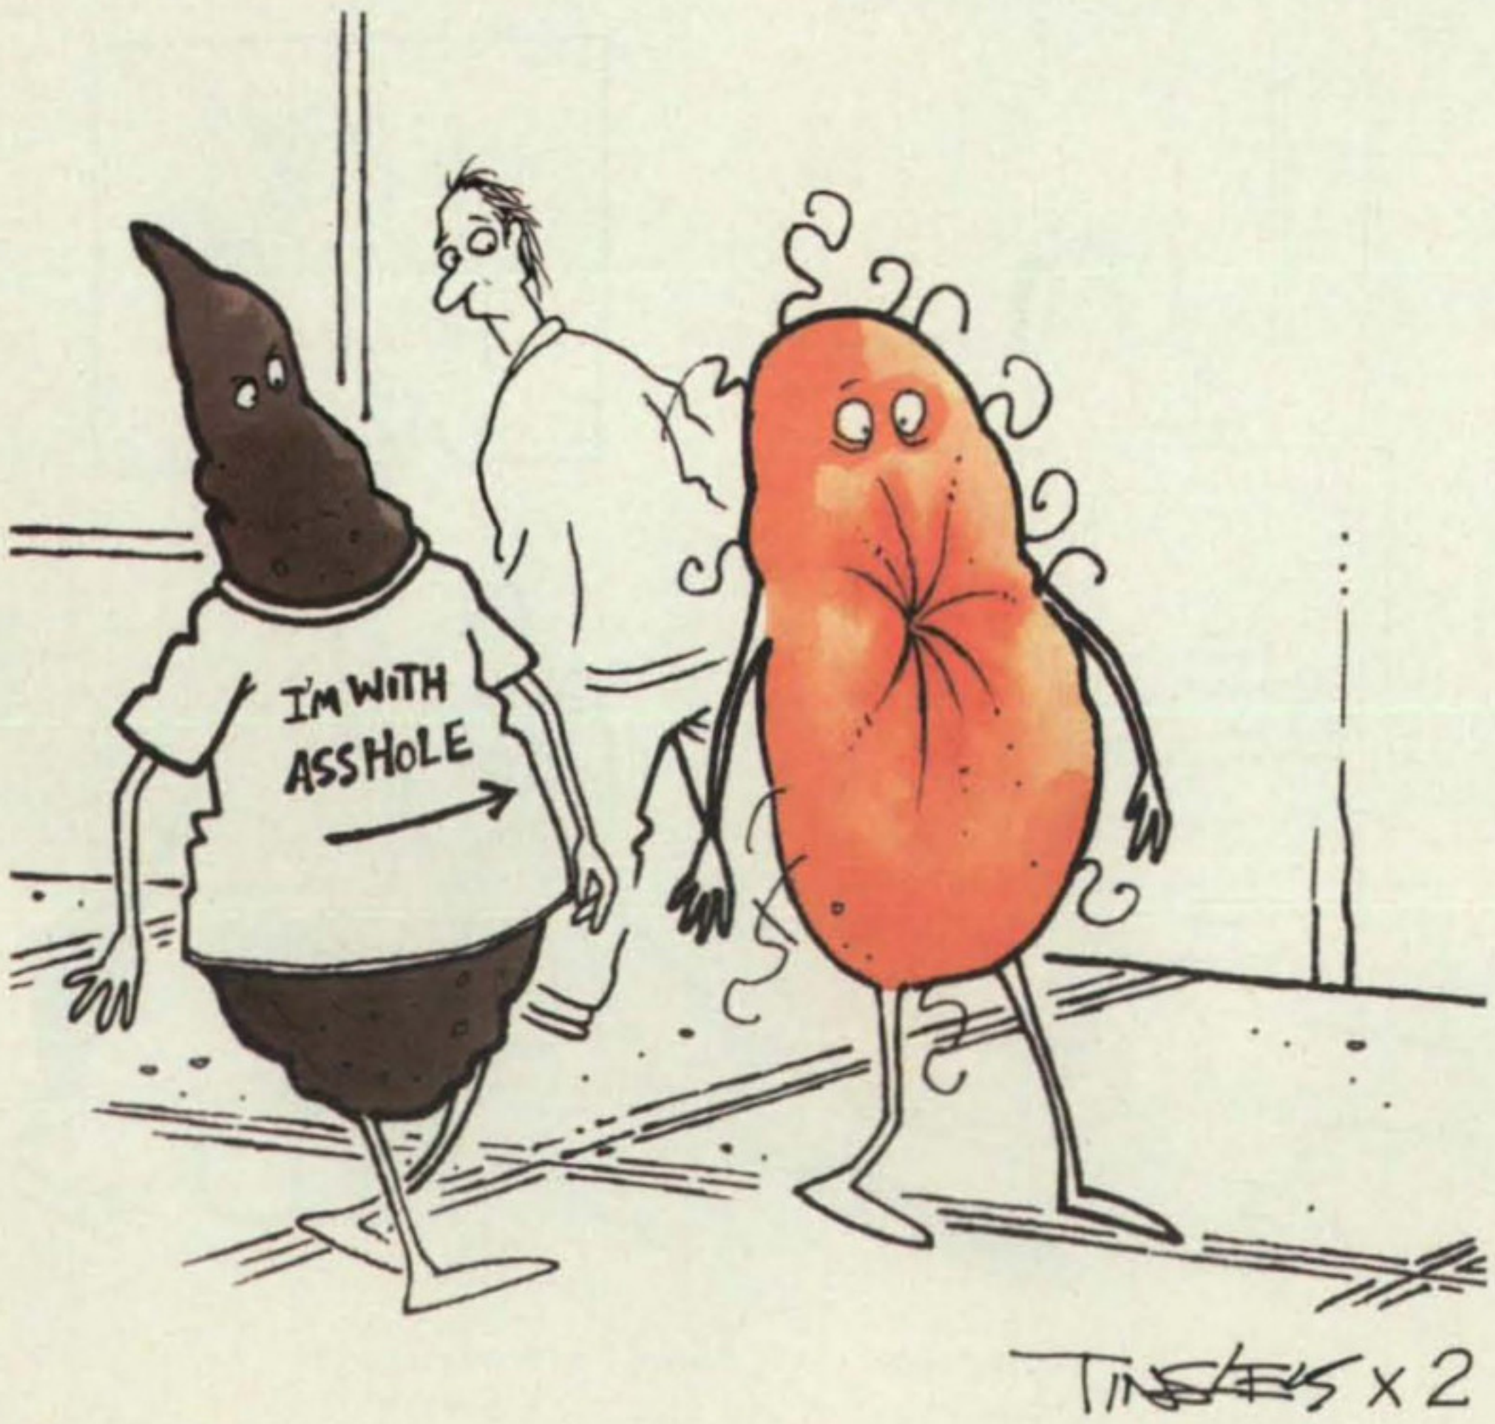

Beaudry barked in forgiveness, his voice suddenly strained, like he was ejaculating. My fist pounded within me.

"Beaudry, let's cut to the chase," I sniffled, my middle knuckle knocking against my cervix. "I really think you should buy a VoiceSpeak pager. In fact, I think you should buy two, and I think you require the fastest, most up-to-date models our company has to offer."

"You're probably right, ma'am," Beaudry exhaled, defeated.

I came again, my fist beating my reproductive system like a punching bag, while transcribing Beaudry's credit card information. The sucker bought the VoiceSpeak Deluxe system. After that sale, the phone was so crusty with my girl gunk, I had to clean the receiver before dialing my next victim. It pays to hate people, and to love yourself. —S. L.

Dear Slut

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

Jeanna Fine Tells the Fucking Truth

Whore Wounds

I just hooked up with a new chick. She's really hot and incredibly energetic in bed. The problem is, after we're done screwing, I'm covered in welts and bite marks. I'm thinking about becoming serious with her, but I'm a little worried about her mental state. Will this fucking lunatic's craziness in the sack translate to psycho bitchiness in everyday life? —V. C.
Copperas Cove, Texas

It's quite possible that your firecracker in bed could be a hellcat out of the sheets as well, but the part of a woman that lends itself to sexual excitement doesn't always cause everyday craziness. In my younger days, I was known for loud, orgasmic, flesh-clawing sex. In real life, though, I'm a calm, sedate and demure woman who is stable from moment to moment. Try chatting and communicating with your new flame; if you still feel safe around sharp kitchen implements, it could be that you two are a match made in heaven.

Puff Piece

My boyfriend and I noticed that nobody ever has a cigarette after they fuck in porn flicks. Why is that? Is the politically correct bullshit that infects mainstream media overflowing into porn? —N. F.
via Internet

Because of the recent cultural taboo against smoking, we smokers are a dying breed (no pun intended). Certain porn companies prefer to portray their actresses as glamour goddesses and think it's not ladylike to show a postcoital cigarette dangling from their mouths. I say, "Smoke 'em if ya got 'em." Check out fetish flicks such as those available at http://smokesigs.com, or dig up a copy of the book *Feu d'Amour* from Taschen publishing for some great tobacco-related erotica.

No More Tears?

My girlfriend masturbated me in the shower this morning with a new brand of soap. The lathery handjob felt great, and I came a lot. Afterward, though, my cock was stinging inside, sore on the outside, and my testicles hurt terribly. Is it possible that the soap has penetrated my genitals and is causing this pain? —W. S.
via Internet

I hope that by the time this letter comes to print, the stinging has long since stopped or you've seen a urologist if the pain persisted. My husband has experienced the same thing. On more than one occasion, using soap as whack lube has led to rashes and stinging. It's not unusual for the suds to work their way into your urethra and create unpleasantness. Soap contains irritants and can cause stinging in any sensitive part of your body. Stick to milder, more natural soaps and shampoos. Stay away from brands with deodorant and medicinal additives. Baby shampoos are the best way to work up a cock lather without all the pain.

Grade-A Twat

I've jacked off to Where the Boys Aren't #6 more than any other video. All the awesome girl-on-girl action in that flick got me thinking: Whose is the best-tasting box you've ever sank your tongue into? Also, who, in your book, is the best female pussylicker in the biz? —J. D.
via Internet

Since I love the taste of pussy, each and every dip in the twat trough has been a heady and sweet experience. I hate to leave anyone out or hurt anyone's feelings, but one of my most memorable and highly charged scenes was with Janine and Julia Ann. Even when they called "cut," we continued on and on. The most jaded and experienced crew members were standing at attention at the end of the scene. One of the things I miss the most since retiring from moviemaking is the chance to have sex with all the beautiful ladies of the business.

Perverto

I'm a 34-year-old male and have a strange fetish. I love watching women have their hair washed in salons, or even on TV. Are there any books or magazines that cater to my kink? —A. F.
Tyron, North Carolina

No matter what your kick is, I can promise that there's material out there designed just for you. Everything from bare feet to women blowing their noses is subject to worship now. While this is the first time I've heard of your particular fetish, I'm sure there's someone else out there reading this letter who's relieved that he's not the only one. Check out the Internet for like-minded fetishists. And think about attending beauty school; the first gig for most beginner hairdressers is working the shampoo tubs.

Meat Dreams

Last night I had the most fucked-up nightmare ever. It was full of cocks cramming themselves into chicks' mouths, crowding into their pussies and stretching their *(continued on page 47)*

A HUSTLER Tip Sheet of Girls to Watch in the Coming Year.

It seems like there are more girls working in XXX than ever before. With so many hotties and only one dick, the choices can be maddening. That's why HUSTLER is giving spankers an edge this year. We've selected six girls who give us instant wood. Let these images burn into your filth-addled brain, and grab any video with a box cover that features one of these up-and-comers.

Temptress

A two-year veteran of fuck films, this leggy brunette is finally coming into her own. Since signing with Wicked Pictures, the sultry princess has begun to receive the treatment she deserves; Temptress's gorgeous face is gracing more box covers than ever, and she's starring in flicks such as *Inside Porn*, as opposed to her brief, but riveting, interludes in Fully Erect videos such as *Color Blind #2*. Though she's gifted with a lithe body, ample milk sacks and a tasty-looking quim, it's Temptress's smoldering eyes that draw the viewer in like a siren song, making resistance futile.

Brianna Banks

Formerly Mirage, this slender hottie is the cutest pussy to come down the pike in some time, and a hard worker to boot. The bonafide cock addict has been incredibly busy, appearing in more flicks than we can shake our pricks at, including an amazing semen-slurping scene in Diabolic's tour de force *Down the Hatch #2*. Recently, Brianna forked over the dough for a new pair of tits (and simultaneously dumped the silly, one-word name). Despite our reservations about silicone, we find the dirty blonde hotter than ever and can't wait to see Brianna show off her new toys. Watch for her in the upcoming *The Violation of Brianna Banks* from Jim Powers.

Lola

With the current craze revolving around all things Latin, it's about time for a top-notch screw star to step up and represent Hispanic sexuality with gusto. This multi-orgasmic chick has Cuban blood coursing through her veins, and it shows. Attitude, passion and an unabashed whorishness put this ultrathin señorita at the top of our must-fuck list. Check out the sexy chica's *cojones*-milking performance with Sophie Evans in *Playing Cupid,* and find out why we'd like to eat Lola's sweet *panocha* like a plate of fried plantains.

Cheyenne Silver

It's a true pleasure to see one of the prettiest faces in the business contort in orgasmic ecstasy while the twat it's attached to is stretched beyond recognition by an enormous meat stick. That's the appeal of our favorite *BARELY LEGAL* alumnus's video career. From the lanky brunette's car-top screw in *BARELY LEGAL #2* to her rain-soaked threeway in *Shane's World #19: Tropical Paradise*, there are plenty of reasons to keep an eye on this new Vivid girl's joint-jiggling career.

Ava Vincent

When the classic beauty of a Varga girl and the fuck-all attitude of the Irish meet, the result is no less than earthshaking. Working under the moniker Jewel Valmont, this ivory-skinned starlet has appeared in a buttload of our Editorial staff's favorite flicks. Our slutty sweetheart has a new name, but that's the only thing that's changed. This porcelain doll gobbles man-meat like a champ and doesn't shy away from facials, but it's the ingenue's pussy-centric work in all-girl videos (such as *The Violation of Jewel Valmont*) that has earned the lass a permanent place in our perverted dreams.

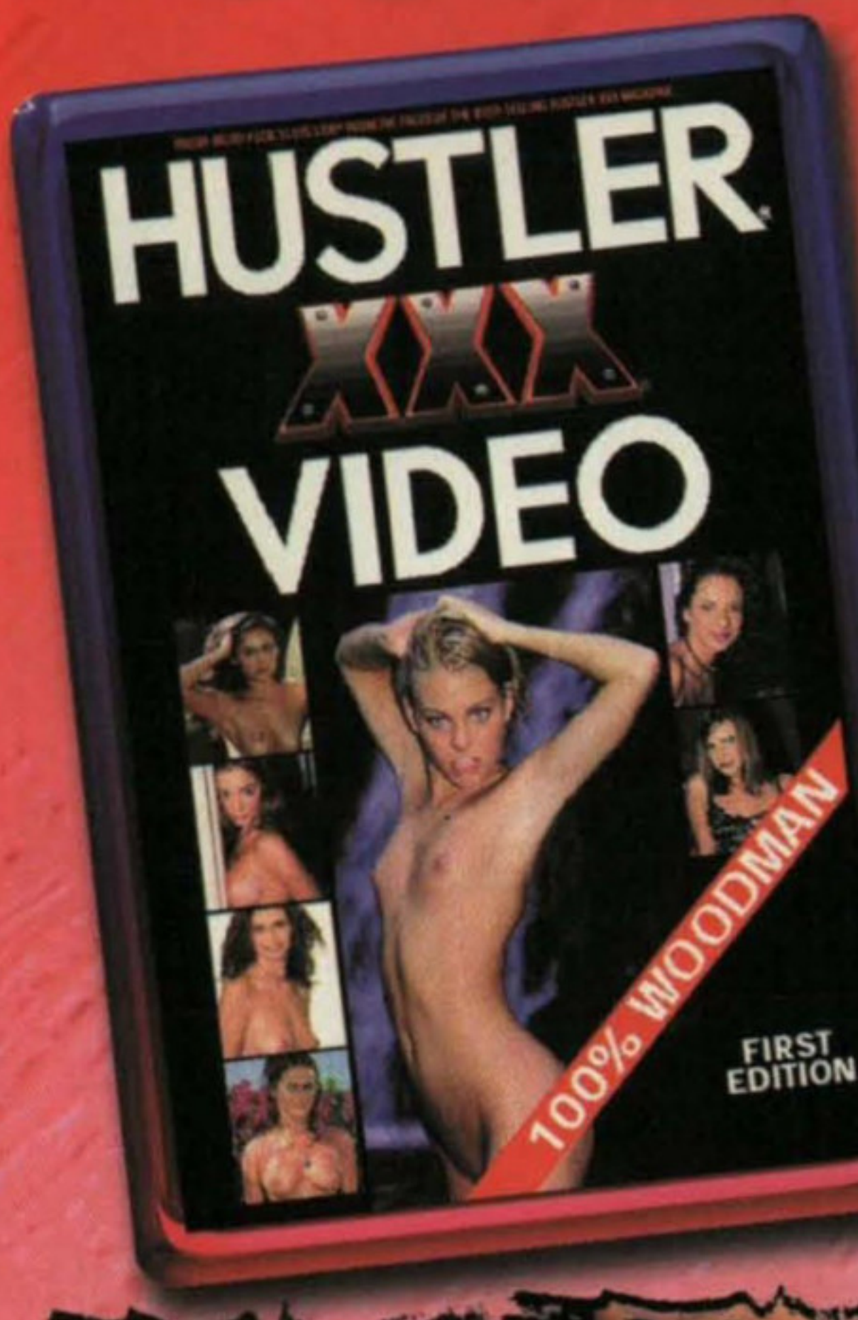

Sophie Evans

Of all the recent European smut imports, this nasty blonde is our hands-down fave. Want proof of her worthiness? Check out her jizz-stained layout in the September 2000 HUSTLER (*Alex and Paulette: Sex In the Sticks*). The hardbody's XXX work is always nasty, usually anal and invariably boner-inducing. The international gash can be seen in many of director Jerome Tanner's flicks, including the recent *Moonlight Canyon*.

Syren's stake takes the scenic route to the heart.

Joel Lawrence, fearless vampire fucker.

Jewel vants to suck your pud.

Les Vampyres

Directed by James Avalon.
Starring Jewel Valmont, Syren, Wendi Knight, Violet Love, Samantha, Brick Majors, Joel Lawrence, Nick Orleans, Brandon Iron and Jack Hammer.
Videocassette: Metro Inc.

In *Les Vampyres,* a band of lesbo bloodsuckers terrorizes the California coast, leaving a trail of cockless corpses in their wake. Jewel Valmont and Joel Lawrence play a honeymooning couple who run into the nocturnal sluts in a bed and breakfast. Jewel is instantly drawn to head vamp Syren, and quickly begins flashing back to her prior life, when Valmont and Syren were inseparable pussy pals. Feeling neglected, Joel shacks up with one of the lesser fiends. Lawrence impales the harlot with his stake, but can't vanquish the bitch. She mounts his prick and rides during one of the better shower screws in recent XXX memory. Sufficiently moody and surprisingly well acted, this feature is full of surprises. Who knew that the already gorgeous Jewel Valmont could look even hotter with plasma *and* cum dripping from her fangs? *Les Vampyres* is bloody good. ***—Nicholas Veridian***

Porno Vision's artful anal.

But Is It Porn?

Artsy-Fartsy Erotica Examined

Pornography has a single, well-defined purpose: to act as stroke fodder. Flourishes such as storylines and style are wholly independent of the viewer's ultimate goal of orgasm. Cinema, on the other hand, has a slew of aspirations, traditions and philosophies that are best left to cappuccino-sipping intellectuals, film-school geeks and effeminate stuffed shirts such as the *Inside the Actor's Studio* host, James Lipton.

Some porn directors make lofty attempts to inject the tenets of cinema into their smut. The alternate is true as well: Many Bolex-wielding vanguards are beginning to infuse their craft with balls-to-the-wall sex. In both cases, the question must be asked: When cinema and hard-core collide, is the viewer's crotch still served?

In the case of fetish director Maria Beatty of Bleu Productions, the attempt to add art to kink flicks succeeds, and smashes a few taboos along the way. Apart from her bar-raising cinematography and inclusion of respected noise-jazz maestro John Zorn on her soundtracks, Beatty's been known to include verboten acts such as fisting, pissing, penetration and scat play in her bondage videos.

Veteran XXX lenser Kris Kramski, an occasional contributor to the *BARELY LEGAL* video series, produced *Porno Vision*, a series of stylish vignettes that artfully, if not always blazingly, portray gonzo fucking. "I wanted to do something very subversive," Kramski says of his latest video effort. "Pornography is explicit in an obvious way. My intention is to hide and conceal the essence of porn under the veil of aesthetics so that when people see a girl getting a big dick up her ass, they accept it."

In an effort to expand the possibilities of blue-movie narratives, Japanese videographer and respected interactive artist Shu Lea Cheang created *I.K.U.*, a cyber-porn epic rife with sexy, futuristic Asian chicks engaging in real, though digitally obscured, sex.

Spaced-out Asians screw in the stylish ***I.K.U.***

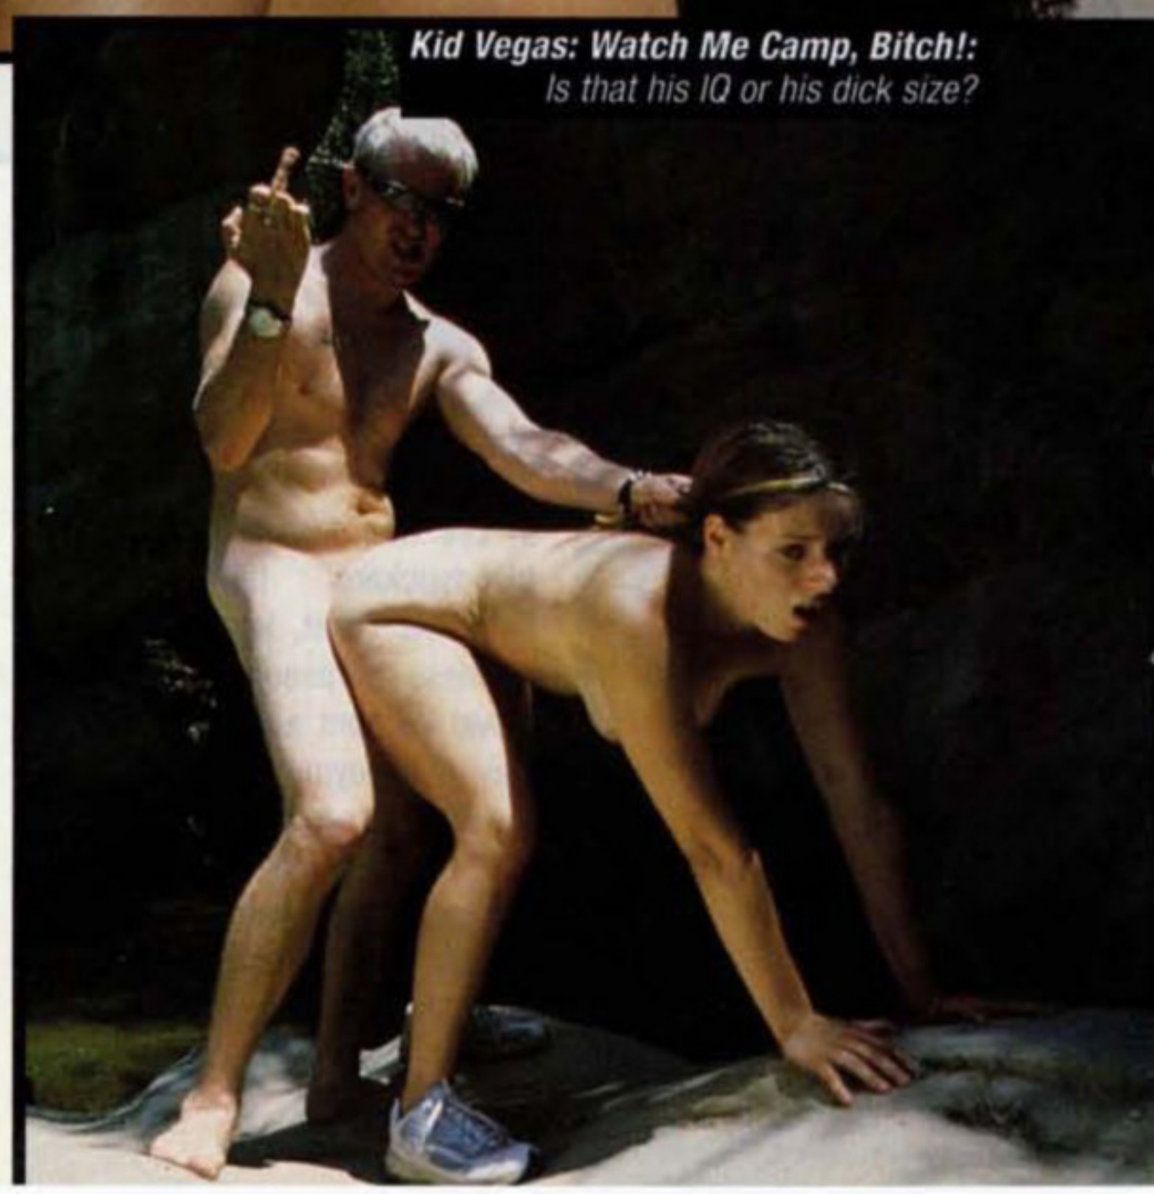

Maria Beatty's ***Ladies of the Night*** *mixes film-school quality with peep-show spankability.*

Sadly, some factions of the snooty art world are slow to accept the addition of raw fucking to their beloved form. The French film *Baise-Moi* (*Fuck Me*), codirected by novelist Virginie Despentes and XXX helmer Coralie Trinh Tri, generated instant controversy by casting European screw starlets Raffaela Anderson and Karen Bach in the lead roles and taking advantage of their willingness to fuck on film.

Daniel Maldonado, program director for Pink Bubblebath, a touring erotic-film festival set to launch in Hollywood this November, also wants to veer away from blatant, camera-in-the-crotch action. "We're trying to make pornography more witty and creative."

Welcome to Chloeville: *Shelby Myne stands, Ginger Paige delivers.*

Kid Vegas: Watch Me Camp, Bitch!: *Is that his IQ or his dick size?*

Professor Mike's Straight A Students: *Heather Lynn and her kiss-ass friend.*

The Violation of Amber Lynn: *Gwen jerks Amber around.*

Kid Vegas: Watch Me Camp, Bitch!

Directed by Kid Vegas.
Starring Kid Vegas, Johnny "Motherfuckin' " Toxic and a handful of unfortunate souls.
Videocassette: X-Traordinary Pictures.

In *Kid Vegas: Watch Me Camp, Bitch!*, the title star and his life companion, Johnny Toxic, hit the outdoors for arts, crafts and a bare minimum of actual sex. What transpires instead are the boring antics of two dunces trying to wreak havoc in a state park. A female camper attempts (and fails) to fellate the Kid's supple, saltwater-taffy choad. Retarded onscreen messages such as "I direct, you watch, bitch" only serve to further frustrate viewers numbed by the amazing lack of enthusiasm evident in these Gen-X whores. What's worse, Johnny and Kid bathe together; naked, giggling and clearly overwhelmed by the massive quantities of drugs they claim to have consumed, the pair towel off and burn a Kid Rock poster for unauthorized use of the "Kid" moniker. *Kid Vegas: Watch Me Camp, Bitch!* sucks worse than a tick on the balls.

Welcome to Chloeville

Directed by Chloe.
Starring Chloe, Dayton Rains, Lola, Shelby Myne, Ginger Paige, T. J. Hart, Ian Daniels, Anthony Crane, Mark Davis and Kyle Stone.
Videocassette: Elegant Angel Video.

Nobody comes like Chloe. In *Welcome to Chloeville*, the multi-orgasmic star and director imparts her costars with the ability to experience insane pussy-quakes as well. Chloe does so by extracting her own magical cooze juice with a turkey baster, then administering droplets of the honey to a handful of lucky twats. A goofy premise to be sure, but Chloe makes it work. When the gracious hostess doles out a dollop of her flue cream to Lola, all hell breaks loose. Lola nurses Anthony Crane's cock while Chloe munches her guest's mound. Lola gags herself on the prick, her eyes watering. Crane rams Lola's ginch while simultaneously finger-fucking Chloe's love hatch. Lola and Chloe entangled, both moaning in erotic bliss, is truly a sight to behold. With or without her cunt drippings, Chloe's fuck-loving spirit is wholly infectious. In every scene of *Welcome to Chloeville,* her ravenous influence shows. ***—N. V.***

Professor Mike's Straight A Students

Directed by Professor Mike.
Starring Anastasia Blue, Mikio Lee, Heather Lynn, Aggie, Tara, Rick Masters, Randy Spears and Jon Dough.
Videocassette: All Good Video.

Professor Mike's Straight A Students is an intensive course in "assology" that will be of more interest to shit pipe purists than to dilettantes in the rectal arts. Gathering a handful of well-worn fudge tunnels for the proceedings, Professor Mike begins each vignette with the "first ass interview known to mankind." Predictably, the ass queens bend over and blurt poor imitations of Ace Ventura as the professor holds a microphone to their turd rings. What saves this flick is the eager work of ass-ream veterans such as Anastasia Blue and Tara. Anastasia takes a fistful of fingers up her shitter, as well as the requisite flesh bus, and Tara starts her scene with a dildo rammed squarely up her ass, demonstrating her slatternly enthusiasm for violation. There's no question that these well-studied anal devotees are *Professor Mike's Straight A Students.* ***—C. T.***

The Violation of Amber Lynn

Directed by Jim Powers.
Starring Amber Lynn, Candy Apples, Caroline Pierce, Gwen Summers, Tina Cherry, Daisy Chain and Mirage.
Videocassette: J.M. Productions.

Nowadays, *The Violation of Amber Lynn* is about as hard to accomplish as the sullying of Bill Clinton's good name. After all, every one of the veteran slut's orifices has been thoroughly explored; she's been nailed in every position known to man and bathed in all manner of bodily fluid. Still, director Jim Powers and a squad of pissed-off starlets attempt the impossible and come quite close. They cram three dildos into Amber's cooze and plug her shitter with a vibrator. Huge latex cocks are crammed down the gagging legend's throat. The harpies also verbally abuse Amber with a screeching assault that's nearly intolerable. Early on, a fabulous scene between Gwen Summers and Mirage derails the power of *The Violation of Amber Lynn.* Mirage, looking tight, firm and still a bit innocent (despite her new tit job) would have made a better victim than the venerable Lynn.

Different Strokes #6:
Can semen soothe the savage beast?

Mr. Beaver Checks In:
"Geez, this place is a real shithole."

Different Strokes #6

Directed by Rodney Moore.
Starring Brooklyn Rhodes, Daejha Milan, Eva Moore, Kristan Kane, Lena Ramone, Mia Damore, Monique, Nicole London, Red, Rubee Tuesday, Sierra, Zarina, Guy DiSilva, Mandingo, Nick East, Steve Austin, Steve Taylor, Trevor, Wolf Savage and Rodney Moore.
Videocassette: Odyssey Group Video.

Director Rodney Moore's birthday bash, the subject of the deceptively titled *Different Strokes #6*, is vexingly devoid of troubled child actors. Instead, a coven of hags who resemble carnival escapees curse the screen. Only Nubian goddesses Sierra and Monique stand out as delectable twat in the sea of stomach-churning sluts. The video attempts a reverse *bukkake*, but inevitably fails to deliver when the gaggle of grimbos diddle themselves and rub their meaty but too-dry slits on Rodney's gruesome mug. The suck-off competitions fare better. Pint-sized beauty Monique snags the blue ribbon when she gobbles Mandingo's enormous jungle meat, slurping her way through the only memorable sight in *Different Strokes #6*.

Mr. Beaver Checks In

Directed by Frank Thring.
Starring Chanel, Vanessa, Silvia, Wanda, Sabrina, Daniella Rush, Lea DiMae, Carina Wales, Tom Cat, Kyle Phillips, Attila Odor and Frank Thring.
Videocassette: HUSTLER Video.

Frank Thring is Dick Beaver, a pasty businessman who stumbles into scenes of greasy Euro-carnality during the course of *Mr. Beaver Checks In*. As with much of the filth that's lensed overseas, the video is full of great location footage (including Budapest, Hungary and Venezuela) and a bevy of trashy international sluts, such as Daniella Rush, who are always eager for D.P.s and other degradations. But the mix is soured by the devotion of far too much time to Mr. Beaver extolling the beauty of the different locales. If strokers wanted a lesson in geography, they'd look at a map. They watch porn tapes for other, obvious reasons. The greasy, oddly crooked love muscle of Thring creeps into the frame too often to allow the sluts of *Mr. Beaver Checks In* to earn the tight-crotched recognition they deserve. **—C. T.**

New Wave Hookers #6

Directed by Antonio Passolini.
Starring Ginger Lynn, Kylie Ireland, Barett Moore, Kiki Daire, Ryan Conner, Monique DeMoan, Voodoo, Pat Myne, Cheyne Collins, Steve Hatcher, Kyle Stone, Michael J. Cox, Mickey G., Tice Bune and Sean Michaels.
Videocassette: VCA Pictures.

New Wave Hookers #6 is set in a dark, twisted world run by elves such as pint-sized dwarf Bridget Powerz (in a sex-free cameo), but legendary cooze Ginger Lynn's cock-handling prowess steals the show with authoritative zeal. Jealous of Kylie Ireland's access to Voodoo's uncircumcised schwang, Ginger offs herself and winds up between heaven and hell. Lynn's only hope for another chance is to survive a series of ginch-gouging trials. Sean Michaels's giant black unit provides the toughest test, and you can see the discomfort in Ginger's face when she takes the telephone-pole-sized meat from behind. She squeals and spurts so much when Michaels extracts his cock that an off-camera voice asks, "Are you okay?" Okay? In *New Wave Hookers #6*, Ginger fucking rocks. **—C. T.**

Inside Porn

Directed by Jonathan Morgan.
Starring Temptress, Silvia Saint, Adriana Sage, Kaylynn, Kiki Daire, Alexandra Quinn, Randy Spears, Brad Armstrong, Dave Hardman, Rick Masters, Anthony Crane and Jay Ashley.
Videocassette: Wicked Pictures.

Inside Porn, director Jonathan Morgan's comic look into the world of blue movies, yields solid chubbies and a surprising amount of laughs. Tall, mouthwatering starlet Temptress and Randy Spears co-anchor a smut-oriented news show that takes viewers behind the scenes of sleaze. With a genuinely funny segment called "Before They Were Porn Stars," Alexandra Quinn showcases her ability to cram more cock into her super-elastic snizz than seems humanly possible, and even scores some yucks along the way. Dopey sound effects punctuate another funny segment, but the real star of the show is Temptress. Whether she's tasting Adriana Sage's slit in a steamy lesbo romp or riding Randy Spears's pole, her all-natural fun bags, beautiful face and playful spirit make Temptress *Inside Porn*'s top story. **—C. Hardworking Honey

Lovette Pops Into Town for Some Dick and a Check

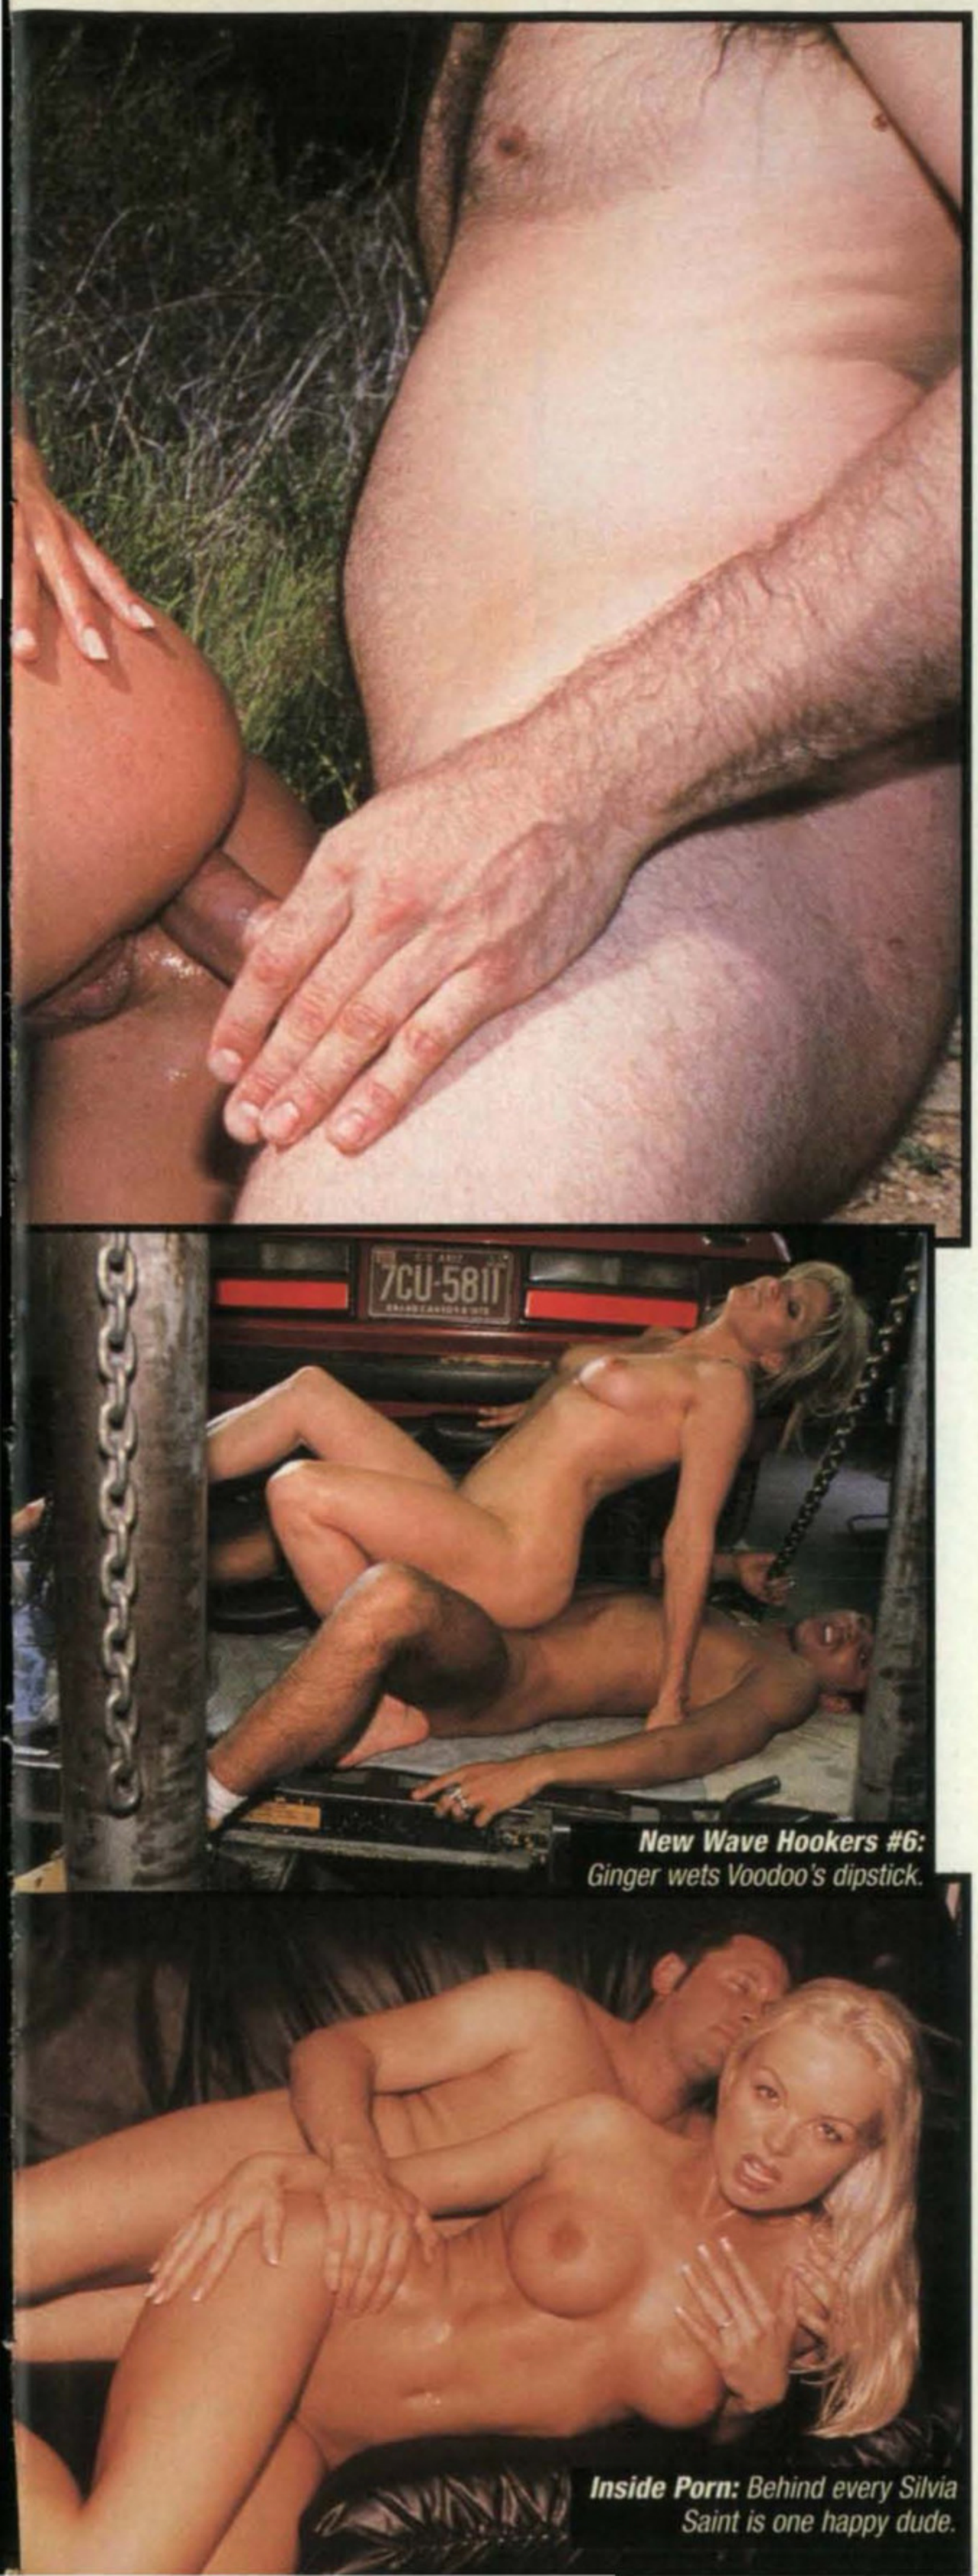

It's been two years since Lovette abandoned the strip malls and warehouse studios of the San Fernando Valley for the peace and quiet of her native Indiana. "I'm a small-town girl," Lovette says. "The Midwest seems normal to me." For the past couple of years, the former XXX princess has been making a name for herself on the national dance circuit. According to Lovette, life as a feature stripper has one major drawback: "I never get laid," the blonde pouts.

With her recent temporary return to work in blue movies, this shortcoming has been rectified. Directing team Mike Adams and Quasarman put busty Lovette through her paces this September, shooting four sex scenes with the Southern California expatriate in a single day.

While the huge fucking numbers of overhyped, dubiously tallied gangbangs seem par for the course these days, a lone slut undertaking this arduous a workload is quite rare. "We typically shoot four or five scenes in a day, but never with the same girl," Quasarman marveled. The tape expended will eventually find its way to four Metro Inc. releases: *Stop, My Ass Is on Fire #6*, *Backseat Driver #14*, *Hand Job Hunnies #2* and *More Than a Handful #9*. The grueling shoot started at noon, when Lovette spread her legs and welcomed Mark Davis and Brian Surewood into both of her hungry holes. By midafternoon, Lovette had showered off her first paid cum-bath in years and was ready for more. In the true spirit of porn-industry hyperbole, the eager beaver boasted, "I came ten times...once with just a penis in my bum."

Lovette's day was hardly over. The XXX reentrant succumbed to another anal reaming and gave a handjob before engaging in her final fuck, well after sundown. Following the daylong plugging, it was no surprise that Lovette both felt and became a pain in the ass. "She was pretty ornery at the end," Quasarman confided days later on the set of *The Big Boob Bukkake*, the last visit on Lovette's whistle-stop porn weekend. Another Metro shoot, this jizzfest would be Lovette's maiden foray into protein bathing. "I'm not nervous," the multiload virgin bragged about her first megafacial. "It's one day in my life. Big deal. Whoop-dee-doo."

According to the sperm-sated pro, the opportunity to sample some professional cock was her main reason for undertaking the copulatory marathon. The paycheck she'll be taking back to the Midwest had absolutely nothing to do with it.

Lovette's recipe for success: Huge tits, a good work ethic and a face full of splooge.

Believe it or not, this is break time.

New Wave Hookers #6: *Ginger wets Voodoo's dipstick.*

American Cocksucking Championship #6: *Alexandra and Adriana's variation on the traditional Gatorade dousing.*

Jekyll & Hyde: *It's a popular myth that sex clears up the skin. This photo suggests otherwise.*

Eye Contact #4: *Cockshy Sammi jacks gingerly.*

American Cocksucking Championship #6

Directed by David "Pussyman" Christopher.
Starring Alexandra Quinn, Adriana Sage, Dominique and Samantha.
Videocassette: Legend Video.

American Cocksucking Championship #6 is the latest entry in one of the most original blowjob series to come down the pike. Staged like a boxing match, the video puts a pair of rod gobblers in the ring, where they go head-to-head and down as much rod as possible. Alexandra Quinn wins by a knockout in this edition for her unabashed whorishness. Quinn's astounding deep-throating abilities and ravenous appetite for prick will amaze even the most jaded stroker. Alexandra stuffs three pricks into her mouth with ease, but her finest moment comes when she's straddled and face-fucked. Cock penetrates Quinn's drooling visage so deeply that the starlet appears to be equipped with a hole in the back of her head. Though some may be turned off by the gallons of stringy slobber that Quinn gobs onto every prick, or the disgusting slurping sounds that erupt every time a turkey leg batters her larynx, *American Cocksucking Championship #6* is an undisputed, ball-draining winner. ***—N. V.***

Jekyll & Hyde

Directed by Paul Thomas.
Starring Taylor Hayes, Kate Moore, Genevieve, Aletta, Daniella, Judyh, Fernanda, Julian, Mike Foster, Frank Gunn, John Kossa, Alberto Rey, Frank Major, Kallinger Hurst, Leslie Taylor, Ian Daniels and Bobby Vitale.
Videocassette: Vivid Video.

The amazing cock work of Taylor Hayes carries the clunky period piece *Jekyll & Hyde*. Luckily for director Paul Thomas, the brilliantly cast Hayes saves his effort as the daughter of the famous two-faced character. Taylor's sexual ferocity suits the role perfectly. When Hayes transforms into Flora, a wild-haired harlot with pallid, zombie makeup, all of the flick's shortcomings fall away like the statuesque brunette's frilly Victorian bodice. The growling cock-monster practically rapes Bobby Vitale, gleefully gagging herself on his unit before bending over to welcome his rear advances. Despite the film's poor assembly, fans looking for a healthy dose of Taylor Hayes at her nastiest will find *Jekyll & Hyde* to be just what the doctor ordered. ***—N. V.***

Eye Contact #4

Directed by uncredited.
Starring Chella, Becky Joe, Sierra, Samantha Sweet, Sammi, Drew and Chonise.
Videocassette: Xplor Media.

If it weren't for a brief penile dip into a sexy blond Latina, *Eye Contact #4* would be another run-of-the-mill blowjob tape. Pulling the viewer into the action by presenting every scene from the swordsman's perspective is admirable, but what right-minded mook would want to experience the sexual misadventures of a half-limp wiener that can't manage to nail its hired twat? The sole prick in the film doubles as a one-man crew, and the undercasting shows. The lighting is terrible, the sound fluctuates from barely audible to overly loud, and the camera work is shaky. Worst of all is the aforementioned scarcity of fucking. Chella, a giggly tramp, plays shy with the camera, feigning modesty as she slurps on the viewer's surrogate cock. It's a shame that the dick behind *Eye Contact #4* didn't have the balls to screw the smirk off her face. ***—N. V.***

Dear Slut

My siblings are more than aware of what I do, but I shudder to think that one of my bros is watching my videos and jacking off.

(continued from page 35) ***shit rings. It should have been a great dream, but I woke up totally freaked out and ran to the bathroom to puke. I usually whack off to porn videos every night before I go to bed. Could my brain be ODing on smut, or is it just a weird coincidence?***

—T. K.
Omaha, Nebraska

Check your VCR to see which title you were watching prior to your nightmare. Perhaps you just need to stay away from that particular company or subject matter. I find myself wishing that many of these porn flicks were just bad dreams that I could wake up from. In my opinion, the industry has truly gone down the shitter. I am mystified by the time allotted to gaping buttholes and determining how many cocks can fit into one small girl's mouth. Perhaps you need to revisit classics by directors such as Michael Ninn and Andrew Blake. Watch the more erotic and beautiful titles out there and go back to having sweet fucking dreams.

Balls and Chain

I've always wondered about porn couples, especially married ones. How does your husband feel about you screwing other guys in movies? I know that I'd love to date a porn star, but I'm not sure how I'd feel about seeing other dudes boning my girl 24/7. Do you two swing so that he doesn't feel left out?

—R. V.
via Internet

It takes a special kind of guy to date a XXX starlet. I was in the industry for more than ten years when I first met my husband. He knew what he was getting into, and jealousy has never been a problem. My hubby knows that no matter how turned on a scene makes me, I'm still coming home to him. We don't swing, but my husband has carte blanche to pick up girls if he so desires. He usually winds up showing the chicks pictures of our son. It doesn't sound like you're ready for a porn-star girlfriend. Remember that jealousy, no matter what your mate's career is, just plain sucks.

Twisted Sis

I'm a 24-year-old male serving in the U.S. Marine Corps. Last week I was off base, browsing at my favorite porn shop for the latest lesbo flick. To my surprise, one of the box covers featured my sister. I bought the video and must have jacked off five times during the course of an hour. Now, all I can think of is fucking my hot, sexy sister. Have you ever had something like this happen to you, Jeanna? Should I follow my impulses and approach my sibling for some porn-star loving?

—L. A.
via Internet

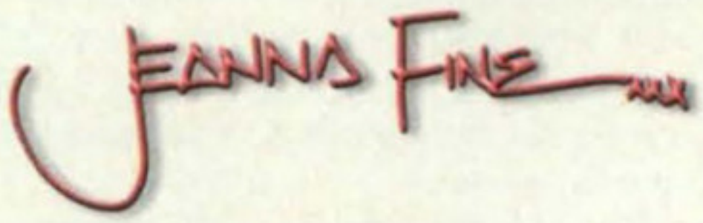

Don't entertain the thought of sex with your sister for another second. My siblings are more than aware of what I do and are proud of me, but I shudder to think that either one of my bros is watching my videos and jacking off. I would suggest that you do a bunch of sit-ups, take a cold shower and run to the nearest counselor for some help. Ditch the video and quit obsessing about your sister's snatch. Incest is strictly off-limits, soldier.

Fine Print

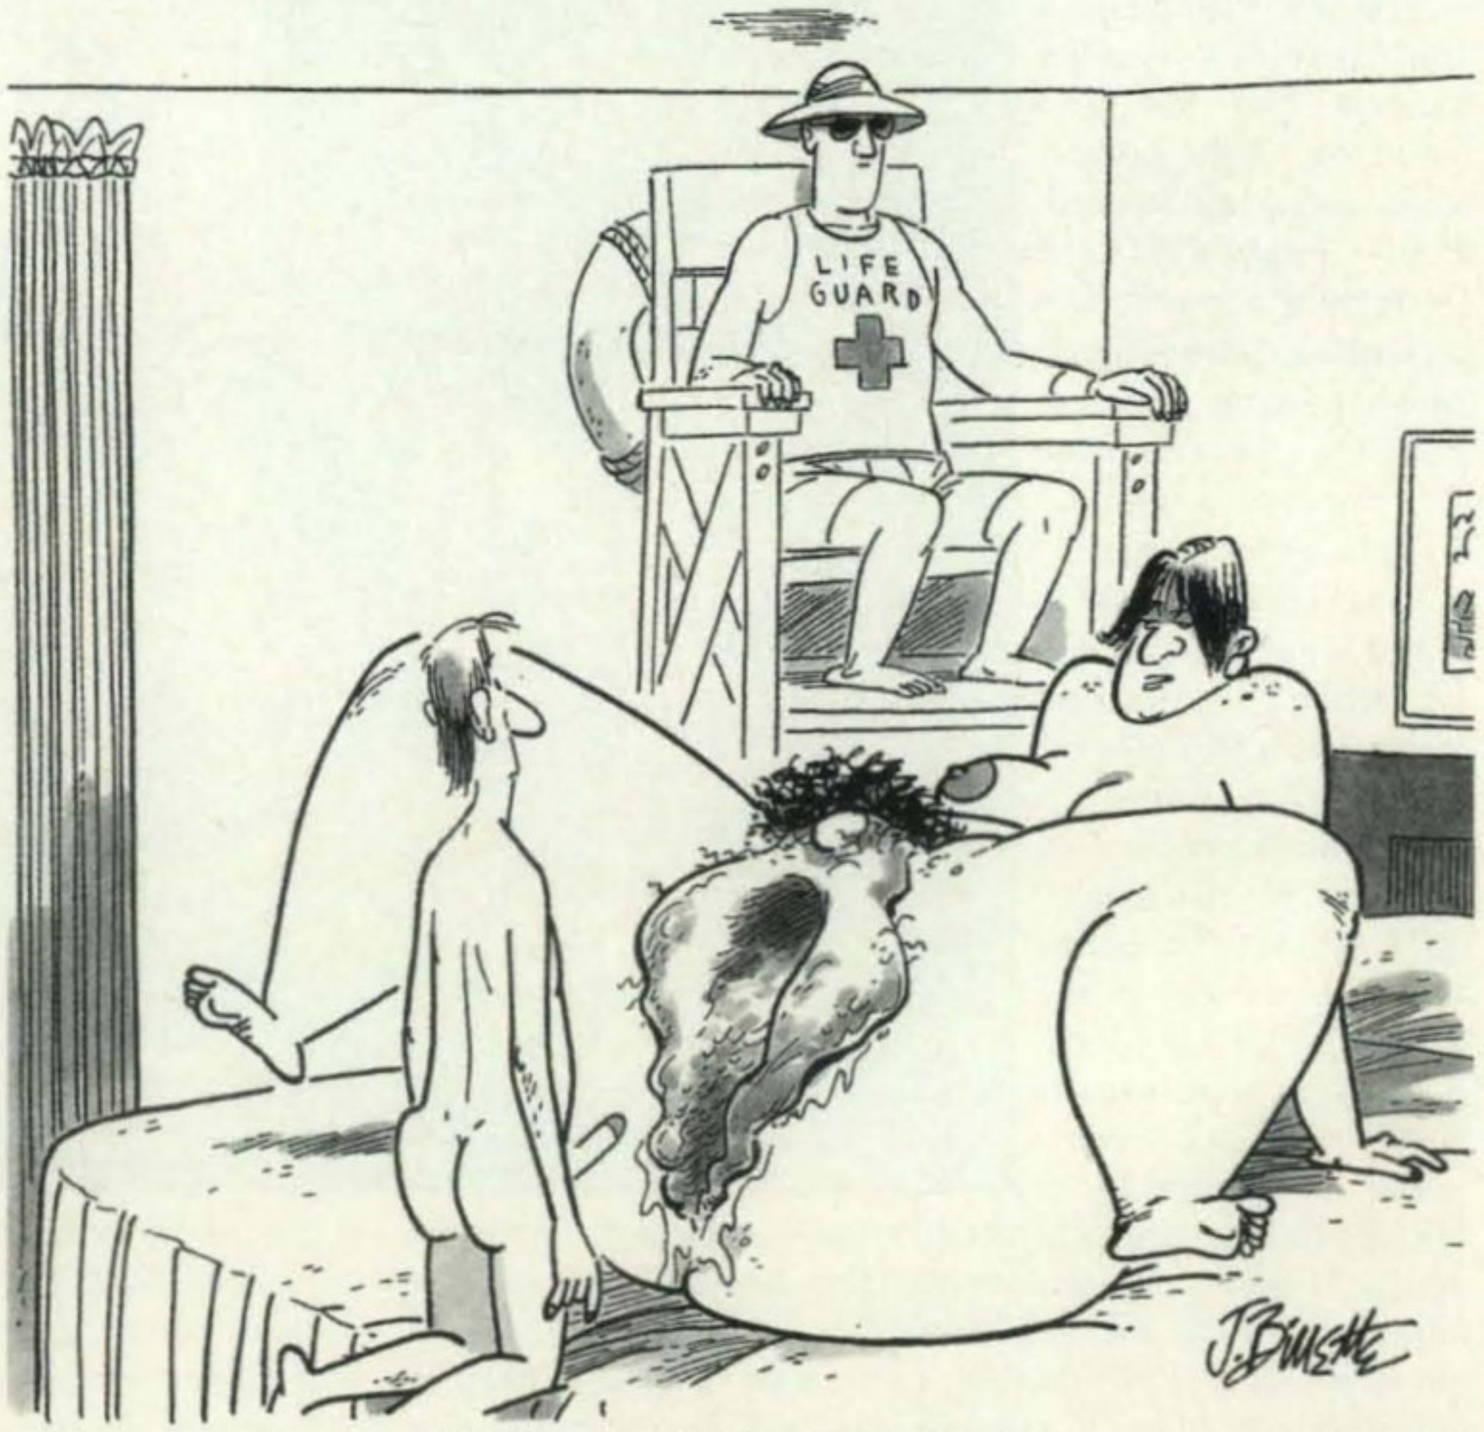

I'm a huge fan and totally excited to see your new movie. I was sold the minute I heard that you were going to be in it, but with my favorite starlets Ava Vincent and Lola on board, I'm really jonesing to grab this flick. Is there any way of mail-ordering it?

—L. C.
via Internet

By the time you read this, *Ooze* should be on every XXX video shelf in the country and available from pretty much every online retailer. If you can't find it, contact the producer, Odyssey Group Video, directly.

Do you have a question for Jeanna? Write to Dear Slut, c/o HUSTLER, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211, or E-mail at slut@lfp.com.

Sex Play

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

Because They Can

The Risks and Rewards of Autofellatio

by Dan Kapelovitz Illustration by Steve Nazar

A stocky, hairy bird-watcher creeps through the woods, peering into a pair of binoculars. In the near distance he spies his wife, a Pat Benatar lookalike who has a nylon scarf around her neck and a cunt-flap-lapping lesbian between her legs. Before long, the hirsute naturalist has his pants around his ankles and his ten-inch dick in his hand. The pudgy meat-beater leans forward and fits his beef stick into his mouth. "Not bad," he says, then vigorously blows his own bone.

A big-breasted woman in running togs stumbles upon the rotund hair ball while he gobbles his gonads. The babe cringes in horror. Oh, my God. What a perverse, disgusting pig, she thinks, even though she is transfixed by the spectacle. How does he do it? Maybe that would make me happy to suck it like he's doing. Taken by catlike curiosity, the jogger pulls the man's pork out of his hand and sucks it into her mouth.

"Here, like this," the fatty says, reclaiming his dork and rolling his tongue around the purple cock head.

* * *

This scene from *Lips*, a 1981 skin flick starring Vanessa Del Rio and featuring Ron Jeremy orally satisfying himself, firmly established the Hedgehog's reputation as both a porn legend and a porcine degenerate. The performance also inspired a generation of autofellationists.

"I've been sucking myself since I was about 12, when I saw Ron Jeremy do it in a movie," testifies Rico Esteves, a pornophile from Tucson, Arizona. "It wasn't hard: All I did was lean over and stick my dick in my mouth, and it felt good."

Esteves is unusually limber. Otto, a business-school student in Michigan, beat a much tougher path to blowjob independence. "I had to stretch out a lot, because at first I was like four inches away, but I did some low-impact aerobics, and I got closer and closer. Finally, I could fit the whole head in my mouth. It helps to take a warm bath first, because that relaxes the muscles, but it really just takes a lot of stretching."

Otto concedes that, although his hard-won skill is handy and satisfying, the navel-gazing nature of self-sucking can be alienating. "My wife loses interest before I come," Otto says. "She says things like, 'Why do you need me if you can do it yourself?' or 'What do I get out of this?'"

Autofellatio might be the ultimate narcissistic act, but Rico Esteves has found a way to include his sex partner in the experience.

"My girlfriend loves to watch me self-suck," Esteves says. "Our favorite thing is for me to suck off my cock while she works on my balls and ass. When I'm ready to blow my load, both our mouths are there to catch all the cum."

Famed sexologist Alfred Kinsey turned his scholarly gaze to self-suckers in 1948; he reported that, although self-fellation was a common means of masturbation among rhesus monkeys, chimps and other primates, only two or three males in 1,000 were able to orally masturbate. Gary Griffin, author of *The Art of Auto-Fellatio*, believes that Kinsey's estimate is too low.

"A much greater number would be able to fellate themselves if they were to undergo a program of proper conditioning, stretching and yoga exercises over a period of months," Griffin says.

Through the gradual stretching and strengthening of muscles in the legs and back, a determined onanist may find himself capable of chewing his own cud.

"You don't think all of this renewed interest in yoga is about becoming a more peaceful person, do you?" asks Hans Hoeller, a personal trainer in Taos, New Mexico. "It's about becoming limber enough to suck yourself off, and that will

"It's just masturbation. If sucking yourself off is gay, then jacking yourself off would be gay too."

make any man a bit more Zen."

The most common autofellatio position is called "The Plow," in which the self-fellator lies on his back and flips his legs over his head. Another contortion entails grabbing the thighs and leaning down in either a sitting ("Over Easy") or standing position ("The Stork") while pulling the mouth toward the crotch. Also popular is the "X," wherein the sucker crosses his legs behind his head, leans down and opens wide.

Some men are naturally predisposed to make a cock-mouth connection, says Al Eingang, who has produced and starred in autofellatio videos such as *Blown Alone* and *Self-Sufficient*.

"There are people who do it the first time. Then there are other people who have been trying for ten years and still can't do it," Eingang says. "It's a mix of natural flexibility and determination.

"It also helps to have a big cock," notes Eingang on his Web site, solosuck.com, "not because men with big dicks are more flexible, but because if your cock is eight inches long, you'll get to it two inches sooner than a six-incher would. Also, you need patience while you learn to stretch safely, and men with eight inches require two inches less patience than men with six inches."

For Eingang and other enthusiasts, the wonders of the do-it-yourself hummer make a determined effort worthwhile. "It's the best blowjob you could ever get, because you have complete control of it," says Eingang.

For all of the apparent advantages of being able to receive oral gratification in the absence of a giving and willing female mouth, there are risks as well.

Oral masturbation may appear to be the low-risk pleasure of choice in the age of AIDS, but some men should consider wearing a condom before bobbing on their own knobs. It's entirely feasible for a person with oral herpes to transmit the virus to his penis by way of autofellatio.

"It would be a possibility," says an operator who fields calls at an STD hotline. "You might want to be cautious about it."

Aside from the dangers of transmitting diseases, would-be self-suckers must be careful not to strain too much in their quest to take matters into their own mouths. "I know several individuals who greedily pushed themselves for that last inch without being fully conditioned," says Gary Griffin. "The strain has placed more than one man on the chiropractor's table."

Autofellatio is not just potentially dangerous from a physical standpoint; it might also be against the law. Several states have laws on the books banning oral sex between two consenting adults. Could an overzealous district attorney extend the blowjob ban to a single consenting adult?

"You never know; it might fly," says John Paul Reichmuth, a Silicon Valley criminal defense attorney. "I wouldn't be surprised in the least if a law prohibiting autofellatio were upheld by the present Supreme Court."

Self-suckers spend months limbering up to the point of being able to blow themselves; they risk disease, jail time and alienating their girlfriends in order to sample their own splooge straight from the source. Simple curiosity and loneliness can't adequately account for the autofellationist's zeal.

"Homosexuality may be a factor," suggests Stephen, a New Yorker who stretched out for three weeks in an effort to suck his own dick, but abandoned the quest. "Some of these guys are in the closet."

Although there appears to be something decidedly queer about bringing the penis in contact with the male mouth, Hans Hoeller believes that a man's sexual orientation boils down to a matter of taste.

"It depends on whether you enjoy the feeling of your dick in your mouth, or the feeling of your mouth around your dick," Hoeller theorizes. "I enjoy sucking myself, and I have never been with another man sexually at all. I think it's simply the best possible form of masturbation people can privately treat themselves to."

"It's just masturbation," Rico Esteves agrees. "If sucking yourself off is gay, then jacking yourself off would be gay too." Esteves ignores a salient point: There may be nothing especially homosexual about a man touching his own penis, but then most pud pullers don't shoot the load into their own faces or down their throats, a common practice among self-suckers.

Perhaps tooting one's own horn has to do with an overabundance of self-love—many autofellationists are unabashed narcissists. "I'm a big fan of myself," autofellator Walker says via E-mail. "I have everything I look for in a person."

Walker's attitude seems to be extreme; for most self-suckers, autofellatio is just about doing their own thing.

Slit-Tickling Rivalry

Helene and Camilla are fiercely competitive pussy-eaters.

"I'm going to make you come so hard, you won't be able to move, you whore.

It's about time someone showed you the right way to suck clit, you dumb, blond bitch," growls Helene.

"Are you gonna talk or lick my fucking clam?" *snaps Camilla.*

A gob of Helene's spit hits Camilla's golden-haired fuck pit with a splat. Now that her blond adversary is properly primed, Helene tears into her rival's box.

The morals police cooked up

the myth of the porn junkie

Freedom From Pornography (www.geocities.com /~freefromporn/), a Web site that catalogs testimonials from people who have broken their "addiction," touts the sad story of Robert, a hard-working graduate student, as an example of a man whose life was ruined by smut. ►

Porn Addicts

"I always struggled with sexual fears and obsessions," says Robert, who forced himself to avert his eyes every time he was near a woman—any woman—for fear that he might "lust uncontrollably." Robert managed to check his compulsions long enough to get married and raise two sons, but his mania worsened, especially once he started beating off to scrambled sex shows on cable TV.

"This was the beginning of my quick descent into the abyss," Robert says. He bought stroke books, whacked off compulsively, then threw the magazines away. During a take-home exam for a graduate seminar, Robert surfed for Internet sleaze all night long.

As Robert's story unfolds online, he testifies about being unable to resist the temptation of smut. Eventually, Robert handcuffed himself to his bedpost at night "so that I would not go out and do something I would regret later on."

Toward the end of Robert's lengthy testimonial, it becomes clear that Freedom From Pornography's attempt to present prima facie evidence of porn's addictive virulence is misleading—Robert himself reveals the true nature of his affliction:

"At the urging of my sister, I checked myself into a hospital emergency room," Robert relates. "The psychiatrist on call...indicated to me that I probably had something called obsessive-compulsive disorder."

Robert was admitted to a psychiatric ward, where a psychologist specializing in anxiety disorders further diagnosed "posttraumatic stress due to childhood abuse, dissociative disorder and bipolar disorder."

Most psychiatrists dismiss "porn addiction" as pseudoscientific hokum. "If you're asking whether pornography drives addiction, no, it does not."

Robert was undoubtedly in need of psychological intervention, but his problems went far beyond the images of wad shots and blowjobs that cycled uncontrollably through his mind. What he now calls his "brain quirks" were driving him crazy—not porn. But that obvious distinction doesn't prevent antismut gang Freedom From Pornography from trumpeting his tale as evidence of the "effects of pornography."

A movement is afoot to classify enthusiastic sleaze consumers as "porn addicts." The National Council on Sexual Addiction and Compulsivity (NCSAC), a group that consists primarily of therapists who treat sexual addition, has as one of its goals "to promote acceptance and diagnosis of sexual addiction and sexual compulsivity." This year, the NCSAC's journal, *Sexual Addiction and Compulsivity*, published a report, "Cybersex and Sexual Addiction," in a supposedly noble effort to raise awareness about the dangers of E-sleaze.

"Those who are experiencing discomfort as a result of their Internet use should seek consultation with a professional knowledgeable about sexual addiction," advises the NCSAC.

By encouraging Internet pornophiles to seek professional help, the NCSAC is, in effect, drumming up business for its members. However, most psychiatrists and addiction specialists flatly dismiss the concept of "porn addiction" as pseudoscientific hokum.

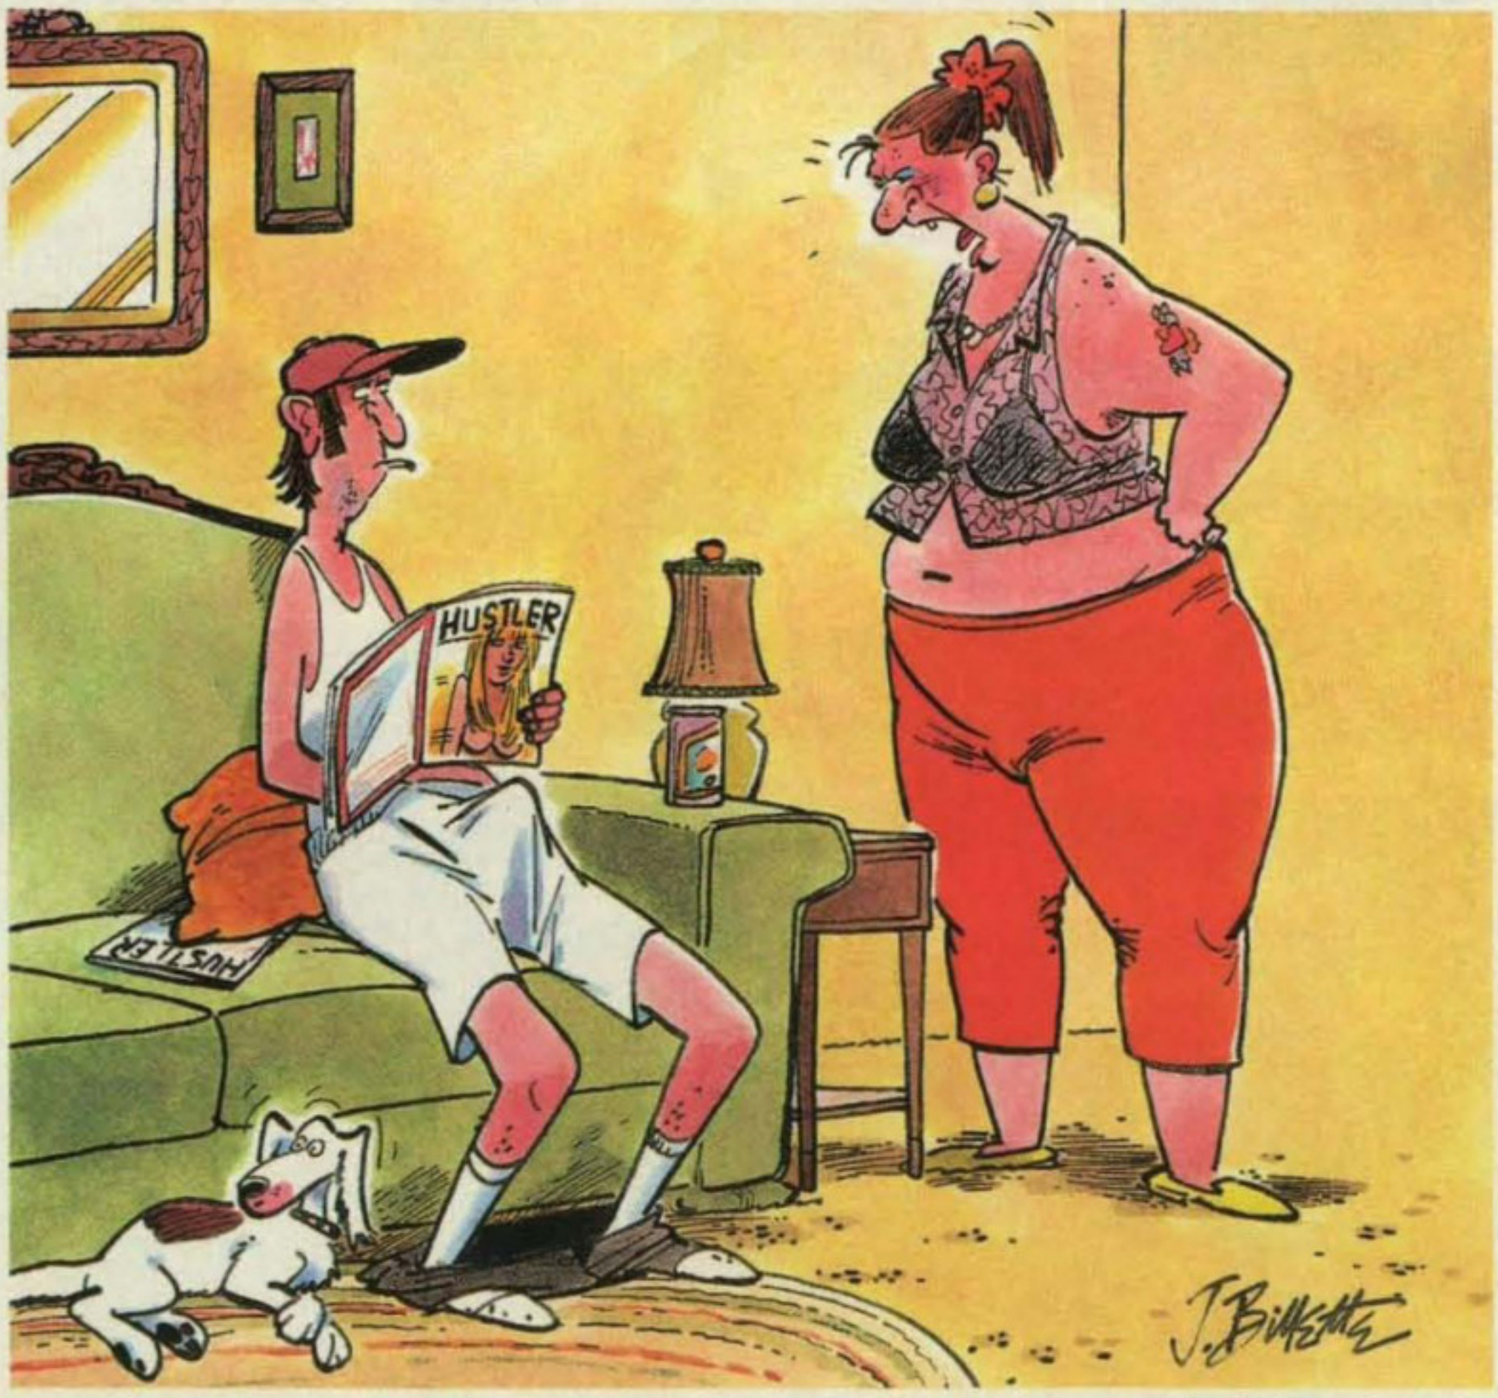

"If you're asking whether pornography drives addiction, no, it does not," says Robert Weiss, clinical director of the Sexual Recovery Institute in Los Angeles. "If it weren't porn, the compulsive behavior would just find something else."

Almost any behavioral scientist would readily concede that some people develop compulsive smut habits, but many, if not most, psychologists believe that a mad whacker has deeper problems. An overactive appreciation of adult materials is, at most, a symptom of the underlying illness.

"Sex addictions are not really about sex anyway," Dr. Weiss adds. "They're about relieving anxiety in people who don't have the coping skills to adequately deal with stress or other difficult circumstances. The behavior is a way for them to try to assert control over their lives."

Despite compelling evidence that "porn addiction" is a nonexistent malady, playing the addiction card has developed into the latest shot-in-the-dark fired by the forces of the antiporn militia. Groups such as Morality in Media, the American Family Association, Victims of Pornography and Enough is Enough have joined Freedom From Pornography in using the pretext of "public health" to dress up purely moralistic attacks on adult entertainment.

(continued from page 62) based nonprofit organization devoted to promoting "the traditional family unit and the Judeo-Christian value system," pushed the notion of the porn addict in *Ideas and Energy*, its online Web zine.

"Drugs and alcohol are dangerous because of their addictive nature. The same can be said about pornography," opines the FRC's Heather Cirmo in an article titled "Defending the Innocent."

In a press release put out by the American Family Association, a Christian group that seeks to "restore the moral foundations of American culture," Indiana State Director Vickie Burress cries, "Porn addiction is fast reaching epidemic proportions."

Assisting right-wing Christian zealots in their jihad against porn are attention-hungry "experts" who fall over themselves to describe the full magnitude of the latest cataclysm to befall the nation.

"We're already experiencing a sexual holocaust," laments University of Pennsylvania psychologist Mary Anne Layden in a screed published in *Wired* magazine. Layden, an antiporn crusader who has appeared on PBS specials and before Congress, heaps the hyperbole high, adding, "The ramifications [of porn] are hard to imagine. We're already at tsunami levels."

The existence of pornography is a holocaust and a tsunami, all at once—so it must be real bad.

In a May 16, 2000, *New York Times* article, "Cybersex Gives Birth to a Psychological Disorder," two supposed experts can't seem to agree which lethal drug Web smut resembles most.

"[Porn-addiction treatment is] definitely an industry, and things are getting out of hand," says Dr. Devore. "It's not particularly ethical."

"Sex on the Net is like heroin," wails Dr. Mark Schwartz, codirector of the Trauma, Dissociative Disorders and Compulsivity Programs at Masters and Johnson's outpatient clinic in St. Louis, Missouri.

Dr. Al Cooper, of the San Jose [California] Marriage and Sexuality Center, attempts to trump Dr. Schwartz's over-the-top sound bite, calling the Internet "the crack cocaine of sexual compulsivity."

* * *

Dr. William Thomas, director of the Medical Ethics Study Group, a nonprofit advocacy organization based in Evanston, Illinois, believes that the "porn addiction" diagnosis arose in part because it provided mental-health professionals with a new affliction requiring costly treatment.

"You saw practitioners strike upon the idea of pathologizing target behaviors," recalls Dr. Thomas. "This move turned out-of-control porn consumption into an addictive disorder."

According to San Francisco-based clinical psychologist Dr. Howard Devore, the institutionalization of sex addiction has been nothing less than a make-work boon for therapists and privately operated rehab centers.

"It's definitely an industry, and on the business end of it, things are starting to get out of hand," says Devore, who stops just short of using the term *racket*. "The industry needs more oversight. It's not particularly ethical."

* * *

When asked if even one glimpse of stroke material can lead to "lifelong addiction," antiporn mouthpiece Donna Rice-Hughes declares emphatically: "[Pornography] is very addictive; it's highly toxic. Once you've been exposed to this material, it can never be erased from your mind."

Rice-Hughes is the former Donna Rice, the bikini-clad bimbo who in 1987 was photographed adorning the lap of presidential wanna-be Gary Hart on board a yacht aptly named the *Monkey Business*. The curvaceous blonde eventually became a born-again Christian and married Jack Hughes, an executive at an information technology firm.

In the mid-1990s, Rice-Hughes began to "study" porn. After discerning the rising wave of Internet hype, she singled out "protecting kids from cyberporn" as her area of specialty and took a position as executive director of antiporn outfit Enough is Enough.

"The innocence of children is being sacrificed on the altar of the First Amendment," says Rice-Hughes, a self-proclaimed child-safety expert who worries about tots becoming addicted themselves. "You know, kids get turned on by pornography too."

If Rice-Hughes's story sounds familiar, that's probably because a stream of ex-floozies have sought to redeem their

X-rated pasts by attacking the jizz biz.

"Donna Rice-Hughes—another slut-turned-savior," says Gloria Leonard, former X-rated actress and president of the Free Speech Coalition, an adult-industry lobbying group. "It's like what happened with [*Deep Throat* star-turned-antiporn-pawn] Linda Lovelace, who tried to turn her rotten life around by becoming a martyr for the most extreme gang of feminists. One day, she was perfectly willing to have sex with a German shepherd, and the next, she didn't want to take any responsibility for the choices that she, and no one else, made."

Rice-Hughes and reformed hussies like her make up just one segment of the cast of finger-waggers who dangle the red herring of addiction in the battle against smut. Another category of crusader is the "ex-porn junkie" who finds new meaning for his life in the Christian antismut circuit.

Gene McConnell was a pastor until his XXX habit got the best of him. After serving time for attempting to rape a woman in a parking lot, McConnell had a religious transformation, and he dedicated his life to fighting the pornography industry. Now he pimps himself out to any antisex outfit that will listen.

"I started fantasizing about what it would be like to actually rape a woman," McConnell bleats of his attempted rape. "I finally tried it one night when I saw a woman who 'fit' the scenario that porn had taught me to look for."

McConnell waxes about how the temptations of porn snuck up on his unsuspecting soul. "Many times in my own life, when I was worshiping God, raising my hands and praising God, out of nowhere, here comes an [erotic] image, and I didn't even ask for it," McConnell confesses.

"Many times in my own life, when I was worshiping God, out of nowhere, here comes an [erotic] image, and I didn't even ask for it."

Phil Burress, who heads Citizens for Community Values, a Cincinnati, Ohio-based organization that aims to promote "Judeo-Christian moral values," is another sinner-turned-saint.

"Twenty years ago, I was seduced into those adult-book stores that littered the Cincinnati landscape, and my view of sexuality was distorted for decades," Burress whines in a *Cincinnati Post* editorial.

Phil went through a McConnellesque transformation, and met his wife, Vickie, who heads Victims of Pornography, which celebrates "Victims of Pornography Month" each May with press conferences and testimonials from "victims."

Today, Phil Burress stages "town meetings" where he encourages people to improve on the old-fashioned picket line by videotaping customers at strip clubs and writing down their license-plate numbers.

According to Dr. Howard Devore, Burress, McConnell and their ilk may hope that, by attacking the sleaze industry, they can whitewash their stricken consciences.

"Denial is a pretty typical defense in people who feel guilty over their own compulsions," Devore says. "They often project their own faults onto an outside object or institution."

Ex-con McConnell now runs his own Gene McConnell Ministries and, in a bizarre case of the fox guarding the henhouse, doubles as "Vice President of Victims Assistance" for the National Coalition for the Protection of Children and Families—yet another Cincinnati porn-chasing outfit.

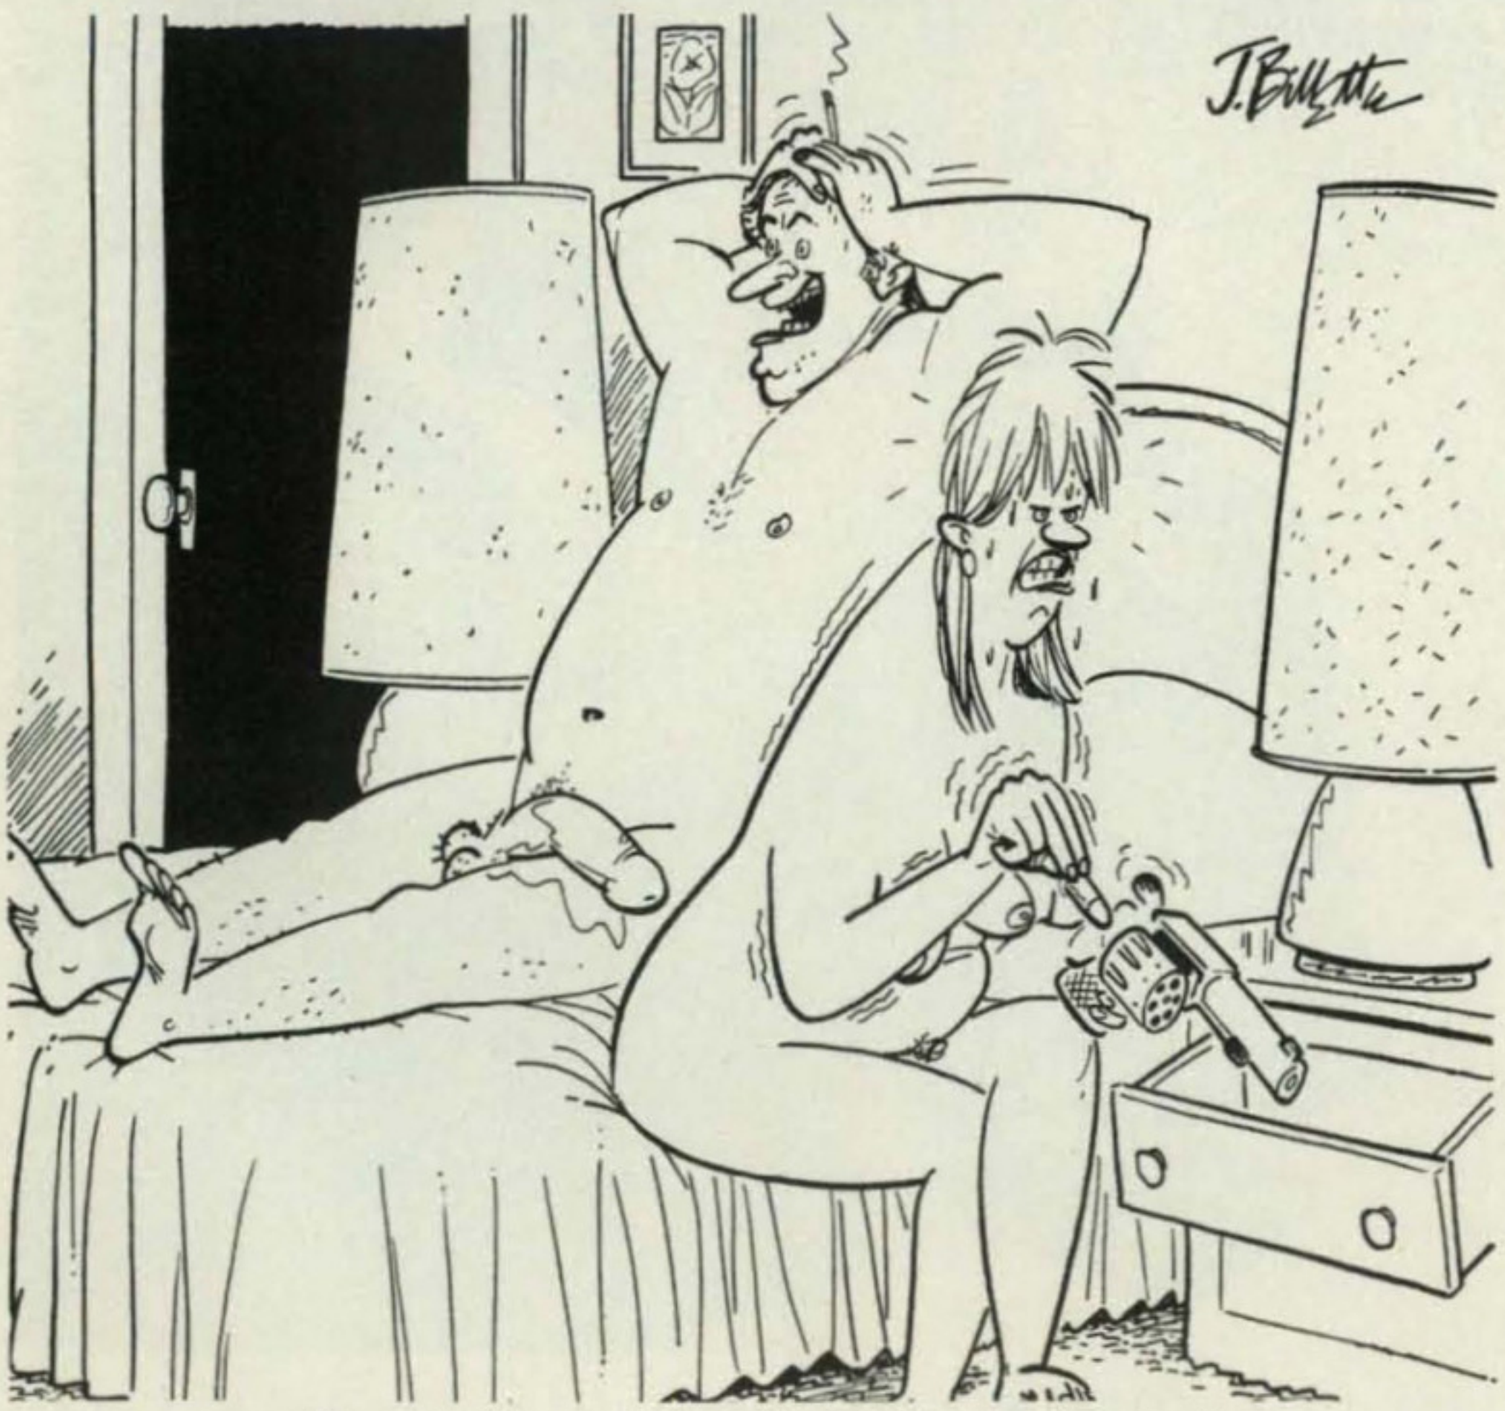

* * *

When in need of "scientific proof" of the harm done by pornography, Donna Rice-Hughes and other Christian antismut firebrands frequently call on Salt Lake City psychologist Dr. Victor B. Cline, formerly a professor at the University of Utah. Cline's main scholarly achievement appears to be authoring *Pornography's Effects on Adults and Children*, a 17-page treatise distributed by the right-wing pressure group Morality in Media. In this tract, Cline proposes a monkey-see, monkey-do scheme, where the "addict" is compelled to "act out" his favorite porn scenarios, which usually include raping women and children.

Cline, who says he "specializes in sexual addictions," outlines his self-serving cure for the helpless sleaze junkie on Morality in Media's Web page (www.moralityinmedia.org): "The individual has to be in treatment with a sexual-addiction therapist."

Two reporters walking past a New York cafe were stunned to see an aged Adolf Hitler sitting at one of the tables outside.

"*Ja*, it's me," the frail Führer said, "and this is my friend, Dr. Mengele. We're back, but this time we do it right. I will kill six million Jews and 20 ballerinas."

The newsmen were flummoxed. "Why 20 ballerinas?" one asked.

Hitler turned to Mengele and said, "See? I told you nobody would miss the Jews."

Question: What did George W. Bush get on his S.A.T.?

Answer: Drool.

Petite, young Margie ran into a police station.

"Help!" she wailed to the desk sergeant. "I've been raped by a Polack!"

"How'd you know he was Polish?" asked the policeman.

The girl thought back and shuddered. "I had to show him what to do."

The HUSTLER Dictionary defines *pregnant girlfriend* as: a bitch-and-a-half.

Bobby Lee, a University of Georgia student, was visiting a Yankee cousin in Boston over the holidays. The cracker accompanied his relative to a large party, where the Southerner met a pretty coed.

Bobby Lee started to chat her up, drawling, "Where you goin' to school, hon?"

"Yale," the coed replied.

The Georgia boy took a big, deep breath and shouted, "I SAID, 'WHERE YOU GOIN' TO SCHOOL?'"

Two bums were camped under an overpass. Luke turned to Claude and asked, "How was your day?"

Claude grinned, "I walked south along the railroad line, until I came across a gorgeous chick tied to the tracks.

"I cut the ropes off, gently lifted her off the tracks, and banged her all afternoon—front, back, any way you can imagine. When I was so tired I could barely move, I came back to the overpass."

"Lucky motherfucker!" Luke exclaimed. "Your day was a whole lot better than mine. Tell me more—did she blow you?"

"No," Claude sighed. "I couldn't find her head."

Little Mike asked his daddy what a vagina looks like.

"Well, son," the father offered, "before sex, a vagina looks like a pink rose, with velvety leaves and the aroma of perfume."

"*Wow!* That sounds cool!" Mike crowed. "What about after sex?"

The dad paled. "Have you ever seen a bulldog eating mayonnaise?"

Question: Why can't lesbians wear makeup and diet at the same time?

Answer: Because it's hard to eat Jenny Craig with Mary Kay on your face.

Joe walked up to a girl in a bar and asked, "May I buy you a drink?"

"Okay," she said, "but it won't do you any good."

"Come on," Joe cajoled. "You are the most beautiful thing I have ever seen. In fact, I think I want you for my wife."

"Oh, that's different," the woman said, brightening. "Send her over."

A young brunette went into the doctor's office, complaining that her body hurt all over.

"Try to be specific," said the healer.

The maiden took her finger and pushed on her elbow, then let out an agonized yelp. She touched her knee and produced a bloodcurdling scream. Finally, the girl pressed on her ankle. The pain was so bad, she fainted.

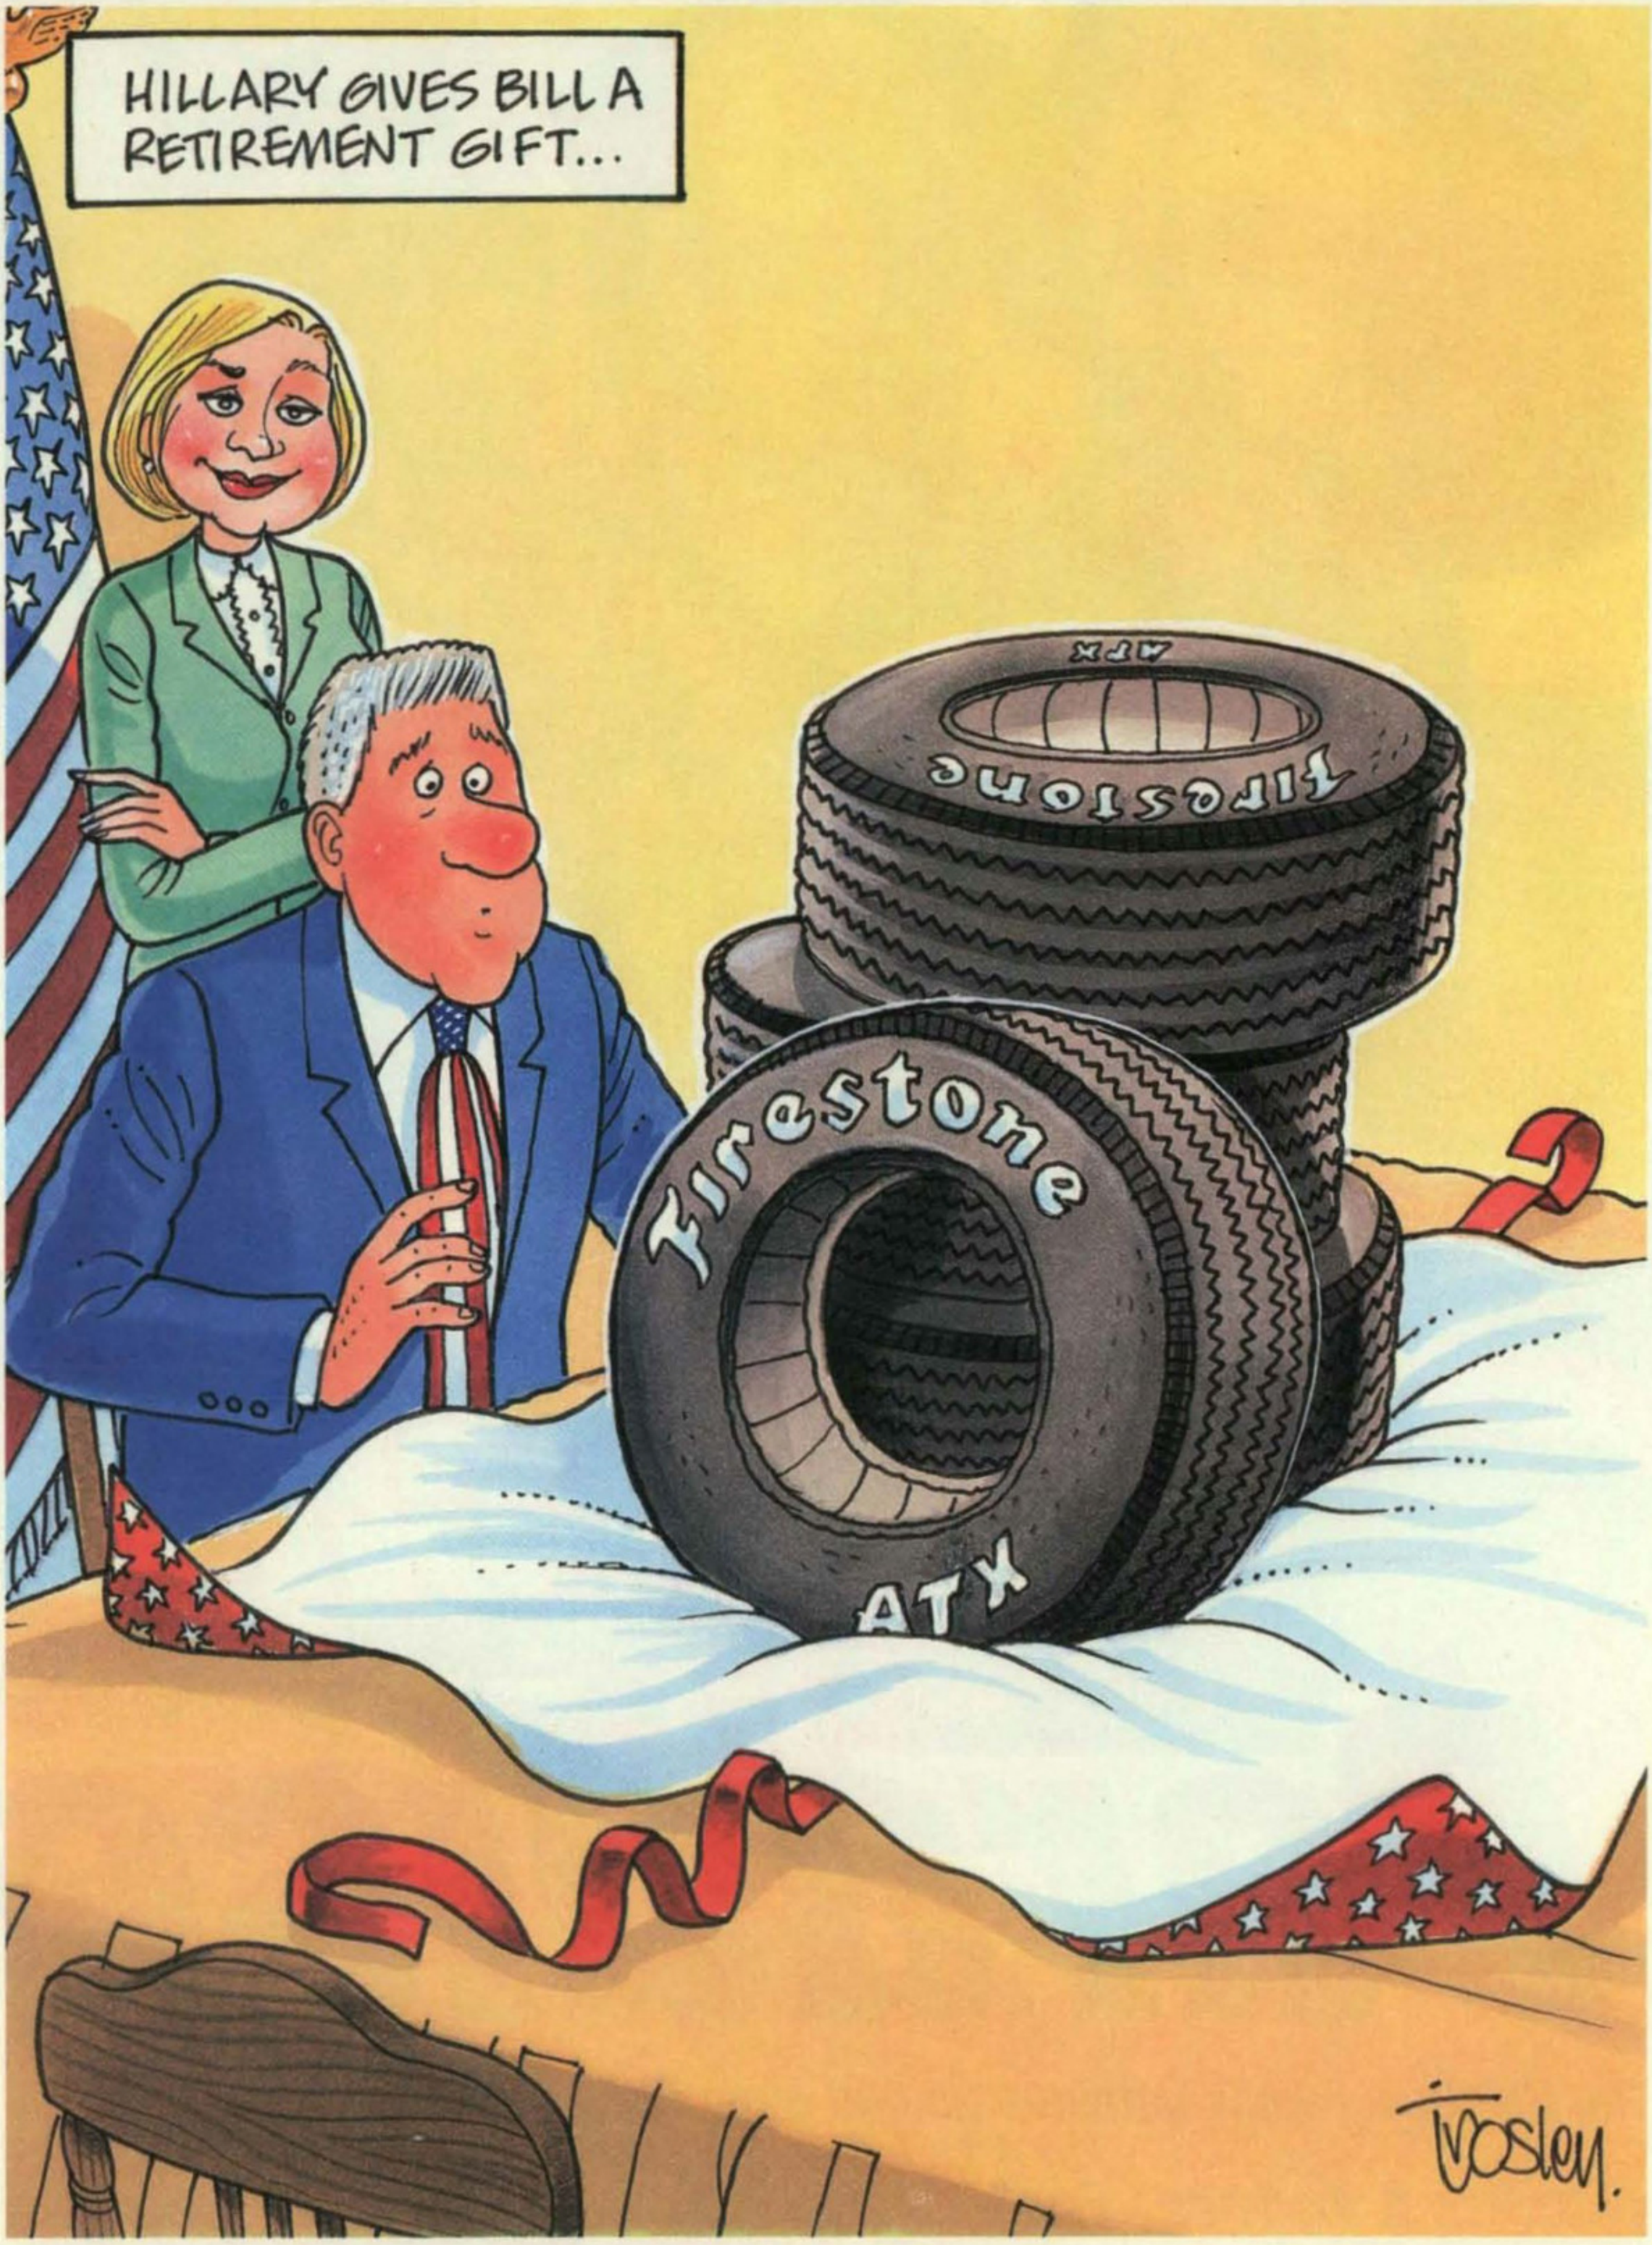

When she came to, the doctor asked, "Are you really a brunette?"

"No," she winced, "I'm actually a blonde."

"I thought so," the physician smirked. "Your finger is broken."

HILLARY GIVES BILL A RETIREMENT GIFT...

Anarchy in Paradise

The Rainbow Family gathered 25,000 strong in a Montana forest to pray for peace and pursue a utopian ideal.

A federal task force was waiting for them.

Walk the Rainbow Trail With David Buchbinder

Photography by Sara Flicker

On a typical summer day in southwest Montana, herds of elk graze the alpine meadows of Saginaw Creek, where the headwaters of Big Hole River bubble up from underground aquifers. Black bears, moose and mountain lions can sometimes be found roaming these isolated stands of lodgepole pines, but this year, Saginaw Creek's fauna has fled deep into the woods, spooked by an unusual flurry of human activity.

Bearing backpacks and hauling pallets piled high with supplies, a steady stream of people beats a broad, dusty path deep into the valley. Where once there was only a sagebrush meadow, hemmed in by hillsides and flecked with yellow cinquefoil flowers, there now stands the infrastructure of a small village. Sturdy kitchens are constructed from hand-hewn timber; log-cabin health clinics dispense bandages, sunscreen and herbal tinctures; miles of white PVC tubing serve as a crude irrigation system; and dozens of *Gilligan's Island*-style bridges ford the shallow waters of the Big Hole River. ➤

Rainbow Gathering

The Rainbow Family of Living Light, a loose association of Woodstock-vintage hippies, Hare Krishnas, Rastafarians, inked and pierced gutter punks, Vietnam vets, anarchists and tatterdemalions displaced following the end of the Grateful Dead tour, has come to Montana to pray for peace at its annual Gathering.

"We're not just a bunch of druggies out in the mountains having crazed sex," says Beverly Turner, who has attended every Gathering since the very first one, held in Strawberry Lake, Colorado, in 1972. "We don't fit in a box."

Anarchy and tolerance are guiding Rainbow Family values, although alcohol is frowned upon and cash barter is forbidden. Drugs, however, particularly marijuana and psychedelics, are consumed in abundance, and donations are collected in a "magic hat" that funds the kitchens. Dollars are otherwise of little use at the Gathering, because everything is always free.

At the Midnight Crystal Kitchen, a rotund Jew wearing a yarmulke ladles food out of a mammoth pot to an assembly line of hungry mouths.

"Be a good boy. You're welcome," he says as he unloads a heaping portion of goulash into a procession of bowls, mugs and tin cans. "Be a nice boy. Don't mention it. Go out and make your parents proud today."

At the Sprout Garden, located on a gently sloping grassy hillock, white, ten-gallon buckets are set in a handcrafted wooden lattice; wheat berries, sunflower seeds and bean sprouts are served by a spindly man with sunken cheekbones. Under a blue-canvas canopy nearby, a woman cuts fabric into a dress pattern, and a pair of young girls doze in the grass. Doug, a dreadlocked hippie from Cash Valley, Utah, sits under the blue tarp, munching mung bean sprouts.

Anarchy and tolerance are guiding Rainbow Family values. Drugs, particularly marijuana and psychedelics, are consumed in abundance.

"In the outside world, strangers don't usually talk to you, or they'll say, 'Hello. How are you?'" Doug says. "Here, everyone's like, 'What's your sign?' or 'Can I see your tattoo?' Everyone you pass is your brother or sister, and they all smile."

The Rainbow Family takes its name from its diverse makeup, but many gatherers share a common disdain for the modern world, referred to as "Babylon."

"We don't work the nine-to-five jobs," says Beverly. "You will find a lot of people here that have worked the nine-to-five jobs to get here, to get the supplies to live here, but it's not their god."

"Babylon is insane," says Doug. "People are going to the office, paying bills, and they're working so they can have a better house and a better car, and that makes them work even harder to make more money, and they're not happy."

As symbols of the 40-hour work week, watches, also known as "reality meters," are as rare as hairbrushes. Accordingly, a slang has developed to loosely mark the passage of time: "Dark-thirty" means a half hour after sunset; "late o'clock" signals an event that is likely to still be going on at dawn. "Hippie noon" hovers around two o'clock.

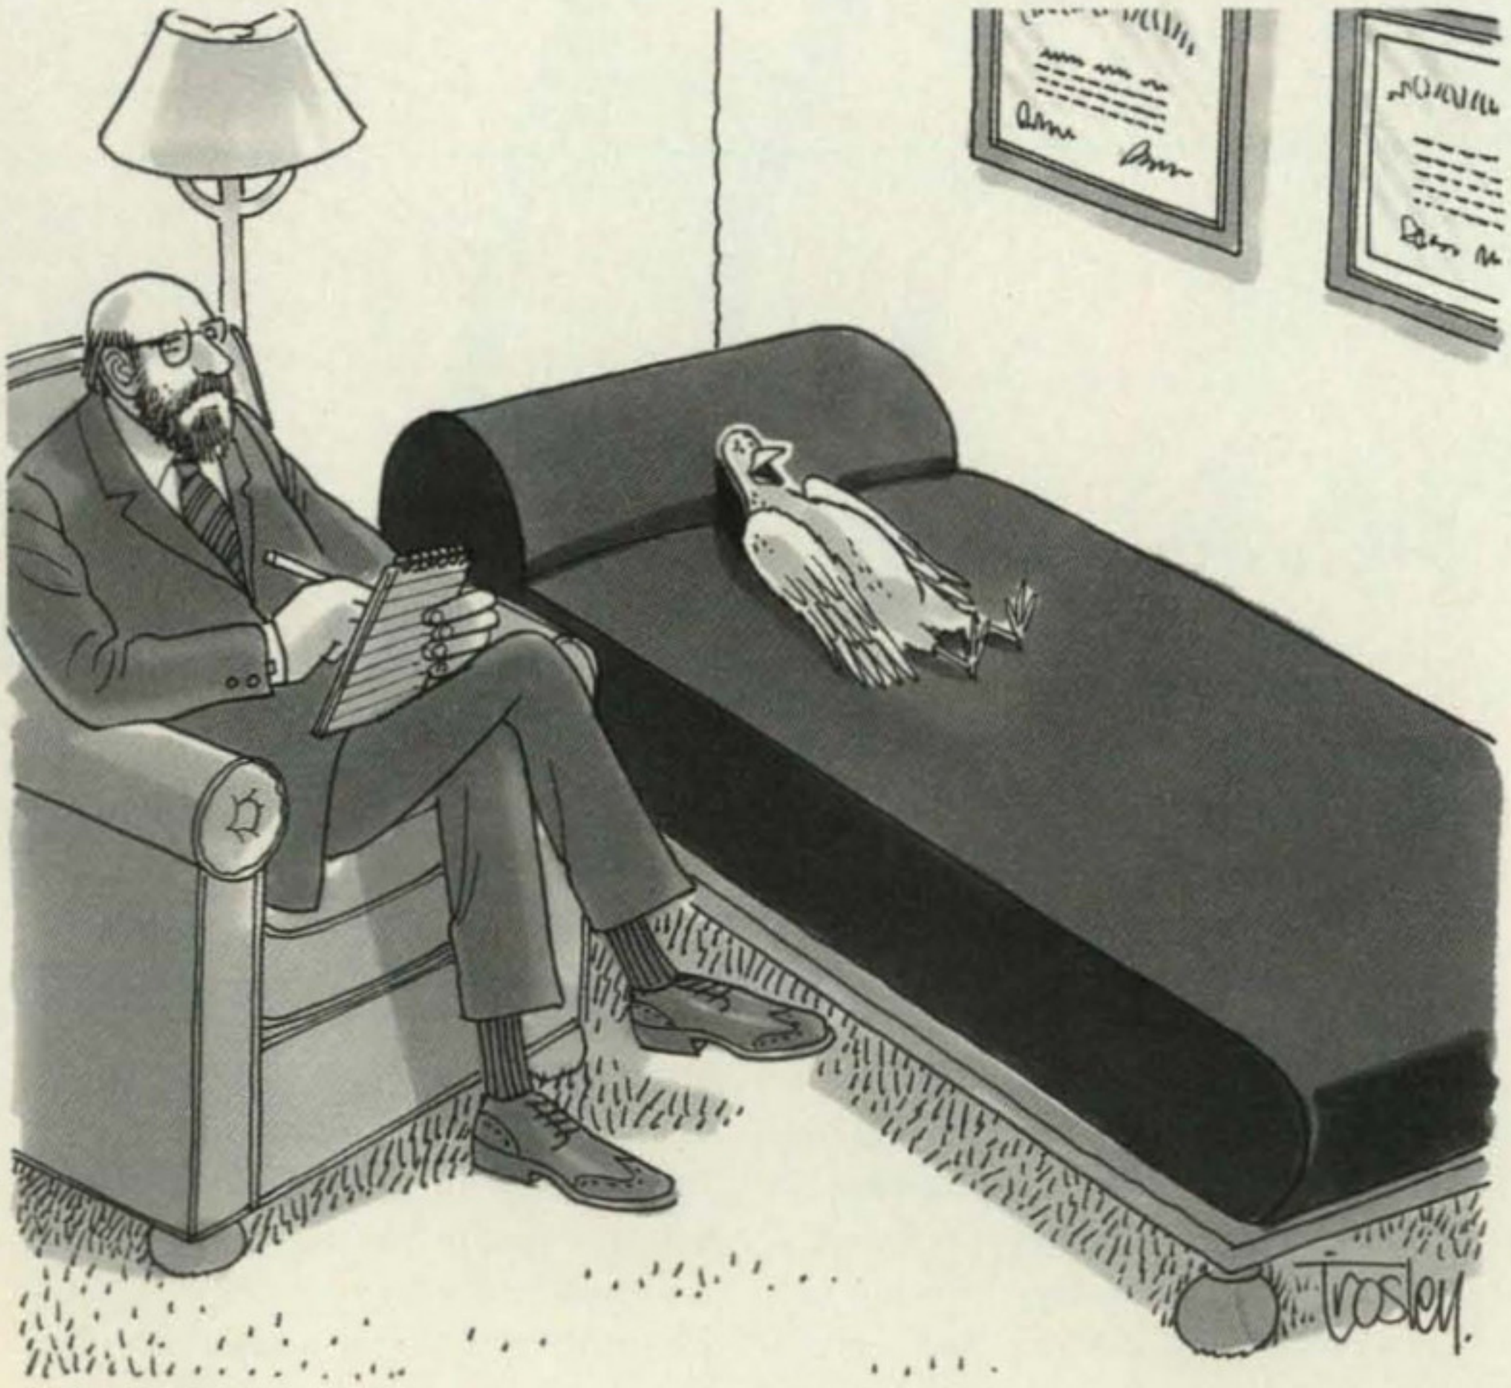

Rainbows raise a unified voice against the traditional American way of life, but they manage to appreciate some downright yuppie creature comforts. Lunch might include vegetarian sushi, pasta with meat sauce and raspberry muffins cooked in solar ovens. Chiropractic therapy and Swedish massage are available, as with everything else, free of charge.

"It's a low-tech utopia," says Day, a middle-aged hippie with a salt-and-pepper beard who owned a chain of restaurants before he joined the Rainbows. "We assemble everything necessary to build a society on a thousandth of what it would take in Babylon, and we share it. It's a *we*-conomy."

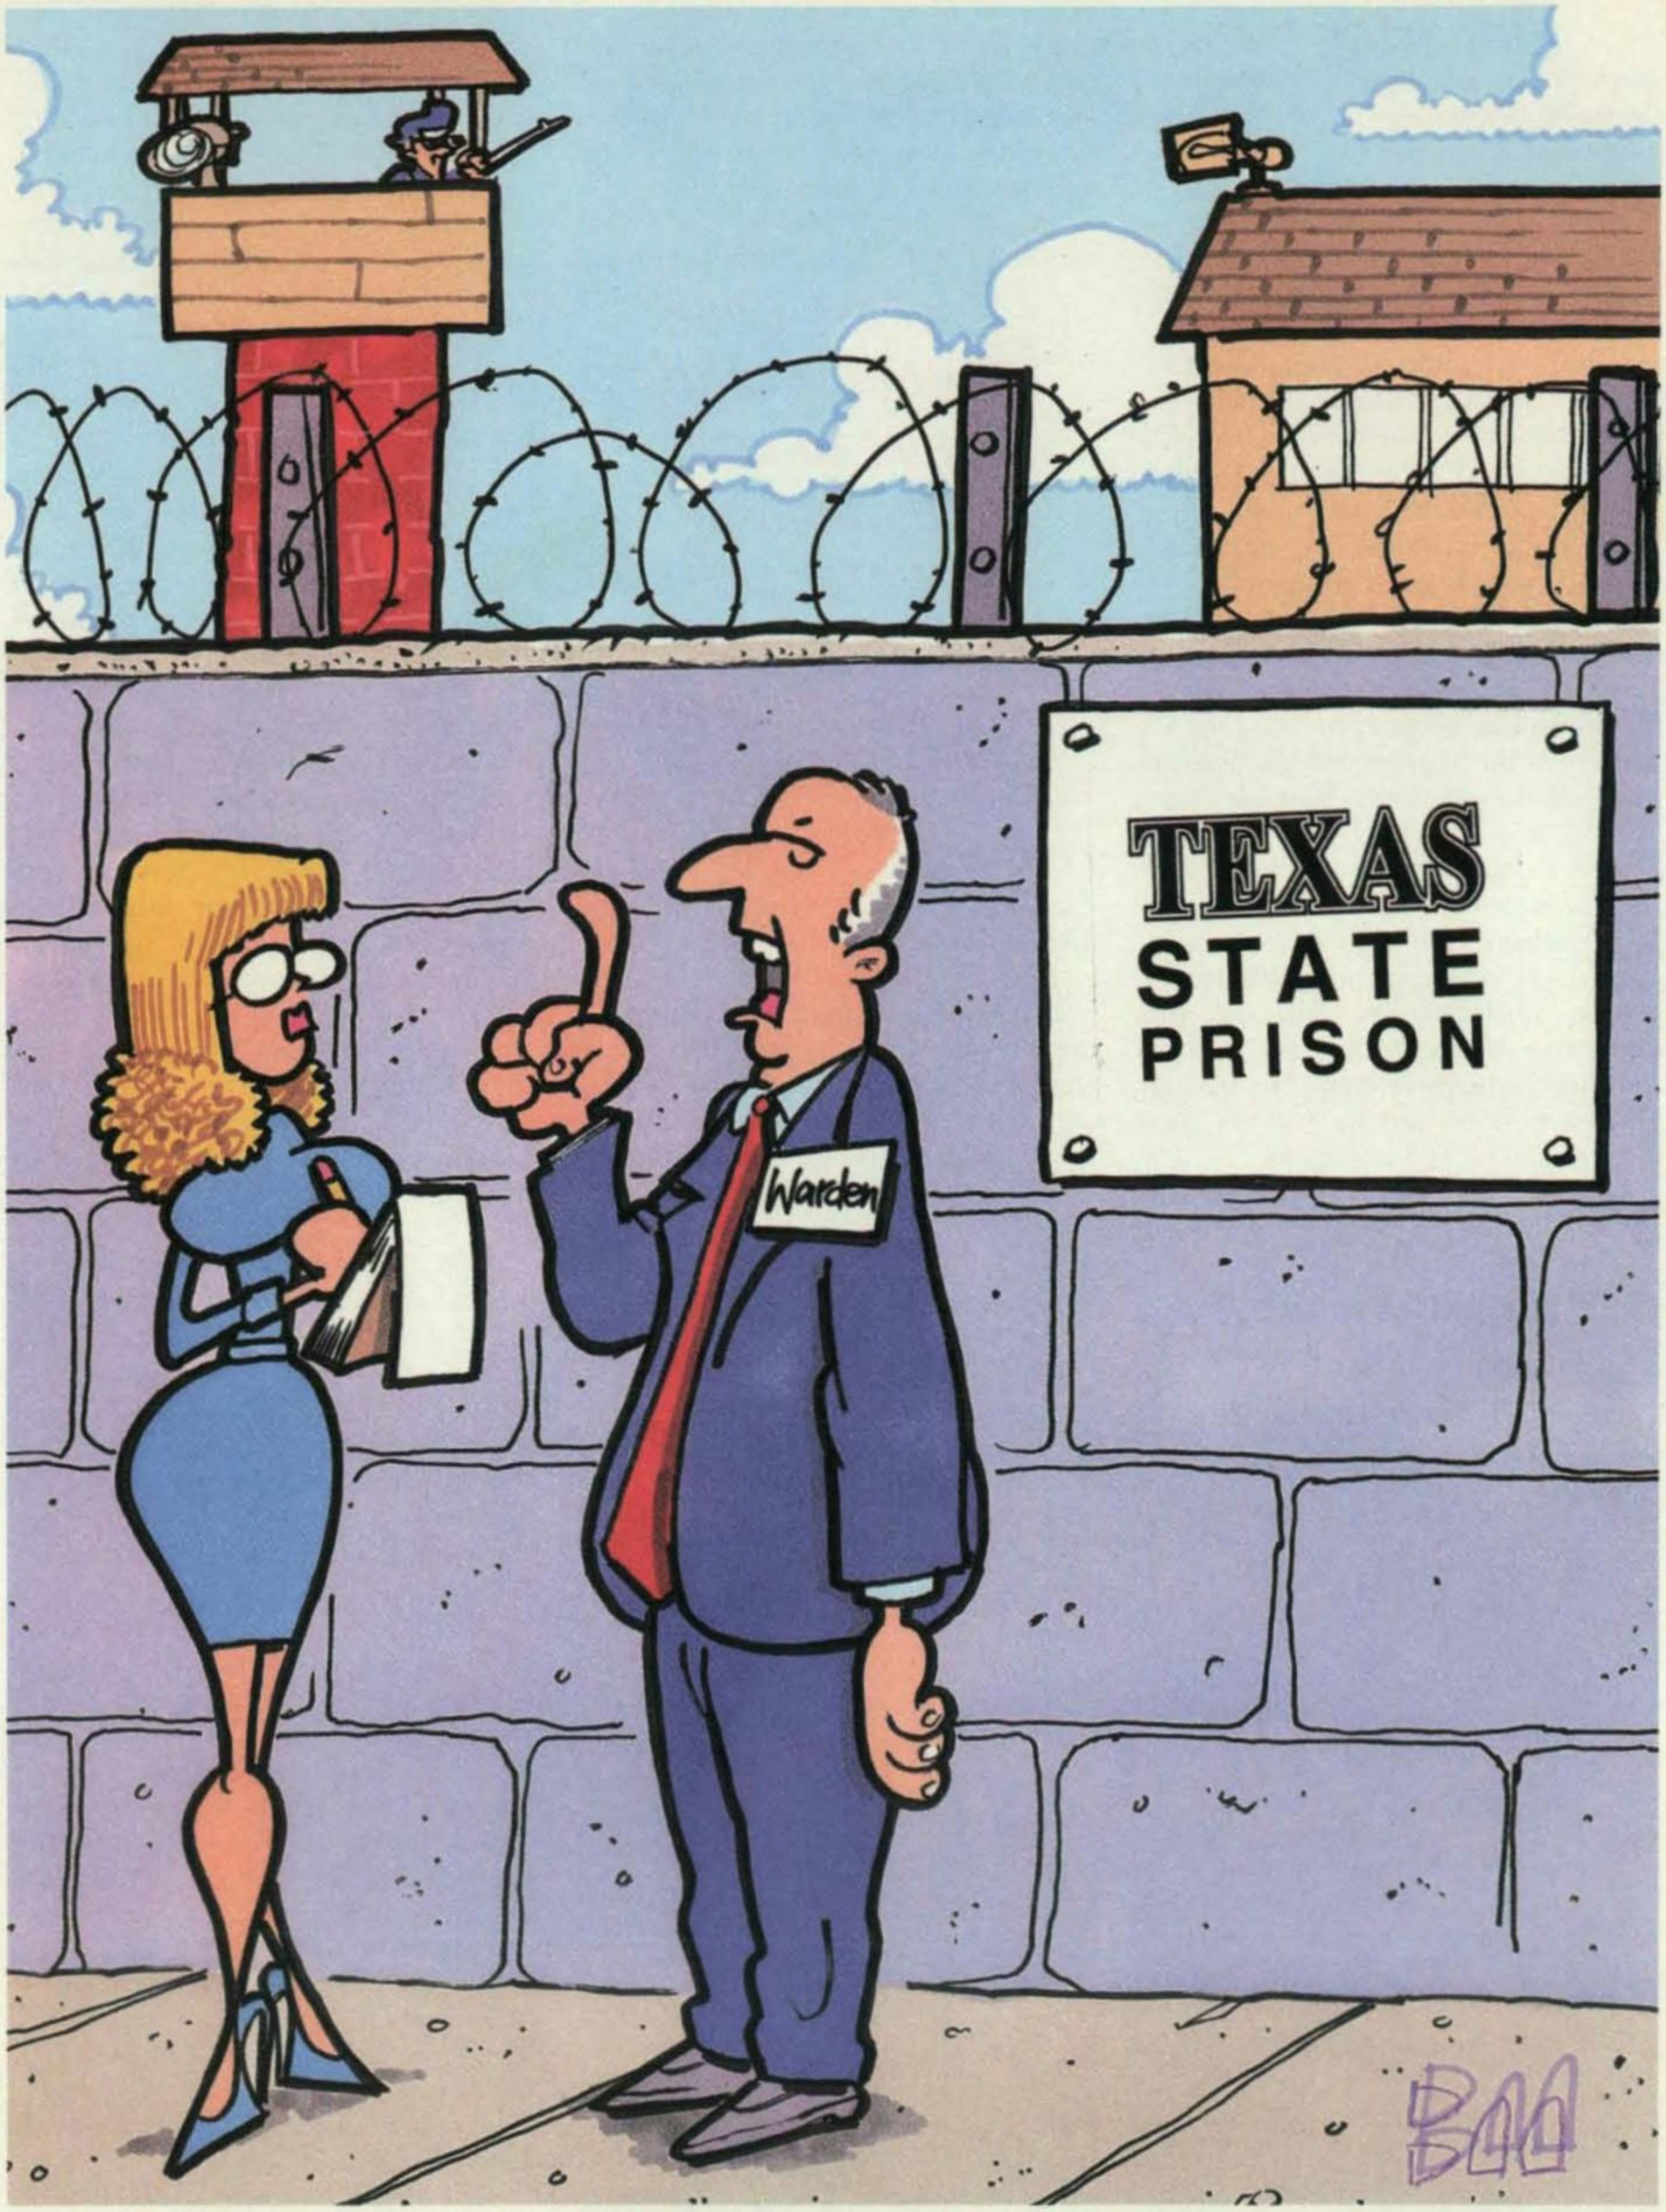

"One brings watermelons; one brings strawberries," says Briar Rabbit, an elderly gentleman from Texas with long, flowing white hair and a mustache.

Utopia, however, only extends to the end of the alimentary canal. Bathroom facilities, universally referred to as "shitters," are crude. The average powder room consists of a slit trench equipped with toilet paper and a one-gallon plastic jug with a mixture of bleach and water for hand washing. On occasion, an industrious shitter-digger will build a wooden-slat fence for privacy, but far more often, a crapper amounts to little more than a hole in the ground.

Owing in part to public-health concerns, local Montanans are less than enthusiastic about the woodland paradise that appeared overnight in their midst. In the nearby hamlets of Dillon

"When I was a kid, my mother used to eat a worm, then throw it up and make me eat it!"

"I can assure you, if any of our Death Row inmates are innocent, at least they're all nig...uh, African Americans."

Rainbow Gathering

(population 4,000) and Jackson (population 50), angry townspeople held community meetings in the weeks leading up to the arrival of the Rainbows.

"They are not welcome," says a woman who works at the Sinclair gas station in Dillon but asked not to be identified by name. "I wish there was something we could do to stop them."

Last year's Gathering, held in Pennsylvania's Allegheny National Forest, attracted 25,000 people. A similar number of Rainbows in the Big Hole Valley would quadruple the population of Beaverhead County, and give birth to the seventh largest city in Montana. With the Gathering scheduled to begin on July 1, Montana Governor Marc Racicot declared a state of emergency on June 12, triggering the flow of federal disaster-relief funds to southwest Montana.

The feel-good Rainbow vibe tends to cool considerably toward law-enforcement officers (LEOs in Rainbow parlance), who are sometimes followed by hippie escorts carrying video cameras, and are greeted with shouts of "guns in the church" or, more often, "six up," an Old West term meaning "the six guns are up."

"The fact is, LEOs break as many laws as anybody," says Red, a glassblower from Tennessee who wears blue overalls and a bright-red, full beard. "They pulled me over on the one-lane road coming in and said I was driving on the wrong side of the road. How can you drive on the wrong side of a one-lane road?"

"They've got us surrounded," Day says of the heavy law-enforcement presence. "They need us; we're the rationale for their existence."

The feel-good Rainbow vibe tends to cool considerably toward law-enforcement officers, who are greeted with shouts.

Indeed, the Beaverhead County Sheriff's office doubled its staff prior to the Rainbow Gathering and allocated an extra $88,500 for the additional salaries and supplies. The U.S. Forest Service spent $400,000 to set up a command center in the Dillon Middle School.

Rainbows regard this type of government expenditure as evidence of "cops on welfare" and an unnecessary waste, since they already have their own version of law enforcement, "Shanti Sena," whereby everyone is responsible for keeping the peace. Rick, the proprietor of Coffee Coffee, a cozy java shack, explains the Gathering's homegrown brand of justice.

"A sister was violated at a Gathering," Rick recalls. "A couple days later, she sees the guy who did it; so a bunch of us got him, and we duct-taped him to a tree. The sister helped cover him in honey to make him appetizing to bees and ants, and danced around him all night. You do something like that to anyone, and you have an entirely different person in the morning."

Numerous government agencies on hand to monitor the Gathering don't share Rick's confidence in Shanti Sena. Present at the Gathering are members of the Beaverhead Sheriff's Department, the U.S. Forest Service and, according to many in attendance, undercover agents from the Drug Enforcement Administration.

"The DEA's here to recruit slave labor for the prisons," says Eric, a fortysomething Rainbow who wears a wraparound tie-dye skirt. "Where else are they going to find people they can pay 12 cents an hour on a prison farm?"

In a trade circle that resembles a Moroccan street market, gutter punks, many of them with skewered noses and facial tattoos, sit on the ground bartering fresh oranges for glass pipes, toilet paper for Snickers bars, beads for blankets, anything for a sticky bud of weed. Marijuana, the primary social lubricant at the Gathering, is a highly sought-after commodity.

"Good Bud or Mushrooms," reads a hand-painted cardboard sign held by Cricket, a stringy teenager with a gap-toothed grin. Cricket sits naked on a filthy, baby-blue electric blanket; spread out before him are his wares: a half-full bag of toffees, a hunk of sun-blasted peanut brittle and a Madonna CD, without a jewel case.

Duncan, a squinty-eyed 17-year-old who wears tattered blue jeans and Doc Marten boots, sits under a small tree, dangling a glass pipe tied to the end of a handmade fishing pole. A sign reads, "Snail Tree Hangout. Zone 4:20. Sit Down. Do Nothing."

"I'm fishing for ganja," says Duncan, who explains that 4-20 is police code for a marijuana offense *(continued on page 101)*

Ingrid & Dan

Strokes of Art

Photography by **Clive McLean**

Is a gaping vage a work of art—

or is an empty hole incomplete without a meaty prick stretching it out?

Ingrid's rosy curtains beg to be penetrated by a tongue or veiny prong.

Her thirst for violation is primal:

"Don't make my pussy wait!"

There is a symmetry in a dick drilling a pink slot, pumping angrily until it spews the sticky seeds of lust.

Where will the spunk land? Ingrid's open maw pleads for spray.

Dan drips his spuzz down Ingrid's chin,

and the slut's oozing smile is transformed into a fucking masterpiece.

Rainbow Gathering

(continued from page 90) and, consequently, an excellent time of day to spark up a joint. "I got nothing so far today, but last night, a brother smoked everyone out at a drum circle. It was the *shizmit*."

* * *

Perched atop his horse on a hillside, Jerry Burns of the U.S. Forest Service surveys the welter of activity in the valley below. Wearing leather chaps, a cowboy hat, dark glasses and carrying a revolver in his holster, Burns looks every bit the western lawman.

"There's a lot of paranoia coming from the Montanans—people who have been here for generations," says Burns, himself a native of Lincoln, Montana, in the sparsely populated northwestern part of the state. "About half of it's justified, because they live off the land, and all these people in here cause erosion. But local people aren't used to this, these alternative lifestyles."

Burns trots slowly down into the Gathering site. He is promptly, and loudly, shouted at.

"Get off your high horse and embrace your fellow Americans," booms a voice that carries clear across the meadow.

A ragamuffin with dreadlocked hair approaches Burns, apparently with friendlier intentions.

"Can I ride on your horse?" she asks.

"Not today," Burns says.

"Come on—please?"

"I don't even let my wife ride my horse," Burns replies.

The girl scratches her arm through a hole in her ragged hemp sweater and looks up at the cop hopefully.

"Now you didn't swat any mosquitoes, didja?" Burns asks with a craggy smile. "Because killing mosquitoes is against the law out here, and I might have to write you a ticket."

Burns's teenage interlocutor is incredulous; she turns tail, possibly to relate the latest Forest Service abuse of power to her friends. Burns is kidding—there are no antimosquito killing ordinances in Montana, but federal laws are being vigorously enforced.

"The jails are full in Dillon," Burns says. "Felony drug convictions."

* * *

A small group of Rainbows sits in a circle in the shade of a pine tree; nearby, a score of tepees are arrayed in a defensive perimeter a quarter mile across. Barry "Plunker" Adams reclines in a folding chair, wearing leather pants, a leather vest and a hat; a knife with frayed duct tape around the handle hangs from his belt. Plunker, who describes himself as an "itinerant evangelist," relates the "hipstory" of the Rainbow Gathering to the small crowd.

"On July 4th, 1985, a pair of F-4 jets buzzed the Gathering; a sonic boom hit the ground," Plunker recalls. "In '87, in North Carolina, they had a 'Checkpoint Charlie' 24 hours a day, with automatic weapons and dogs, having people take everything out of their cars. In Texas in '88, there was also a lot of hassle; in 1972, Governor Buddy Love called this a 'hippie riot.'

"The government wants one of us to sign a permit, to take responsibility for everyone else. They want one of us to kiss their ring."

"The government wants one of us to sign a permit, to take responsibility for everyone else. Who's going to sign this thing? We have no process for choosing a paper chief. I'll never sign a permit to pray on national forest land that we the people supposedly own. The right to peaceable assembly is right in the First Amendment. Since we refuse to sign, everyone here is liable to catch a $500 fine and 90 days in jail. They want one of us to kiss their ring.

"I fix fences for a living," Barry adds. "If I have to do six months so that people can have a Gathering, I got no problems, baby."

A nearby hippie, wearing glass beads in his thickly dreaded hair, interrupts Plunker's "hipstory" with a shout. "Six up!" he calls at the top of his lungs.

"Six up," echoes a second, more distant voice.

Plunker looks down the path; a man wearing aviator glasses, a pale-green Forest Service uniform, a green cap and a backpack approaches.

"Ah, six up," Plunker says reflexively, his eyes trained on the LEO. He adds, under his breath, "Gene Smalley—safety officer. Been around for a bunch of years. He's one of the nasties."

"Barry, good to see you," Smalley says as he steps into the circle; beads of sweat trickle down his doughy face.

Plunker doesn't rise from his beach chair, but he smiles and stretches out his hand. "Hey, Gene. (continued on page 106)

"Have low self-esteem someplace else, Joanne.... I gotta take a shit!"

Rainbow Gathering

(continued from page 101) How you doing?"

The two shake hands; Smalley squats down in the grass. "Barry, one thing I wanted to pass on—the fire reaction team will be looking for landing zones on the main meadow, and they're going to fly over to ID sites."

"It's good that you told me that, because there are a lot of fight-minded sisters, and a lot of brothers, who are likely to see that as a threat," Barry retorts. "Tell them not to come too near to the ground, because unauthorized entry could cause a lot of panic, bullshit, et cetera. You'll probably get lots of 'fuck you's. What else is going on?"

"We always have concern pertaining to sanitation," Smalley says. "The dogs, of course, don't use the shitters. I also have concerns about fire dangers, with the kitchens."

Barry, appearing to have had this conversation before, cuts Smalley off.

"Gene, before this Gathering is over, you're going to write me a ticket; I am going to hold you responsible, and I will sue you," Adams says. "I've been ticketed five times, been to court five times, and I won five times."

Smalley, refusing to confirm or deny Plunker's suspicions, excuses himself.

"Signing a permit means that they can tell us where to gather, how to gather, which includes porta potties, and at some point, when and how many people," Barry explains. "They could require us to post a $750,000 bond for police and sanitation costs. We're just doing our thing, and the government is just doing its thing too, but that means the Feds can't leave us alone."

"We're just doing our thing, and the government is just doing its thing too, but that means the Feds can't leave us alone."

Two days later, Barry "Plunker" Adams, along with two other "obvious leaders," is issued a ticket for "occupation of national forest land without authorization."

* * *

At night, modern primitives zone into a trance around a slit-trench fire pit where, earlier in the evening, fire walkers pierced their flesh with hooks. A bearded, swarthy flutist, his face lit by the orange flames, is accompanied by drummers pounding out jungle rhythms. Up the path, a clutch of sisters sits by a flickering fire under a tarp. The mood is quiet; many of the women wear saris. "I'm trying to articulate the vibration," says a woman wearing a turban. "Then I'll transfer the vibration. Om is all."

Tiki torches lead past a small tepee under a California Republic flag strung between two large pines. A sinuous forest path wends downhill to the Lovin' Ovens, where crowds of people are perched on log benches.

Word has gotten around that a well-heeled hippie benefactor went to the Safeway in Dillon and bought four cases of tomato sauce, ten blocks of cheese, 100 pounds of flour and all the bell peppers, tomatoes and mushrooms in stock for an all-night pizza party.

Under a canvas canopy, on sturdy log tables, volunteers, many of them hairy, bearded road dogs, roll out pizza dough. Under the same tarp, a pair of banjo players pick classic bluegrass tunes. As hot trays of sausage pizza come out of the ovens, the crowd surges forward; hands reach for food as in a refugee camp.

Around an adjacent campfire, a string quartet, made up of a stand-up bass, a mandolin and two guitars, covers "Bombalayao."

"Instead of bringing picks, we've been cutting up credit cards," the mandolin player says.

The Lovin' Ovens crank out prodigious amounts of pizza; after the last tray is served, the crowds disperse. The quartet continues to play deep into the night, until the campfire dies down to embers. A teenage girl wrapped in a blanket brews strong coffee from a large iron kettle until the last of the grounds are used up.

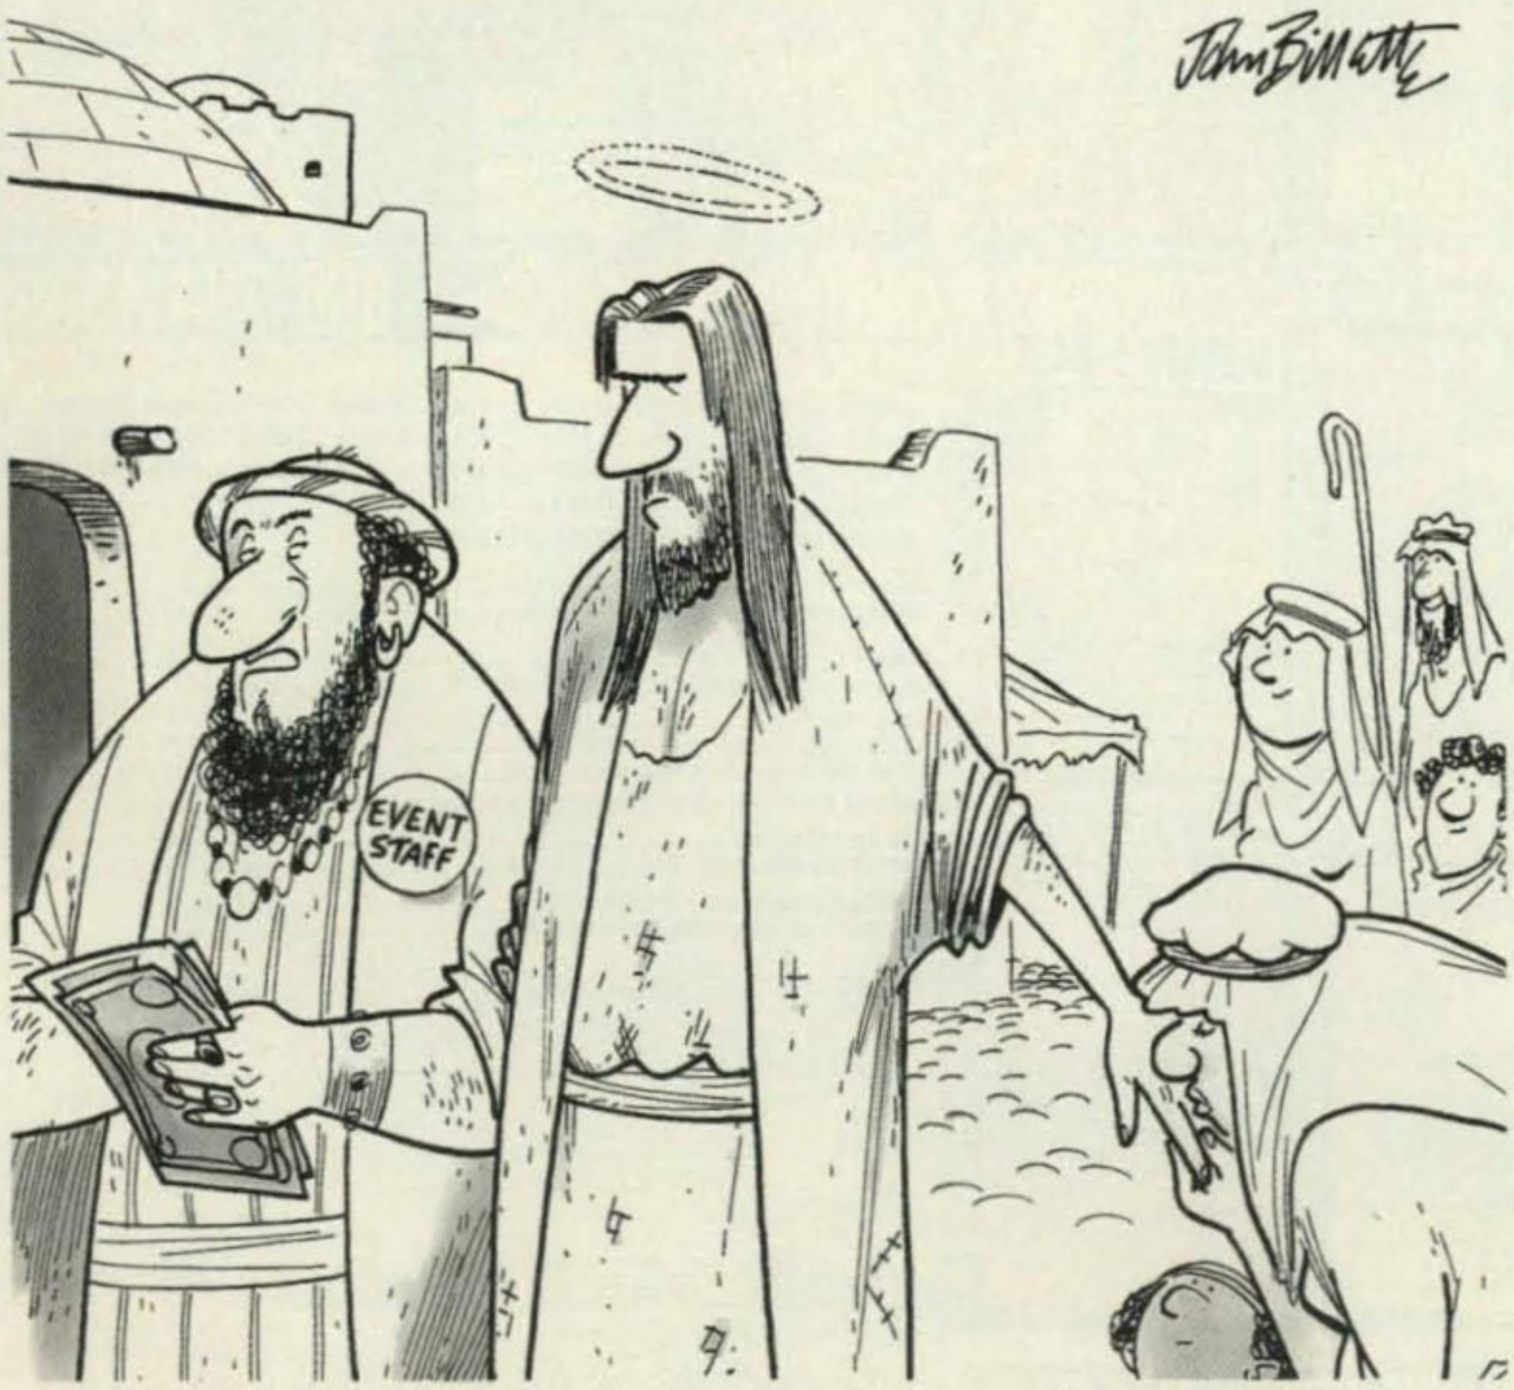

Jesse, a comedian from Baltimore, circulates among the late-night stragglers, distributing LSD from a seemingly endless supply of doses. Jesse suggests the best way to round out an evening at the campfire: "Take some mellow acid, some mushrooms, and chase it with a Demerol."

In the near-darkness, a digital "reality meter" beeps.

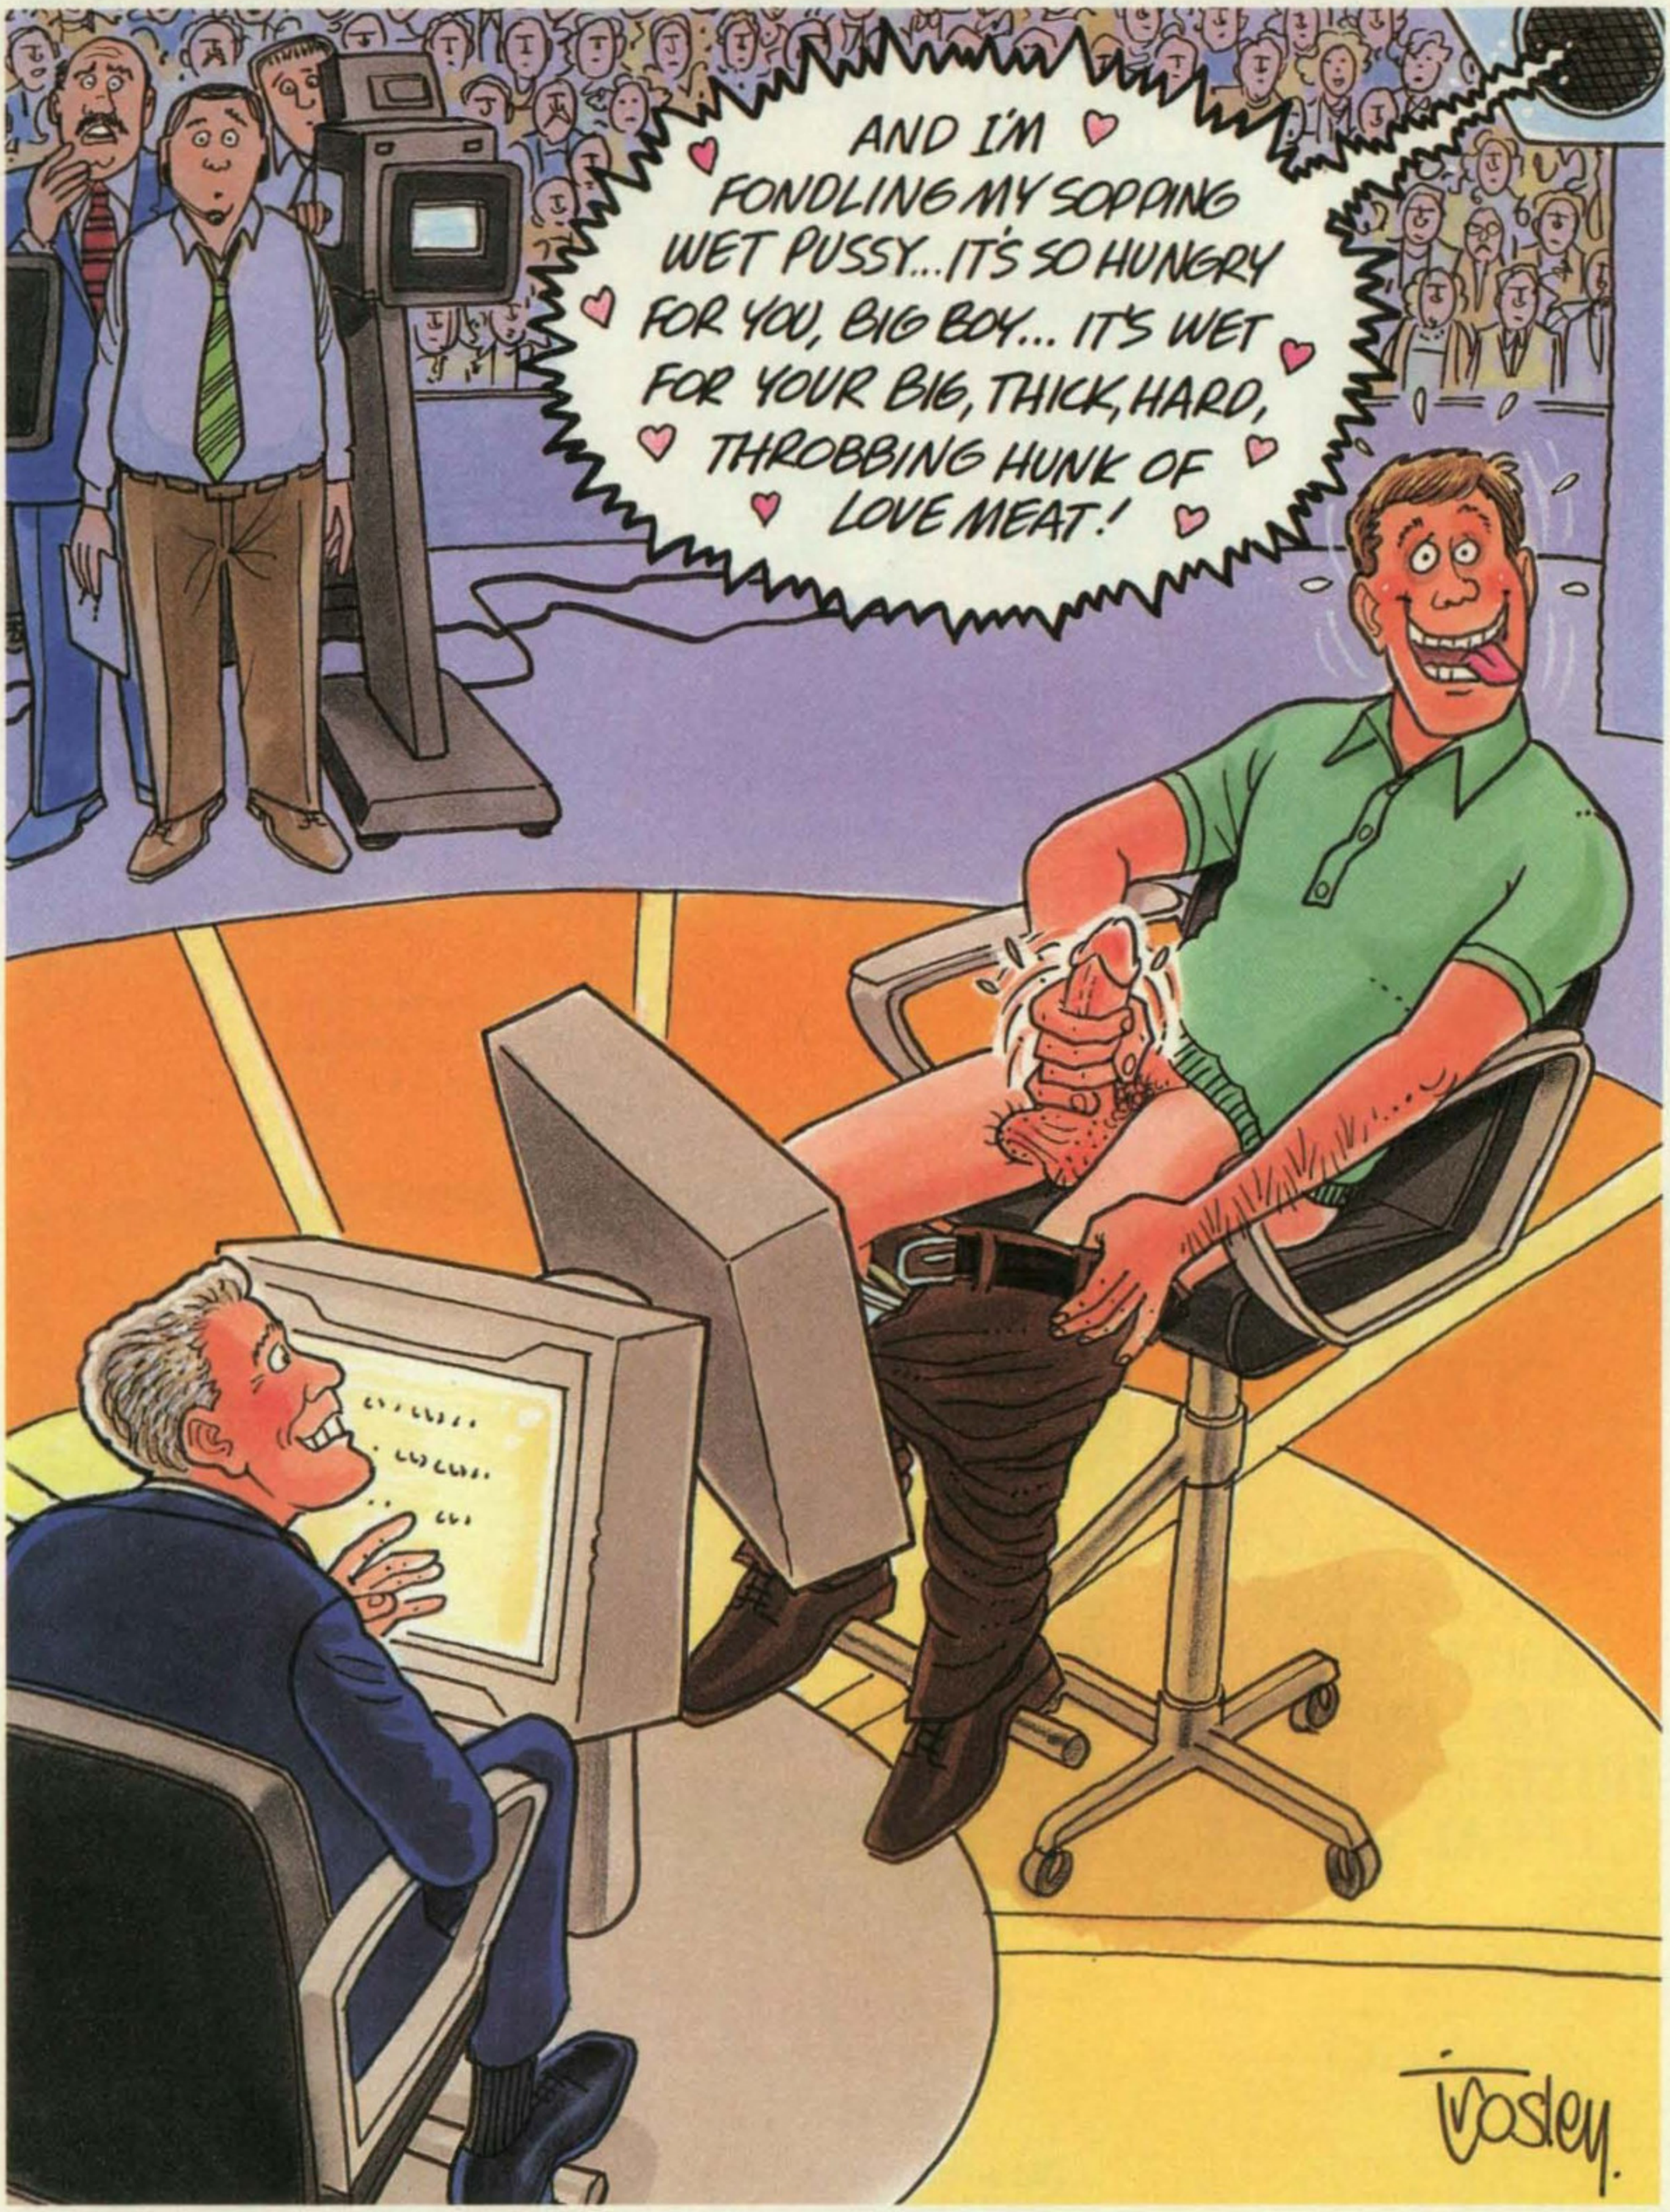

"Hey," a voice says. "It's 4:20."

"Four-twenty!" a second voice hollers out in a lingering cry.

The call is picked up from the woods nearby and, accompanied by ululations and howls, carries through the dark forest.

"I'm telling ya—we do better fund-raising with less preaching, more miracles."

"Gee...no one's ever used one of their 'lifeline calls' for phone sex before...."

Syracuse, New York, is home to Carmen. The 24-year-old dancer cites reading and swimming naked as her two favorite pastimes. For kicks, Carmen would like "to have sex with two girls while my boyfriend watches."

—Photo by Friend

Tina, 29, is a karate instructor from Lindenwold, New Jersey. The blond martial artist gets her kicks from skiing and "watching scary movies." Despite the cautionary lessons taught by her favorite genre of films, Tina's fantasy fuck entails "making love in the woods."

—Photo by Friend

Maritza's motto must be, "Bottoms up." A bartender from Oak Harbor, Washington, Maritza spends her time playing guitar, posing nude and trying to invent new drinks. The mixologist's idea of the ultimate happy hour is "to be with a beautiful girl or two."

—Photo by Friend

Jamie's blissed-out, puppy-cradling demeanor belies a volcanic carnal temperament. The orgasmic 26-year-old dancer from Little Rock, Arkansas, likes "fucking and sucking," and hopes to have "sex with lots of bitches while my husband jacks off." —Photo by Husband

Violet's a 20-year-old entrepreneur from Seattle, Washington. Playing guitar, snowboarding, painting, making candles and singing are some of the active blonde's favorite diversions. If we were lodged up with this gorgeous Beaver, our only hobby would be Violet.
—Photo by Husband

Kayla, an exotic dancer from Lafayette, Louisiana, takes a much-needed break. The wild 22-year-old loves sex in the park and dreams of "urinating on my boyfriend before engaging in anal intercourse." If Kayla's tired, her beau must be exhausted.
—Photo by Friend

Videotaping deer and hunting ducks are Nikki's favorite outdoor pastimes. The 31-year-old vixen from Leland, North Carolina, is equally enthusiastic about indoor fun. Nikki hopes "to be able to make love with my husband on the Internet." —Photo by Husband

Exotic Esmerelda is an administrative assistant from Tampa, Florida. The sultry 32-year-old is a self-avowed nightclubber and fitness nut, but also enjoys the domestic calm of sewing. Ever mysterious, Esmerelda remains elusive when it comes to her fantasy, stating, "I've made mine come true."
—Photo by Husband

After a romp in the cold, Amber's fantasy of "me, four other girls and a hot tub" is the ideal way to warm up again.

—Photo by Boyfriend

Misty, 27, poses for a nude snapshot on a secluded beach. The shapely business owner from Bradenton, Florida, likes movies, theme parks and taking lots of photos. "I really like a good, hard fucking," Misty admits of her sexual preferences. Let's hope Misty catches her next bang on film.

Alicia's into waterskiing, horseback riding, swimming, tennis and Tae-bo. It's no wonder that the 27-year-old dancer from Dayton, Ohio, has such a supple bod. "Having sex with three guys at once" is Alicia's idea of a real workout. The waiting list at Alicia's gym must be a mile long.

—Photo by Boyfriend

Cowboys in Grand Junction, Colorado, have a favorite filly, and her name is Teresa. The 30-year-old housewife is a fan of dancing, fishing and motorcycle riding. Teresa's dream of "making love on a mountainside with a crowd down below" is sure to enlarge her following.

Porn Addicts

(continued from page 72) six-month stay at Pure Life Ministries, a cultish retreat founded by former Los Angeles County Sheriff's deputy and recovered porn fiend Steve Gallagher, in rural Dry Ridge, Kentucky, 30 miles from Cincinnati. Promising to break "the power of sexual addiction through the truth of God's word and the power of the cross of Jesus Christ," Pure Life strives for nothing so modest as a "secular" check on a porn-dog's habits, but rather, a total indoctrination to banish all sin.

"Illicit sexual behavior is sin," Gallagher says. "When you're dealing with sin, you have to deal with it from a biblical, godly perspective."

"It got to the point where I said, 'I'm tired of this sin destroying my life, and I will do whatever it takes to get this sin out,'" testifies Ken Halcomb, a Pure Life alumnus who claims that images from a stroke magazine he found behind his boyhood home haunted him for the rest of his life.

For a six-month stay at its no-frills, plantation-style home, Pure Life Ministries charges $3,600. Since insurance doesn't pay for treatment, residents are expected to hold down day jobs, which typically entail work in light manufacturing plants in the area.

Since Steve Gallagher eschews modern psychological therapies, his patients congregate every day for "meetings of daily devotion" and receive "biblical counseling" from the in-house staff.

A world away from Pure Life Ministries is a posh Arizona rehab center called the Meadows. Located in the "high Sonoran desert, with mountain views and clear skies," the Meadows boasts a staff that includes new-age guru John Bradshaw, best-selling author of *Healing the Shame That Binds You*, as well as Clinical Director for Sexual Disorders Dr. Patrick J. Carnes—the granddaddy of sex addiction, who penned *Contrary to Love: Helping the Sexual Addict*.

"The morals police can't get their minds around the idea that their own preaching often nourishes the conduct they're trying to prevent."

An Internet questionnaire designed by Dr. Carnes specifically to identify smut addicts asks a series of questions, including: *Have you stayed in romantic relationships after they became emotionally or physically abusive? Do you often find yourself preoccupied with sexual thoughts or romantic daydreams? Do you hide your sexual behavior from others?*

Almost any regular guy who provides honest answers to these questions could very likely wind up with an online referral for treatment at the Meadows. Unfortunately for the long-suffering porn junkie, the slick expertise and the mountain views at the Meadows come with an exorbitant price tag.

An intake counselor at the Meadows says that the "average" cost of treatment runs a cool $32,100 for a 35-day sojourn, "although there may be extra costs for extended services." The counselor adds that insurance "usually" picks up the hefty tab, though she notes that "there has to be a medical necessity."

During the five weeks of treatment, patients attend 12-step programs and group therapy sessions; receive art therapy, acupuncture, nutritional counseling; and watch educational videos. Scheduled lectures draw heavily on new-age psychobabble for inspiration, with talks titled "Cognitive Distortions" and "Addictive Cycle System."

Carnes himself, occupied in writing books and running training seminars for the next batch of sex-addiction professionals, is usually too busy to personally wean mad whackers off XXX.

* * *

Columnist T. George Harris, the former editor of *Psychology Today* and the *Harvard Business Review*, takes a dim view of the hysteria induced by self-serving antiporn crusaders. "It's worth remembering that during the Spanish Inquisition, the monks fabricated the confessions of the heretics they burnt at the stake," Harris points out. "And when those forced confessions began to wear out, they just invented more lurid ones."

Indeed, if Rice-Hughes and her fellow demagogues are truly concerned about fostering the well-being of people zonked on porn, they only need to cease their own chest-thumping.

"The morals police can't get their minds around the idea that their own preaching often nourishes the conduct they're trying to prevent," Harris says. "By building up porn into a 'forbidden fruit,' they actually encourage people to spend their whole lives chasing after it."

"So, if black guys have big dicks, does that mean black chicks have big pussies?"

"I found this out in the middle of the street...thought you could use it."

Our 20 million customers tell us the Dr. Bross pumps are #1

We receive thousands of letters and photos from satisfied customers – too many to print here. This is what some of our satisfied customers say about the Dr. Bross Pumps...

I thought you might want to see some before and after pictures. That's a picture of me when I just got your pump. I was about 4 inches. After using your pump you can see the other picture I am now 9 inches. Of course the women I go out with love my new cock.I am very happy but I am going to try for 11 or 12 inches. **C. P., California**

I tried bulb pumps & centric pumps...nothing happened. Then I tried Dr. Bross' Easy-Touch Pump & it was fantastic. I went from 7½ inches to 11 inches. It was real easy to use. This pump is a miracle. I recommend it to anyone who wants a bigger cock. The pump did what you said it would do, enlarge my penis. I'm very happy with the results and so is my wife. Thank you. **A. R., Texas**

Adult video actor Jon West tells us the Dr. Bross Pumps are #1...

"The Dr. Bross Pump is fantastic. I use it and so do many adult video actors. For total penis enlargement, to make you thicker, longer and harder."

DR. BROSS PENIS PUMP EXCLUSIVE FEATURES NOT FOUND ON OTHER PUMPS

The Penis Pump adjusts to the size of the penis inserted in the cylinder. Our Power Vacuum Controller then adjusts the correct amount of vacuum you personally need for your penis enlargement.As you grow in size the Power Vacuum Controller continues to adjust to your penis size to give you Maximum Penis Enlargement up to 12 inches!

Exclusive injection molded totally enclosed Vacuum Seal clear cylinder Guarantees 100% Vacuum and no air loss.

The Dr.Bross Penis Pumps are designed specifically for Penis Enlargement. For Maximum Penis Enlargement you need the best Penis Pump and the best Penis Cylinder.Many of our customers also tell us that the Dr.Bross Pumps gives them incredible sensations for masturbation.

HOW IMPORTANT IS THE PENIS PUMP CYLINDER?

Other cylinders are made from raw plastic hollow tubing flat at the top, cloudy and color tinted which makes it difficult to see your penis inside the tube. This hollow tube is glued to a pump and you don't have a closed connection.You have air loss and so you do not have the correct vacuum needed for penis enlargement.. The flat top of the tube prevents air from flowing to all surfaces of the penis and so there is no "surface vacuum" A hard rubber ring is used at the end of the cylinder.

Now look at the Dr. Bross Penis Cylinder. The Dr. Bross Penis Enlargement Cylinders are made of the highest quality injection molded crystal clear K-Resin for strength and totally enclosed to prevent vacuum loss. Notice the shape of the Dr.Bross Penis Cylinders. The Cylinder is curved and conforms to the shape of the penis.This means the air flow travels continuously around the penis which creates a "surface vacuum" on the penis shaft which causes the penis to grow beyond your wildest imagination. Now you have a longer, thicker and harder penis up to 12 inches! Added feature is the insertion ring at the end of the clear cylinder that can be adjusted to fit any size penis comfortably.All of the Penis Cylinders shown here can easily be cleaned.

INDEPENDENT TESTING COMPANY SAYS DR. BROSS PENIS PUMPS ARE #1

Tests determined the effectiveness and reliability for each pump. Squeeze bulb pumps did not create the correct vacuum needed for penis enlargement. The one piece battery pump wiring and motor rusted after cleaning and the electric pumps use a small fish aquarium motor converted from blowing bubbles in water to suck air. Both pumps did not create the correct vacuum needed for penis enlargement.

The Dr. Bross exclusive power vacuum controller creates and sustains the correct vacuum needed for penis enlargement. This feature is not found on the other pumps. The Dr. Bross cylinders are made of the highest quality injection molded clear Resin-K for strength and to easily view the penis enlargement. The cylinder is totally enclosed to prevent vacuum loss. The other manufacturers cylinders were cloudy and had a color tint and the plastic was cut from straight raw tubing and glued to the pumps.

After all of our tests we have determined that the Dr. Bross Penis Pumps are far superior to any other vacuum pumps for Penis Enlargement. For the most features the Dr. Bross Easy-Touch Penis Pump has the highest rating of all penis pumps.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both women and men. He is responsible for the production of numerous educational sex videos.

All of Our Pumps Are Made in the U.S.A. www.enlarge-penis.com

The Pump is directly connected to the side of the clear Penis Cylinder. The air flows evenly and smoothly from the Pump to the clear Cylinder for faster vacuum response. Only a couple of strokes from the extra long 10 inch piston assembly is all you need for Penis Enlargement. The low cost makes it possible for anyone interested in Penis Enlargement to have a Dr. Bross Pump. **Reg. $65.00 now only $19.95**

Exclusive design with Direct Sealed Penis Pump connection to the clear Cylinder. Instead of a one piece centric pump, with the Dr. Bross Power-Flow Pump you can remove the Pump for easy cleaning of the Cylinder. The Power-Flow requires a minimum of pumping to achieve Penis Enlargement. For men who want immediate results in the shortest possible time. **Reg. $90.00 now only $29.95**

Features the only enclosed self-contained motorized housing battery pump. One hand operation. Press the switch to start and release your finger to stop the motor. You have complete control for continuous vacuum for Penis Enlargement. Important Exclusive Features: The self-contained motorized electronic unit can be removed to clean the clear cylinder tube. Other battery pumps with parts imported from the Orient have the motor, wires and batteries attached to the tube and with use and cleaning will rust and damage the motor and batteries. Includes the exclusive Dr. Bross clear injection molded cylinder for easy cleaning. **Reg. $260.00 now only $79.95**

Hot Letters

Jizz spewed up my tunnel, bubbling like lava into my womb. Billy wrenched my titties, roaring like a poltergeist.

(continued from page 30) bed, I dissolve into sobs. I've come so much that my cunt hurts and my nipples are raw with unquenchable longing.

I was unbearably shy before I met Billy. My acne was at its worst. I shuddered at the sight of my cow-udder breasts and lumpy thighs. My lank hair hung on my skull like a dishrag. I was working at the Star Plus Convenience Mart, and I couldn't bring myself to look customers in the eye. I spent my nights in bed eating Chunky bars and crying over the *Weekly World News*. Then Billy started to frequent the store. Billy looked so handsome and dangerous. He slicked his hair like Elvis and wore leather. He'd buy cigarettes, then hang around and make small talk. After two months of loitering in the Star Plus, Billy asked me out. We dined at the best steak house in town, and then he took me to his apartment.

I sat on Billy's leatherette couch and bit my nails. Billy brought me a wine cooler and told me I looked like a little doll. My eyes went wet.

"I'm not pretty," I choked. "I'm big, and my skin is awful."

"You're a vision," Billy panted. "I'll prove it to you."

Billy led me to his bedroom. He opened a huge closet lined with fancy lady's dresses.

"I'm not a faggot cross-dresser," Billy explained. "I collected this finery especially for you. I'd like to dress you."

Billy lovingly thumbed through the glamorous wardrobe. He emerged clutching a sequined sapphire tube dress. Billy approached me and carefully removed my frumpy pullover and calf-length wool skirt. I was ashamed of my body, glowing stark white in bra and stockings, but Billy's touch was soothing. He slipped the glittering diva gown over my lumpy figure.

"My cock is so hard, it's giving me a headache," Billy's voice quivered.

I worried about my posture. Billy scurried back into the closet to select a pair of high heels. He chose a strappy, sapphire set with kitten heels. Kneeling at my feet, Billy nibbled my toes before sliding them into the pumps. He draped a white feather boa about my shoulders.

"Look in the mirror," Billy entreated, unzipping his fly. His beefy dong boinged out of his slacks. "You're a vision."

At first I thought I looked like an unattractive woman in decorative wrapping. But as Billy's paws crept around to cup my heavy tits, his hard-on pressing fixedly against my backside, I appeared sexier. My once-saggy boobs became buoyant and firm in Billy's palms. My pouched belly smoothed beneath the sparkling material of the dress. My skin was radiant, my curves arresting. My snatch dribbled juice.

"I'd like to fuck you from behind," Billy announced, "if that's all right."

My loins ignited. It had been two desolate years since I'd had sex. I crouched on all fours. Billy peeled the bedazzling fabric away from my rump and jabbed his tongue into my aching slice.

"I'd forgotten what it felt like," I panted. "Suck it harder."

Billy's mouth sealed over my cunt and slurped. His tongue beat like a heart inside my pussy. Billy pulled his peter, creating rapid swishing sounds. My clit was swollen and hot to the touch. Girl goo drizzled into Billy's maw. My ecstasy was so intense, I feared I would pass out. I was already coming.

"*Good God Almighty!*" I wailed, my ass bucking uncontrollably.

Billy steadied my behind and aimed his dick at my slit. The hefty slab punched into my canal, slamming straight into my cervix. A guttural growl rumbled in Billy's throat. It sounded like the demon who possessed the little girl in *The Exorcist*. My heart raced.

"Pussy, pussy, *pusspusspuss*," Billy chanted, pounding my canal.

Billy fucked me like a dog. He slapped my tail so my cheeks burned. He hooked his fingers into my mouth while his cock pumped in and out. His fingers jabbed violently into my butthole. He wrapped the boa around my neck and tugged until I could scarcely breathe. My coochie exploded again. I wailed like a stuck pig.

"Take it! Love it!" Billy intoned, his thrusts intensifying. "I'm coming in your sorry hole."

Jizz spewed up my tunnel, bubbling like lava into my womb. Billy wrenched my titties, roaring like a poltergeist. His body collapsed upon mine, flattening me against the floor. A rivulet of semen twisted slowly from my snatch. Sliding off my back, Billy became tender again.

"Precious angel," Billy sighed.

We crawled into bed. Billy slept; I held his flaccid dong and wept quietly. *I'm a real woman. I'm a perfect creature.* It hurts to need someone so bad. Without Billy there to stab my twat and make me scream, I'd simply perish. —L. G.

"In the spirit of political correctness, we've changed the name of the crayon formerly called Nigger-dick brown to African-American-penis brown."

Melora's Tool of the Trade

"I hate to be bored," groans bratty young blonde Melora. "And when I'm not getting fucked, I'm bored."
Ennui quickly subsides when the spoiled princess
remembers her talent for self-gratification.

"A hot finger-fuck can pass the time until I find a dick to stretch out my fun hatch, but my hand tires out after four or five orgasms."

The lazy slut slips a buzzing chrome vibrator into her box for a long-haul climax.

"I love to come until my cunt is sore.

When my snatch aches so bad that I can't walk, suddenly boredom is less of a concern."

SIZE DOES MATTER!

EVERY DAY SINCE 1965 MEN IN 68 COUNTRIES ARE USING THE SUPRA-12 SYSTEMS!

WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!

The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis **increases in diameter and thickness.** By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in **A DRAMATICALLY LONGER, THICKER ERECTION.** Users of SUPRA-12 say they're **"truly astounded"** when they see their penises reach **startling new proportions** inside the chamber of the SUPRA-12. **And you will be, too!**

THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!

Getting a huge, fat erection is one thing... *keeping it* is another!! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the **biggest size possible in the shortest amount of time.** And with the SENTRY Prolong Ring, you **can stay as hard as you want, for as long as you want. Our Sentry fits any size penis,** maintaining **your dynamic "super erection"** indefinitely, but never interfering with your pleasure – EVER! *You can penetrate your sex partner deeply, enjoying intercourse more than ever, because the Sentry* ***GIVES YOU COMPLETE CONTROL!***

SAFE & EFFECTIVE... INCREDIBLE VALUE... 4 MODELS AVAILABLE!

According to **U.S. News and World Report,** our Vacuum Pumps and Erection Rings are "simple, safe, and effective..." (8/24/92). The SUPRA-12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that's an international "Best Deal!"

BUY DIRECT & SAVE UP TO 75%

Coming Next Month in HUSTLER

Romance Friction

Be prepared to receive a 160-page valentine when the February 2001 HUSTLER hits the stands. Life is like a chocolate box when a comely voodoo princess works dark magic using her charmed snatch. Seafood-starved tramps cast aside their rods and reels to lick tuna by the water's edge. A swimming nymph has her blowhole and other orifices plugged by a beefy snorkel in a dripping boy/girl pictorial. Take a nostalgic trip with a bobby-soxer who shows where her favorite grease monkeys slip their dipsticks, and watch a sun-kissed brunette display her tunnel of love in honor of Valentine's Day. Make all of them yours in the February 2001 HUSTLER.

Victim of Love
The Congressman's Wife

Jessie Wynn is trying to put the pieces of her life back together after she and her young child were abandoned by five-term U.S. Congressman Albert R. Wynn of Maryland. Jessie thought she had found her prince charming when she married Wynn ten years ago, but was quickly introduced to the rampant infidelity of American politics and the power trips of congressmen who consider themselves to be above the laws of decency. The discarded spouse asserts that, when years of chronic philandering made her threaten to expose her husband's ways to the public, he callously left his wife and daughter to fend for themselves. HUSTLER correspondent Keith Bearden examines the wreckage of Jessie's life and how representative it is of behavior in the nation's halls of power.

My Bloody Life
Slaughter Among Kings

Chicago's Latin Kings wage murderous turf wars throughout the Windy City, and some of the most violent conflicts erupt between the north- and south-side factions of the powerful gang. Take a firsthand look at the vicious code of honor that gangbangers live by in a grisly excerpt from *My Bloody Life* by Reymundo Sanchez. Sanchez, a former King, chronicles the lives of thugs barely into their teens who struggle to survive on the mean streets of the city while obeying the dictates of elder gang members serving life sentences. The chances of making it out alive are slim when a King's most dangerous enemies are also his brothers in arms.

Pink-Petal Bouquets

Laugh until it hurts in February when HUSTLER's intrepid man in the field, Dave Carnie, finds out if MOR is less by personally test-driving the Motorized Orgasmic Release device in a nut-busting *Sex Play*. Desecrate St. Valentine and Punxatawney Phil with a collection of oozing *bukkake* haiku in *Bits & Pieces*. Find self-love with the help of a dozen *Erotic Entertainment* XXX reviews. Share special moments with 17 homegrown valentines in the pages of *Beaver Hunt*. Love may be free, but the pink in the February 2001 HUSTLER is priceless.

February 2001 HUSTLER on sale December 12.
